

BLAIR OAKS FOOTBALL STATE  
CHAMPIONSHIP

**HON. BLAINE LUETKEMEYER**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 5, 2022*

Mr. LUETKEMEYER. Madam Speaker, I rise today to ask my colleagues to join me in congratulating the Blair Oaks Falcons Football Team on their victory in the Class 2 State Championship.

Blair Oaks claimed the Class 2 title in 2004, 2006, 2018, and now in 2022. To secure their win, the Falcons endured a grueling 15-week season and won in a nail-biting game with a fourth quarter defensive stop. The Falcons should be commended for all their hard work throughout the past year and for bringing home the state championship to their school and community.

Madam Speaker, please join me in recognizing the Blair Oaks Falcons for a job well done.

RECOGNIZING STEPHEN P. DAILEY, P.E., GENERAL MANAGER OF THE FAIRFAX DRAINAGE DISTRICT OF WYANDOTTE COUNTY

**HON. SHARICE DAVIDS**

OF KANSAS

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 5, 2022*

Ms. DAVIDS of Kansas. Madam Speaker, I rise today to recognize Stephen P. Dailey, Professional Engineer and General Manager of the Fairfax Drainage District of Wyandotte County for his exemplary professional accomplishments.

Mr. Dailey's career in public service began after graduating from the University of Missouri-Kansas City with a Bachelor of Science degree in Civil Engineering and becoming licensed as a professional engineer. He spent 14 years in the municipal well drilling industry prior to his time at Fairfax Drainage District.

Throughout Mr. Dailey's 30-year tenure as General Manager, he was responsible for protecting investments amounting to nearly \$6 billion in a 2,000-acre industrial park. He oversaw preparations and guided flood control operations for multiple record-breaking high-water events, a highlight that only begins to scratch the surface of 3 decades working in honorable service to Kansas.

Beyond supervising operation and maintenance of complex flood projection system comprised of 5 miles of levee, over 100 relief wells, 12 pump stations and a computerized communications network, Mr. Dailey spent 27 years serving on the Fairfax Industrial Association Board of Directors and over fifteen years as an active board member and committee chair of the Missouri and Associated Rivers Coalition, promoting water resource management for effective flood control and navigation works.

I've also had the pleasure of working with Mr. Dailey while in Congress. Last year, I had the pleasure of sponsoring community project funding to perform maintenance of the Fairfax Jersey Creek Upper Levee. I commend Mr. Dailey for his dedication to our state and to

our country, and the 120-plus businesses in the Kansas City, Kansas community he has tirelessly worked to support and protect.

**STEVE CHABOT APPRECIATION**

**HON. JOE WILSON**

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 5, 2022*

Mr. WILSON of South Carolina. Madam Speaker, throughout my service in Congress, I have been grateful to serve with Representative STEVE CHABOT of Ohio, including our time together on the House Committee on Foreign Affairs. I will never forget our CODELS including to both Russia and China, with the bipartisan House Armed Services delegation in 2002. He is a valued public servant, and I am eternally grateful for his more than 20 years of service to Ohio's 1st congressional district and to the nation.

Throughout his life, STEVE has been a dedicated public servant. Prior to being elected to Congress in 1994, he served as a City Councilman in his hometown of Cincinnati, Ohio, and as a Hamilton County Commissioner for five years each.

During his time on the House Committee on Small Business, including as Chairman, STEVE has been a positive force for change, advocating for taxpayers, protecting small businesses, and fighting back against excessive government spending and regulations. He was a pivotal member in the implementation of the Paycheck Protection Program, which aided small businesses and saved over 50 million jobs nationwide.

As co-chairman, his service for country caucuses made a difference for appreciative allies from Taiwan to Turkey. He tirelessly promoted warm relations with valued allies.

As a Senior member on the House Committee on the Judiciary, he sponsored legislation to combat the opioid epidemic, defend the rights of the unborn, fight against internet child exploitation, and increase resources for those facing mental health challenges.

Today I am grateful to honor his service to the American people and wish him and his wife Donna the best in their future endeavors.

In conclusion, God bless our troops, and we will never forget September 11th.

RECOGNIZING THE SERVICE OF THE HONORABLE ERIC RODRIGUEZ, COUNCILMEMBER, CITY OF SAN MATEO, UPON THE CONCLUSION OF HIS PUBLIC SERVICE

**HON. JACKIE SPEIER**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 5, 2022*

Ms. SPEIER. Madam Speaker, I rise to recognize Eric Rodriguez as he steps down from the San Mateo City Council after serving for five years and ten months, with one year as Mayor.

Eric grew up in neighboring Belmont. Upon moving to San Mateo, he eventually served as his neighborhood's representative to the San Mateo United Homeowners Association and

as a member of the Aragon Neighborhood Association Board of Directors from 2013 through 2016. In 2015, he was appointed to the planning commission, serving until 2017.

In that year, he was elected to the San Mateo City Council. In his candidate's statement he argued for effective traffic planning to reduce gridlock, preservation of the neighborhood character of San Mateo, quality public safety and parks and recreation services, affordable housing and fiscal accountability. He received 6,266 votes.

Nowhere in his candidate statement did the word "COVID" appear.

Eric led San Mateo as Mayor from December 2020 to December 2021. These harsh times of pandemic required city services to be largely delivered remotely, city workers to support public health by arranging for testing and then early public vaccination sites, and an all-hands-on-deck approach to preserving public health. This included the difficult decision to enforce shut-down orders for public places. As the vital restaurant industry began to be devastated by the disease, Eric and his colleagues swiftly approved outside dining and offered financial support. When racial tensions rose because of actions in other cities that sparked nationwide outrage, Mayor Rodriguez spoke out on YouTube and stated that San Mateo stood united against hatred and all forms of racism. He also spoke in favor of the Police Athletic League (PAL), stating that building relationships between young people and the police was part of the solution to keeping fairness in the community.

During his time in office, Eric was a strong advocate for affordable housing developments to reduce income inequality in San Mateo. To his credit and that of his colleagues, a city parking lot near Caltrain is now under construction. Kiku Crossing is a 7-story apartment building that will offer 225 homes for those earning low incomes, and a new publicly accessible parking garage. This development could have been contentious, but Eric and his colleagues spent many hours educating the public about the benefits of this project.

Also begun during his term of office was a billion dollar+ upgrade to the city's wastewater treatment plant. It takes quite a bit of time to bring this kind of project to the stage of construction, but Eric and his colleagues supported an upgrade that is a credit to the objectives of the Clean Water Act and that will be a vital piece of public infrastructure for decades to come.

In his private life, Eric is presently the CEO of a health information website that he co-founded. He serves on the Board of Directors of the Police Activities League and the Rotary Club of San Mateo. He is a graduate of the Stanford Graduate School of Business where he received his M.B.A., and the University of California at Berkeley where he received his Bachelor of Science degree. He and his wife Shirley have one child, son Tyler. Now that he is leaving public life, there will be more personal time to enjoy with his family.

When the call of elective public service is made, most people turn a deaf ear. It then falls to a few to assume the reigns of authority, pursuant to endorsement via elections, and to bear the full commitment of time, energy and emotion on behalf of creating a better community for all. Eric Rodriguez answered the call, and the people of San Mateo are better because of his service. I wish Eric and his

family wonderful times in the years ahead. In the coming years, as he leads Tyler through the community, he will be able to point and to say, "Dad helped make that possible." I am certain that his son will be impressed, and perhaps another generation of public service will be born because of those moments. This is one of the chief ways in which American democracy sustains itself. From parent to child. From generation to generation. From local government to national. The accomplishments of all of us add up, and Eric Rodriguez's service is illustrative of this remarkable reality of democracy.

RECOGNIZING LAREDO MAYOR  
PEDRO IGNACIO SAENZ, JR.

**HON. HENRY CUELLAR**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 5, 2022*

Mr. CUELLAR. Madam Speaker, today I rise to recognize Mayor Pedro Ignacio Saenz, Jr.

After serving the maximum two terms as mayor of my hometown of Laredo, Texas, Mayor Saenz will step down at the end of this year. I would like to congratulate him on his many accomplishments in office and wish him the very best in the next chapter of his life.

A third generation Laredoan, Mayor Saenz is a pillar of our community. He raised his family in Laredo. He built a highly successful law practice there and specialized in oil and gas for 30 years. Mayor Saenz was president of both the South Texas Food Bank and the Laredo Affordable Housing Corporation—and he served for 12 years on the board of Laredo College, including as Board President, where he was instrumental in establishing the South Campus.

As mayor, he was a tireless advocate for the City of Laredo. During the COVID-19 pandemic, Mayor Saenz shepherded the city through a public health emergency. He helped the city manage difficult cross-border politics and challenging water issues. He helped lay the groundwork for closer binational cooperation with Nuevo Laredo and for substantial new investments in infrastructure.

Being a mayor is a 24/7 job. After serving two full terms, Mayor Saenz has earned the right to step away and spend more time with his family, including his wife Minerva, his 3 children, and his 5 grandchildren. I congratulate him on his work over the past 8 years, and I look forward to seeing what the next chapter of his life holds.

LYMPHEDEMA TREATMENT ACT

**HON. PAUL TONKO**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 5, 2022*

Mr. TONKO. Madam Speaker, I rise today in support of the Lymphedema Treatment Act, and to pay tribute to my constituents with lymphedema and their loved ones.

Nearly ten million Americans currently suffer from lymphedema, symptoms of which include intense discomfort, recurring infections, and difficulty moving. Lymphedema is characterized by swelling of the arms and legs often

caused by cancer or cancer treatments that result in the damage or blockage of the lymphatic system. There is no cure, but there are effective treatments. I want to take the time to recognize one of my constituents named Emma. Emma is 14 years old and was born with this incurable, progressive disease in her legs and feet. She first visited D.C. to advocate for this bill when she was 6 years old. Emma's advocacy has taught my team and me about lymphedema and the priorities for those living with this disease. She has shared about the painful complications and the need for the best treatment to be affordable.

Currently, Medicare does not cover the cost of compression treatment items. The Lymphedema Treatment Act would improve coverage for the treatment of lymphedema by extending coverage to include certain lymphedema compression treatment items. As a proud cosponsor and longtime supporter, I was excited to vote in support of H.R. 3630, the Lymphedema Treatment Act, when it came for a vote in the House of Representatives. I urge the Senate to move this critical legislation forward. We owe it to Emma and to all those suffering from lymphedema to get this bill signed into law. I also hope that private insurers will follow suit and do the right things with coverage for compression treatment items.

I thank Emma, her family and my many constituents who advocated for this and made a difference in pushing this forward.

HONORING D H BROWN'S FOR ITS  
DECADES OF SERVING ILLI-  
NOISANS FROM ALL CORNERS  
OF THE STATE

**HON. CHERI BUSTOS**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 5, 2022*

Mrs. BUSTOS. Madam Speaker, I rise today to recognize D H Brown's in Springfield, Illinois, for bringing Illinoisans together for decades.

An iconic downtown establishment located in former President Abraham Lincoln's hometown, D H Brown's caters to patrons from every walk of life. It is a staple in Central Illinois, and a gathering place for individuals to engage in thoughtful discussion on how to strengthen communities throughout the state. While the Illinois General Assembly is in session, it is not uncommon to see state legislators from both parties frequenting D H Brown's, talking directly with constituents and other Illinoisans alike. Owned by Alex Preston, it is a vital fixture that helps to embody the culture of Springfield. I'm confident that D H Brown's will continue to contribute to this deep political heritage for many years to come.

It is because of Illinois' quintessential establishments like D H Brown's that I am especially proud to serve in Congress. Madam Speaker, I would like to, again, formally honor D H Brown's in Springfield for their decades of service to Illinoisans.

RICK MCLEOD APPRECIATED

**HON. JOE WILSON**

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 5, 2022*

Mr. WILSON of South Carolina. Madam Speaker, since 2008, Rick McLeod has served as the President and CEO of the Savannah River Site Community Reuse Organization (SRSCRO) and after nearly 14 years of dedication to the nonprofit and the community, he has announced his retirement.

Rick has led the two-state of South Carolina and Georgia, five-county SRSCRO in facilitating economic development and serving as a unified voice for the region throughout his time there. He has played an integral role in advancing the organization's mission to craft and implement an extensive strategy that will promote the common economic interests of the community by furthering growth in the service area and stabilizing the financial state of the Savannah River Site.

Having received a B.S. degree in Agricultural Engineering and a Master's in Environmental System Engineering from Clemson University, Rick exemplifies tremendous skill in technical training as well as extensive professional experience from his over 25 years in business development, fundraising, and project management in both the private and public sectors.

Aside from his work with SRSCRO, Rick has taken an active role in a national non-profit conservation organization, where he has first-hand experience with foundation and corporate donations, and federal grants and appropriations.

South Carolina is grateful for Rick's work in ensuring that the people of the state have opportunities to develop skills needed to obtain jobs in the area, thus connecting and strengthening the relationship between regional employers and educational institutions, ultimately increasing economic development.

I congratulate Rick on his retirement with best wishes for continued success.

AMERICA'S 21ST CENTURY TROJAN  
HORSE—THOMAS DRESSER

**HON. VICKY HARTZLER**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Monday, December 5, 2022*

Mrs. HARTZLER. Madam Speaker, I rise today to include in the RECORD an op-ed written by Dr. Thomas Dresser of Columbia, Missouri.

A Trojan horse for the United States of America in the 21st century is the container ship from China. The millions of containers bring high quality and lower priced goods to our country. The hidden cost is the loss of our ability to provide for ourselves. We cannot live without the contents of those containers, and we are becoming less able to produce them for ourselves. Items essential for the existence of our nation are made in China. This is a strategic mistake for the USA.

The original Trojan horse occurred when the Greek army was trying to defeat the city of Troy. After the years-long siege did not work, the Greeks pretended to leave but left
