

Counsel and Chief People Officer at the Housing Authority of the City and County of San Francisco, was an essential worker and required to work from her office. So too was her husband, Andrew Mason, as the President of the San Bruno Park School District Board of Trustees. Linda and Andrew have two young children, Fabian and Gabriel, now ten and six. Balancing their duties as a council member and trustee while alternating who was working remotely or from the office while also caring for their children whose daycare had been closed due to the pandemic was very difficult and stressful, but with the support of each other, Linda and Andrew managed. We owe them both a big debt for their unwavering service.

During her time on the council, Linda and her colleagues were very productive. They negotiated a community benefits package with one of San Bruno's top employers, YouTube, that will result in \$54 million coming to the city and create a state-of-the-art, environmentally friendly office park and community space in the Bayhill neighborhood. The construction of the new Recreation and Aquatic Center, funded by a PG&E settlement after the tragic pipeline explosion in 2010 that killed eight residents, is on time and within budget. The council successfully placed a transit occupancy tax measure on the ballot that will bring the tax to industry standards. They also negotiated with WalMart to bring over \$3 million in additional tax revenue to the city. This year I was pleased that the House of Representatives approved almost half a million dollars in Community Project Funding for wildfire prevention for the cities of San Bruno and Belmont. Additionally, we voted to approve \$2.4 million to the City/County Association of Governments of San Mateo County that would address flood control issues in San Bruno. It's now up to the U.S. Senate to approve this funding.

The council enacted an emergency ordinance to protect small businesses from being evicted during the pandemic. Outdated rules were updated so that small restaurants downtown are now allowed to open without having to create parking. The council created a much-needed street paving schedule and supported \$6 million in funding this year.

Linda didn't hesitate to initiate or lead projects. Local press reports that Linda jumpstarted the negotiations with Artichoke Joe's which will provide about a million additional dollars to the city. She was also instrumental in securing \$200,000 in county funds to beautify Posey Park and to fix a non-working fountain. Linda was a strong proponent for 12-year term limits for council council members and mayors, a measure that passed by more than 80 percent.

Always advocating for transparency, equity and good governance, Linda has successfully pushed for more diversity on committees, commissions, and boards. She also advocated for stricter accountability measures from the San Bruno Foundation to assure grants are utilized as intended. Thanks to her, all foundation meetings are now recorded and available for public viewing. As a parent with children in public schools, Linda pushed for open communication and partnership between the school district and the city. The city manager and superintendent now meet regularly and during the pandemic, the city provided its internet service to low-income students who lacked internet access during the lockdown. Linda in-

troduced the idea of the Peninsula Museum of Art moving into Tanforan Mall and repurposing additional empty mall space as working artists' studios.

Linda is a San Francisco native. She earned a double major BA in Political Science and Spanish from San Francisco State University. She completed most of the coursework for her BA at Universidad Complutense de Madrid in Spain. She received her JD from San Francisco Law School.

Madam Speaker, I ask my colleagues in the House of Representatives to join me in recognizing Vice Mayor Linda Mason for her service to the residents of San Bruno who are among the most resilient constituents in my Congressional District. I have no doubt that Linda will stay engaged in public life and continue to contribute to the community she loves.

The people of Garden City hold a special place in her heart and took pride in representing a welcoming community. Jaylee Lynch's dedication to her city was evident in the work she championed to ensure the expansion of the fire department, community center, and downtown redevelopment.

During her tenure, Council Member Lynch advocated for the issues most important to the residents of Garden City as a representative on the Conference of Western Wayne. Please join me in showing appreciation for Garden City Council Member Jaylee Lynch for more than two decades of public service for her 15 years of service to the people of Michigan's 13th District Strong, as we wish her well on her future endeavors.

COMMEMORATING STAFF ON THE HOUSE NATURAL RESOURCES COMMITTEE

HON. RAÚL M. GRIJALVA

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 13, 2022

Mr. GRIJALVA. Madam Speaker, I rise today to honor the service of three long-time staffers, each of whom has served this body and the American people for more than two decades.

All of us on this floor recognize the essential contribution staff make towards our individual and collective success—whether crafting policy, shepherding legislation, or serving our constituents. Knowledgeable, diligent, talented public servants are the glue of this institution,

and those who dedicate their lives and careers towards this service deserve our special appreciation for sharing their wisdom and experience with the next generation of public professionals.

The staff I hope to honor here today embody those ideals, working tirelessly and selflessly to support progress on issues that matter to the American people, serving as a model for our entire team and for this chamber. Though no speech could encapsulate the breadth of their dedicated service, I firmly believe they deserve to be recognized before the full House for their distinguished careers.

David Watkins, the Staff Director for the House Committee on Natural Resources, began his career on Capitol Hill more than two decades ago, first joining the office of his hometown Congressman and our esteemed colleague, Representative LLOYD DOGGETT.

David then joined the Committee working on public lands issues before working his way up to Subcommittee Staff Director, Chief Counsel, and eventually to Staff Director of the full Committee. Under David's leadership in the majority and minority, our Committee saw historic accomplishments, from advancing comprehensive environmental justice legislation to supporting self-determination for the people of Puerto Rico.

Even as the Full Committee Staff Director, David's work on the behalf of public lands was never far from his heart. Throughout his career he was an adept advocate for special places, advancing historic lands bills from P.L. 111–11 and the Dingell Act to the Great American Outdoors Act.

Perhaps most of all, David was a trusted and respected leader on our team, helping to support and develop staff, incorporate diversity and inclusivity, and ensure we championed issues too often forgotten. His knowledge of Committee process and history was invaluable as I took on a Committee leadership role, and his guidance and good humor have helped our Committee through many long markups and floor debates.

Nancy Locke, the Chief Clerk of the House Committee on Natural Resources, has been in her current role since 2019, but her service to this Committee and this Congress began long before.

Nancy first joined the Committee more than twenty years ago, first serving as the Clerk for the Subcommittees on Energy and Mineral Resources and National Parks, Forests, and Public Lands under Chair Doc Hastings, before working her way up to Deputy Chief Clerk and then Chief Clerk of the Full Committee. Her distinguished career also included more than a half decade of service on the House Education and Labor Committee as their Chief Clerk.

Throughout her time on the Hill, Nancy has seen this chamber change hands and change in its composition, but she has remained an unwavering force. Over the years, Nancy has kept our hearings and markups in order, consistently ensuring proper procedure, and keeping the Committee on track.

Her famed weekly meetings served as an opportunity for her team to coordinate activities across the Committee but was also at the heart of our work—she kept the trains running on time, helped ease staff transitions, and organized procedurally complex Committee business.

In addition to her work as Chief Clerk, Nancy has provided invaluable mentorship to

many talented teams of Subcommittee Clerks and Policy Aides, whose own successes serve as a testament to her guidance and leadership.

Finally, I want to thank Chris Kaumo for his twenty years of service. I have known Chris since before I was a Member of Congress as he was one of the first staffers on my first campaign. Chris was an essential force in my early work in this Chamber, helping to organize and staff our offices, while ensuring quality service for the people of southern Arizona.

From running phone banks to now serving as a Deputy Staff Director and Senior Advisor to the Committee, his work and friendship have meant the world to me. When I first assumed my role as Ranking Member on the House Natural Resources Committee, I asked for Chris's help in a new capacity, and brought him on to serve as Staff Director on the Subcommittee for Indigenous Peoples of the United States. In that role, Chris has been an essential advocate for elevating Indigenous voices and protecting the rights of Indigenous communities.

He is a Committee leader and a trusted advisor, and I am deeply indebted to his long service to our district, state, and the Nation.

Madam Speaker, though David, Nancy, and Chris will be deeply missed on the Natural Resources team, I have no doubt they will find fulfilling and exciting opportunities in their next steps. I want to thank them all for their dedication, service, and friendship over the years.

ANOTHER HISTORIC ACHIEVEMENT IN OUR NATION'S SPACE PROGRAM

HON. BILL POSEY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 13, 2022

Mr. POSEY. Madam Speaker, I want to take a moment to recognize a historic achievement in our nation's Space Program. Yesterday marked the 50th Anniversary of Apollo 17's landing on the moon—the last time humans went to the moon. Now, 50 years later to the day, Artemis I's Orion capsule splashed down off the Baja California coast, signifying our return to the lunar surface, and beyond.

As a teenager I was deeply inspired by President Kennedy's famous Rice University speech declaring America's intent to go to the Moon. I wanted so much to be part of it, and, like many in Brevard County, I found work on the Apollo program just a few years later. It was a truly great experience.

Space is not only important to our national security, but to advancing American ingenuity and technological prowess, and ultimately, to ensuring the survival of our species. This is an exciting time for space exploration and discovery, and I encourage young people looking to be part of something special, something important, to consider a career in the fields of science, technology, engineering, and mathematics.

RECOGNIZING THE SERVICE OF THE HONORABLE DIANE PAPAN, DEPUTY MAYOR, UPON THE OCCASION OF HER DEPARTURE FROM THE SAN MATEO CITY COUNCIL

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 13, 2022

Ms. SPEIER. Madam Speaker, I rise to recognize San Mateo Deputy Mayor Diane Papan as she leaves the San Mateo City Council to become a member of the California State Assembly. The voters of the district have elected a strong leader who has always been attuned to the needs of her constituents.

Diane Papan grew up in Daly City and Millbrae and then moved to the City of San Mateo. She was President of the Baywood Owners Improvement Association, Second Vice-President of the United Homeowners Association, and Chair of the Baywood School Site Council. She also worked on the San Mateo Downtown Master Plan and Parking Plan.

She is a proud graduate of the University of California, Los Angeles, where she received her bachelor's degree in Political Science in 1985, and of my alma mater the University of California Hastings College of the Law from which she graduated in 1988. As an attorney, she began her legal career litigating public works projects. Today, she has her own commercial law practice representing small busi-

nesses. She also serves as the administrator of her family's charity, John's Closet, and a scholarship named for her late brother, the John Papan Memorial Scholarship.

Diane is deeply concerned about climate change and has been instrumental in helping San Mateo County adjust to this new reality through her service on OneShoreline, a countywide district that creates projects to deal with sea level rise. As an original board member, she recognizes that San Mateo County is the No. 1 county in California at risk of damage to property and infrastructure. Together with her fellow board members, she has overseen the implementation of a project in Redwood City and Menlo Park to relieve flooding for hundreds of low-income residents of mobile homes. She and her colleagues are also guiding a project that will protect businesses and infrastructure in an area from the border with San Francisco International Airport through Burlingame to San Mateo. Some in San Mateo County questioned the need for a countywide agency to deal with climate change and sea level rise. Diane saw the aim of this agency and has always strongly supported it.

As a councilmember and Mayor, Diane pushed to establish the 101 Express Lanes Joint Powers Authority so that San Mateo County could implement toll lanes along a lengthy stretch of our main freeway. The project will be completed next year but it promises to reduce carbon emissions and to speed commuters through a heavily congested corridor. She also represents the city on the board of the consolidated fire district.

Diane has been a strong supporter of more housing within the City of San Mateo. For example, while on the council, she voted to allow two additional levels and 61 additional units to the city's Kiku Crossing development, an affordable housing project presently under construction. It was a controversial decision because it relied on recent changes to state law. Using state authority to create these units illustrates the important role that the state legislature plays in creating economic opportunity despite the opposition of some.

Diane Papan's father, Lou, served in the State Assembly and she is therefore steeped in the history of the institution. However, I know that she will be her own person, as she has proven to be during her time on the city council. In fact, some lobbyists may ignore her individuality and attempt to ingratiate themselves by appeals to her father's memory and sensibilities, Diane, as intelligent and talented as she is, may wish to remind them of their folly by keeping a desk sign close at hand. It might read: "Diane Papan: Proudly Lou's daughter, not his clone."

Serving in elective office is a privilege. It is especially so when you are able to see the immediate impact of your work as is possible when you serve in the California legislature. In our present times, so much depends upon state law. Diane is a strong supporter of the reproductive rights of women, a supporter of California's assault weapons ban, and wants California to invest in wildfire prevention. She will be able to see these priorities and others turned into concrete action in the years ahead.

I wish Diane Papan, her husband Dan Latini, and their daughter Alexa, all the best in the years to come.
