Much of the longtime success of this program can be attributed to current host, Kerby Anderson, whose impressive background includes serving as the President of Probe Ministries and as the author of more than 25 books ranging from topics focused on media and technology, to economics and intelligent design. Cohost Penna Dexter shares the same devotion to God's truth as she provides listeners with weekly commentary focused on Christian conservative politics and prominent cultural issues affecting the family. Throughout it all, the Point of View team has remained steadfast in their commitment to sharing the truth of God to restore a Christian worldview and provide biblical wisdom in today's culture.

For 50 years, Point of View has brought needed attention to prominent issues while serving as a source of wisdom rooted in God's word. I offer my heartfelt congratulations to the Point of View team on this milestone anniversary and ask my colleagues in the U.S. House of Representatives to join me in recognizing their devoted service to truth and keeping God's word at the center of their message as they seek to enlighten the people of this Nation.

HONORING TEXAS STATE
SENATOR EDDIE LUCIO, JR.

HON. FILEMON VELA

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, February 18, 2022

Mr. VELA. Madam Speaker, I rise today to honor Texas State Senator Eddie Lucio, Jr., a man who has devoted his life to bringing dignity and prosperity to the people of the Rio Grande Valley.

Eduardo Andres "Eddie" Lucio, Jr. was born on January 20, 1946, in Brownsville, Texas. The second of ten children, Eddie grew up in the Bougainvillea neighborhood, where he learned the importance of hard work and a good education. He attended the University of Texas-Pan American in Edinburg, where he earned a Bachelor of Science in Education. Eddie served as an educator and coached football, basketball, and track and field in the Brownsville Independent School District before running for office in 1971.

At the age of 25, Eddie became the youngest person ever to be elected County Treasurer in the State of Texas. He also served as Cameron County Commissioner before his first election to the Texas House of Representatives, where he represented the people of Brownsville from 1986 to 1990. He then successfully ran to represent District 27 in the Texas Senate, a position he held continuously for 31 years until he announced his retirement in 2022.

Eddie leads by example and believes that looking out for your neighbors, especially those who have fallen on hard times or are economically disadvantaged, is the heart of public service. He has assisted families who have lost their homes to fire with food, clothing, and rent, and he donates hundreds of Thanksgiving turkeys every year. After witnessing the destruction of Hurricane Harvey,

he purchased a food truck, which he operates with the help of friends and family to feed residents in remote locations when they are affected by natural disasters or other events such as the ongoing coronavirus pandemic. As a former educator, Eddie is a fierce advocate for students and teachers and is well-known throughout South Texas for his work to help young scholars, awarding thousands of dollars in scholarships from funds raised by his annual golf tournaments over the past 30 years.

In the State Senate, Eddie authored bills to increase public school funding, expand bilingual education, improve bus safety, ensure nutritious school lunches, and secure better pay for teachers. He also fought to improve access to higher education in the Rio Grande Valley. He was instrumental in the establishment of the University of Texas Regional Academic Health Center and helped fast-track the creation of the University of Texas-Rio Grande Valley and its groundbreaking medical school, which are helping to train the next generation of doctors and medical professionals in a medically underserved area of the country. To honor his countless contributions to education in the community, Brownsville ISD named Lucio Middle School after him in 1997.

Eddie has changed the landscape of South Texas. As Vice Chair of the Finance Committee, he worked to secure millions of dollars in state funding for infrastructure, which contributed to the designation of the first interstate highways in the Rio Grande Valley and addressed water and wastewater needs for colonias. He also introduced legislation in support of bringing the World Birding Centers to the area and building an artificial reef off the coast of South Padre Island, boosting tourism and ecotourism in the area. Eddie was an early advocate for bringing SpaceX to the region, knowing it would eventually spur a boom of economic development.

Madam Speaker, I ask my colleagues to join me, Eddie's wife, Minnie; his children, Eddie Lucio III and Lynda; and his grandchildren, Eddie "Luc" Lucio IV and Olivia Rose, in thanking him for five decades of selfless dedication to his community.

HONORING THE OUTSTANDING
CAREER OF JANE BAIRD

HON. JOE COURTNEY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Friday, February 18, 2022

Mr. COURTNEY. Madam Speaker, I rise today in recognition of the distinguished career of Jane Baird, of Haddam, Connecticut. As the Senior Director of External Affairs, Jane celebrated a major milestone on January 14th, 2022, when she officially reached 20 years of dedicated employment and leadership with Connecticut Children's Medical Center. By coordinating relationships between the CCMC and its partners, Jane has truly proved her devotion to the health and welfare of Connecticut's children, ensuring a bright and healthy future for countless youth throughout the state.

Before the outset of her career with Connecticut Children's Medical Center, Jane began with her studies at Grinnell College, graduating in 1988 with a bachelor's degree in biology. Upon graduating, Jane went on to

study at Indiana University, graduating with a master's in public administration in 1993. Equipped with this robust education, Jane initially moved to and worked in Vermont as the Managed Care Administrator of the Office of Vermont Health Access for over 4 years. Jane then moved to the Vermont Division of Health Care Administration to be the Director of Quality Assurance and Consumer Protection, keeping to her tireless life-mission of ensuring those around her receive proper medical care.

In 2002, the Second District of Connecticut was lucky when Jane and her family discovered the area for their new home. Upon moving to the small town of Haddam, Jane launched her impactful career with CCMC as the Director of Government Relations. In this role, Jane was responsible for the maintenance of legislative relationships on behalf of the medical center, acting as a conduit between the medical staff at CCMC and the world of public policy. Jane approached this role with great passion, leading advocacy efforts with a wide variety of partners to promote healthcare policies that advance the growth and health of families and their children. Throughout her tenure, Jane has been an extraordinary force in the realm of Medicaid, injury prevention, and national health reform. Without Jane's leadership, I am sure that CCMC would not have had such an influential impact on the well-being of children in Connecticut and across the country.

In recognition of her hard-earned successes, Jane was promoted in 2016 to her current title of Senior Director of External Relations. Under this expanded leadership position, Jane has been instilled with a deeper connection to the promotion of healthy families and communities, taking up even greater, more creative efforts of advocacy. In doing so, she has successfully and dutifully managed communications with the medical center's many affiliates, including Hartford Public Schools and local YMCAs.

Since 2004, Jane has also been an active member of the Board of Directors at Southside Institutions Neighborhood Alliance in Hartford. A medium of cooperation between CCMC, Hartford Hospital, and Trinity College, the Alliance continues to serve a devoted mission toward improving the lives of people in South Central Hartford. In 2011, Jane was appointed Chairwoman to the Alliance as a result of her commitment to and advancement of the organization's core mission.

Madam Speaker, Jane's advocacy for children—characterized by understanding, patience, and perseverance—is a practice that I am grateful to represent in Connecticut's Second District. Throughout her 20 years of advocacy with Connecticut Children's Medical Center, and the years of work before that in Vermont, Jane has displayed how providing care to others involves more than what we often think of. Even after 20-plus years in the field, Jane's devotion to the children is as tireless as ever, a mark of true devotion for helping others in the world. For her unparalleled altruistic nature, I ask my colleagues in the House to join me in honoring Jane Baird, an unrelenting advocate and inspiring leader, setting her name, character and continued work further into stone.

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, February 18, 2022

Mr. BURGESS. Madam Speaker, I rise today to recognize the exemplary work of Sergeant Paul Thornton as he retires from a life of public service. He has served the citizens of the State of Texas, in the communities of Houston, Huntsville, and The Colony as a police officer for over 34 years.

Sergeant Thornton began his law enforcement career in 1988 when he was hired as a police officer with the University of Houston Central Campus Police Department. He attended the Harris County Sheriff's Office Academy. Between 1988 and 1992, Sergeant Thornton also worked as a police officer with the Sam Houston State University Police Department and the Walker County Sheriffs Office. During this time he also earned a Bachelor's of Science degree in Criminal Justice from Sam Houston State University.

On September 2, 1992, Sergeant Thornton was hired by The Colony Police Department. Just a year later, he was named The Colony PD's "Officer of The Year". In 1995, he became The Colony PD's first and only K9 Officer. He and his K9 colleague, Major, a narcotic detection dog, worked the streets several years combating illegal narcotics.

In 1998, he was promoted to the rank of Sergeant. After his promotion, he served as both a Night Shift and Day Shift Patrol Sergeant. As a Patrol Sergeant, he has been in charge of the Crossing Guards, Bike Patrol Unit, Traffic Enforcement Division and the departments off-duty employment program. He has also served as the department's Criminal Investigations Supervisor and the Internal Affairs Sergeant.

In 1999, he met the love of his life and wife, Karen Thornton. Karen is a United States Air Force Veteran and holds a Master's Degree from the University of Texas-Austin. Sergeant Thornton and his wife have three children, Alex, Samantha, and Tyler; and two grandchildren, Clayden and Reagan Thornton.

Sergeant Thornton has devoted over 34 years faithfully serving and protecting his community. For more than three decades, he has put strangers' safety above his own, and we are indebted to him. I am deeply grateful for his service to our community and state, and I wish Sergeant Thornton and his family the best in his retirement.

REMEMBERING DOROTHY F.
MASTERNICK

HON. TIM RYAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Friday, February 18, 2022

Mr. RYAN. Madam Speaker, I rise today to honor the life of Dorothy F. Masternick, who passed away on Tuesday, February 1, 2022, at the age of 96. She was a pillar of our community, a servant of others, and an example of how our lives and talents are meant to be shared.

Dorothy was born November 3, 1925, in Beaver Falls, Pennsylvania, the daughter of

William J. and Annabelle (Onspaugh) Fritz. Dorothy graduated from Beaver Falls High School and Jameson Memorial School of Nursing in New Castle, Pennsylvania.

She worked in a wartime factory as a bomb inspector during WWII while attending nursing school. While working as a registered nurse at North Side Hospital she attended Youngstown State University where she met her future husband, John Masternick. They married on June 25, 1949, and together they co-owned, developed, and operated Windsor House Nursing Homes.

Dorothy was a member of St. Rose Catholic Church and was very active in the catholic community. She served as President of the Youngstown Diocesan Council of Catholic Women, Bishops Advisory Board, Retired Priests Commission, Ohio Catholic Conference, was an advocate of catholic school education, and organized a monthly rosary group. She was especially active in the Cursillo movement which shaped her commitment to care for the elderly in our community with compassion and dignity. Along with her husband, they established the John and Dorothy Masternick Foundation which provides funding to catholic education and scholarships for local high school graduates and nursing students, as well as establishing the nursing simulation laboratory at Youngstown State University.

Dorothy was a natural caregiver and had strong faith. She loved to host Sunday dinner, bridge club and loved to read and paint. After retiring she enjoyed spending time in Florida but her favorite thing to do was to spoil her grandchildren, especially at Christmas.

She leaves to cherish her memory, her children: two sons, Jeffrey (Terri) Masternick, and Atty. John J. (Melissa) Masternick and two daughters, Maria Masternick and Theresa (Leo) Grimes; grandchildren, John Colby Grimes, Daniel (Stacy) Grimes, Ken Grimes, John Michael Masternick, Christopher Masternick, Alyssa Masternick, Kevin (Erica) Pangio, and Amy Pangio; great-grandson, Dean Grimes; nephew, Greg (Cheryl) Hardy; great-niece, Jennifer, and great-nephew, Jason. She is preceded in death by her parents; her husband; her sister, Mildred Hardy, and her brother, Donald W. Fritz.

RECOGNIZING LANE CHANGE

HON. VICKY HARTZLER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Friday, February 18, 2022

Mrs. HARTZLER. Madam Speaker, I rise today to recognize the outstanding work of a local nonprofit in my district for their commitment to ending substance abuse.

Lane Change was established by Lauren and Cory Mitchell, along with Brad and Stacy Segebarth, after local resident Lane Austin died from a fatal overdose while waiting for an available inpatient drug treatment facility. Within less than three short years, Lane Change has transformed many lives through education, outreach, and prevention in the Lebanon Community. Most importantly, their organization has helped families receive counseling and inpatient treatment for substance abuse through local and regional partnerships. Their network has become a vital resource for

patients and probationary drug offenders, something that did not exist when Lane Austin lost his life over three years ago.

Founder and executive director, Lauren Mitchell, is continually expanding her vision for Lane Change as she recognizes more unmet needs in her community. Her organization does not simply want to treat the symptoms of substance abuse but address the fundamental problems that drive it. Like many programs, their leadership understands that substance abuse is frequently linked with mental illnesses or social trauma in childhood and adolescence, making early intervention crucial to prevention. Lane Change has already outgrown their current facility as they have expanded their program to include a safe place for local students to spend time away from troubled home environments.

None of this would have been possible without the generosity of donors and community volunteers. I am proud of each one and for Lauren Mitchell whose vision and commitment made this nonprofit possible. She has already made a tremendous impact. In the coming years, I look forward to watching Lane Change continue to grow and transform lives in southwest Missouri.

HONORING BLACK HISTORY MONTH

HON. LUCY McBATH

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Friday, February 18, 2022

Mrs. McBATH. Madam Speaker, I rise today in honor of Dr. Marjorie Roberts of Johns Creek, Georgia. As we continue our celebration of Black History Month, we recognize Black men and women from throughout the past and present who have made an indelible mark on the story of our nation. I am proud to say that Dr. Roberts is a woman who is doing just that: making her own mark on history by sharing her story and her smile through advocacy on behalf of COVID-19 survivors nationwide.

Dr. Marjorie Roberts grew up the youngest member of her family. In 1980, she gave birth to her daughter, whom she calls her best friend. She is a mother, a wife, and a veteran of the United States Army. She attended Capella University and obtained her Doctorate of Business Administration with a Specialization in Strategy and Innovation in 2014. In 2019, she earned her Life Coaching Certification. She works with clients to achieve progress, reach milestones, and transform their lives.

In March of 2020, Dr. Roberts tested positive for COVID-19. By grace, she survived her initial case of COVID, which included a stay in the hospital. But she is one of the millions of COVID survivors who are considered "long haulers," patients who continue to battle symptoms of the virus for weeks and months after their initial illness. Since then, she has faced health issues that have prevented her from living her life in the same way she did prior to getting COVID-19. In addition to her own challenges, Dr. Roberts also lost a dear friend to COVID-19, Sergeant Gary Mitchell, with whom she served in the Army.

As a COVID-19 survivor and long hauler, Dr. Roberts has made it her life's mission to
