**HON. BENNIE G. THOMPSON**

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 2, 2022*

Mr. THOMPSON of Mississippi. Madam Speaker, I include in the RECORD the cost estimate prepared by the Congressional Budget Office for H.R. 5683, the Department of Homeland Security Border Support Services Contracts Review Act. The cost estimate was not available at the time of the Committee report filing.

U.S. CONGRESS,  
CONGRESSIONAL BUDGET OFFICE,  
Washington, DC, March 1, 2022.

Hon. BENNIE G. THOMPSON,  
Chairman, Committee on Homeland Security,  
House of Representatives, Washington, DC.

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 5683, the Department of Homeland Security Border Support Services Contracts Review Act.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Lindsay Wylie.

Sincerely,

PHILLIP L. SWAGEL,  
Director.

Enclosure.

H.R. 5683, DEPARTMENT OF HOMELAND SECURITY BORDER SUPPORT SERVICES CONTRACTS REVIEW ACT—JANUARY 21, 2022

[By fiscal year, millions of dollars]

	2022	2022–2026	2022–2031
Direct Spending (Outlays) ..	0	0	0
Revenues .....	0	0	0
Increase or Decrease (–) ..			
in the Deficit .....	0	0	0
Spending Subject to Appropriation (Outlays) .....	*	6	**

\* = between zero and \$500,000.

\*\* = not estimated.

Statutory pay-as-you-go procedures apply? No.

Increases on-budget deficits in any of the four consecutive 10-year periods beginning in 2032? No.

No Mandate Effects:

Contains intergovernmental mandate? No.

Contains private-sector mandate? No.

H.R. 5683 would require the Under Secretary for Management at the Department of Homeland Security (DHS) to report to the Congress within 180 days of enactment on the department's active contracts that relate to U.S.-Mexico border security and that are above \$50 million. The report would need to include an assessment of whether contract personnel are necessary to fulfill the department's mission on the U.S.-Mexico land border and a strategy to improve the effectiveness of such contracts. The bill also would require DHS to submit a plan to implement the strategy and brief the Congress every six months until the plan has been implemented.

Using information from DHS, CBO expects that the department would need about \$2 million in contractor support and seven employees to produce the report and about twice as many employees to implement the strategy for two to three years after it is finalized. On that basis, and assuming the bill is enacted near the end of fiscal year 2022, CBO estimates that implementing H.R. 5683 would cost approximately \$6 million over the

2022–2026 period; such spending would be subject to the availability of appropriated funds.

The CBO staff contact for this estimate is Lindsay Wylie. The estimate was reviewed by Leo Lex, Deputy Director of Budget Analysis.

**HONORING MICHAEL VOGEL**

**HON. LLOYD SMUCKER**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 2, 2022*

Mr. SMUCKER. Madam Speaker, I rise today to honor Michael Vogel, who recently retired after coaching volleyball for thirty-one years at Hempfield High School in Landisville, Pennsylvania. Mike's time as coach was nothing short of incredible, with a list of records and championship wins to prove it. Just to name a few, he led Hempfield's girls' volleyball team to win five District 3 Class 3A titles and two state championships while also leading the boys' volleyball team to take seven PIAA–3A state titles and fifteen District 3 Class 3A crowns. As coach of Hempfield's boys' volleyball team for twenty-four years, the team had a record of 1,106–94, an astounding feat. These accomplishments demonstrate the immense dedication that Mike showed to Hempfield High School and the many players he coached over the years. He taught them the value of sportsmanship and hard work, lessons that will last a lifetime. And for that, everyone across our community should be thankful for Mike.

I wish Mike a restful and well-deserved retirement and hope that the next volleyball coach at Hempfield High School will be able to meet the high bar that Mike set.

**HONORING THE LIFE AND SERVICE OF REVEREND DAVE WASHINGTON, JR.**

**HON. BENNIE G. THOMPSON**

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 2, 2022*

Mr. THOMPSON of Mississippi. Madam Speaker, I rise today to honor a remarkable public servant, Reverend Dave Washington, Jr.

Reverend Washington began his formal education at Druid High School in Tuscaloosa, Alabama. He accepted a football scholarship to attend Alcorn State University, where he graduated with a degree in Chemistry. He later received a Master's Degree in Education Administration from Jackson State University.

Reverend Washington spent 11 years as a NFL Pro Football Player for the Denver Broncos, Buffalo Bills, and San Francisco 49ers. At the age of 25, and while still playing in the NFL, Dave became a real estate developer. He designed and built a middle-class residential subdivision in Port Gibson, MS, which he named Trace Hills. Upon his retirement from the NFL in 1981, he served under the administration of Governor William Winters before taking on the Directorship of the Farish Street YMCA, where he developed the city's largest little league football program.

For all the lives Reverend Washington has touched, his legacy will continue in our hearts and in our interactions with colleagues, friends, and family. He was truly a dedicated man, husband, father, friend, and educator. Reverend Washington, Jr. will forever be remembered for his business acumen and passion for education, sports, mentoring, and entrepreneurship was a catalyst to many of the worthy endeavors for which he was involved. He was one who truly used his platform to leverage opportunities for others. He conceived and produced youth programs such as the HIS Ranch Youth Summer Program, the 12+2 Men's Youth Program, the annual Scholarship 3-Point Slam Dunk Contest, the Canton Peace Rally and Golf Classic, and his crowning charitable achievement, "Super Bowl Super Kids Super Sunday", which was a precursor program to the modern-day NFL Experience. His exceptional life of unyielding faith, devotion to family and the greater good will be cherished by his high school sweetheart of 51 years, Dianne Williams and his four children.

Madam Speaker, I ask my colleagues to join me in recognizing Reverend Dave Washington, Jr. for his dedication and tenacity to serving his community and desire to be an example for all.

**HONORING BENJAMIN M. PULEX**

**HON. JANICE D. SCHAKOWSKY**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 2, 2022*

Ms. SCHAKOWSKY. Madam Speaker, I rise to honor an extraordinary young man, Benjamin M. Pulex, who was taken too soon. I include in the RECORD his family's loving tribute.

Benjamin M. Pulex died at the age of 18 on Saturday, February 26, 2022, at his Skokie home with family at his side. Benjamin was born June 9, 2003, in Evanston, IL to devoted parents Magnolia Rivera-Pulex and Cesar Pulex. Benjamin grew up in a home filled with deep love and encouragement alongside his sister, Camila Pulex. Together the family prioritized values like love, respect, and gratitude. These values were often cultivated by regular family trips that fostered a sense of curiosity and stewardship for the environment and ocean life, while also turning Benjamin into a well-seasoned traveler. His annual trips to visit his family in Long Beach, California led to some of his greatest experiences and memories, especially alongside his cousin Angelo Pulex.

Benjamin graduated from Niles North High School (Class of 2021) with a group of amazing, long-time friends. Benjamin and his friends enjoyed soccer scrimmaging, playing video games, and eating out at local restaurants. Together (with support from Benjamin's father) they also founded a local soccer team, the Skokie United Futbol Team HS21.

After the Amyotrophic Lateral Sclerosis (ALS) diagnosis that Benjamin received, he showed compassion and hoped that no other children would have to endure what he did. The greatest protection he had during his battle with ALS was the never-ending support and care given to him by his parents and family. Throughout every stage of Benjamin's illness Magnolia and Cesar were by his side providing the medical and emotional support he needed at any hour of the morning or night, while also striving to ensure that Benjamin found joy in moments and activities throughout the day. Together they quickly became movie and anime aficionados bonding over movie classics and anime shows between treatments.

Prior to his ALS diagnosis, Benjamin was an undergraduate student at North Park University interested in pursuing marine biology. He had received a private tour with the University of Washington's faculty in 2021 and was personally encouraged by faculty to transfer into the University of Washington's Friday Harbor Laboratories program. In a world full of complexity, Benjamin was the opposite—he was caring, grateful, honest, and above all humble. He retained simple yet abundant pleasures in life: spending time with his loving family, his amazing group of friends, watching Spiderman movies and anime, listening to 80's music classics, adhering to his fierce loyalty to Real Madrid by watching games and cheering any hour of the day, also extending that team loyalty to the Seattle Seahawks, and immersing himself into caring and learning more about ocean life. Benjamin had a sharp sense of humor and quick wit, even making jokes and playing pranks throughout his battle against ALS, staying true to himself until the very end.

Benjamin is survived by his parents, Magnolia Rivera-Pulex and Cesar Pulex, his sister Camila Pulex, and a large and loving extended family.

#### RECOGNIZING THE 34TH ANNIVERSARY OF MASSACRES AGAINST ARMENIANS IN SUMGAIT

##### HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 2, 2022*

Mr. COSTA. Madam Speaker, I rise today to recognize the thirty-fourth anniversary of the Sumgait pogroms, which is known as one of the most violent anti-Armenian massacres orchestrated by Azerbaijan.

In February of 1988, the Armenian people of Nagorno Karabakh, more commonly known by its people and descendants as Artsakh, rose in peaceful protest to demand their right to self-determination. On February 27, 1988, civilians were subjected to violent riots and massacres, which lasted for three days. Many innocent civilians were injured, killed, and tortured; some managed to escape and survive while coping with the catastrophe they survived.

Unfazed by their oppression, the Armenian community remained strong and dedicated to preserving their self-determination toward a free-democratic country, that would finally end their rule under the Soviet Union. The courage demonstrated by the people of Artsakh must never be forgotten.

Human rights violations cannot be ignored, and we must learn from our experiences to ensure basic human rights across the globe.

In 2020, we saw the Azerbaijani government capture 25 Armenian soldiers and held them as prisoners of war. The fate of one prisoner remains unknown as of this date. The Azerbaijani government must be held accountable for its violent aggression against the Armenian people.

Today, the people of Artsakh continue to demonstrate strength and unity as they strive towards creating a better tomorrow for themselves and their sovereignty. As lawmakers, it's imperative that Congress continues to work with our counterparts to support a free, prosperous, and secure Armenia and hold Azerbaijan accountable.

Madam Speaker, on behalf of the thousands of Armenian Americans living in my congressional district, I ask my colleagues to stand with the people of Artsakh in remembering the lives lost during this tragic event. May their memory serve as a reminder for each one of us to continue advocating for human rights and democracy around the globe.

#### HONORING THE LIFE OF JIM LANCASTER

##### HON. JOHN W. ROSE

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 2, 2022*

Mr. ROSE. Madam Speaker, I rise to celebrate the life of my friend, cousin, and lifelong Tennessean, Jimmie Knight Lancaster. He passed away on February 3rd after a remarkable 92 years on God's earth.

He was born on June 11, 1929 in Smith County, Tennessee and was the oldest of twin sons born to Edward and Dimple Knight Lancaster. He was raised in a log cabin on the family farm and attended Lancaster Elementary School. After graduating from Gordonsville High School in 1947, he attended Tennessee Technological University on a football scholarship where he received All-Conference honors as a single wing tailback. In college, he served as President of the "T" Club and was elected to Who's Who Among College Students while graduating with the highest honors and his Bachelor of Science degree in Agronomy Agriculture in 1951.

Mr. Lancaster dedicated much of his life to agriculture. He worked for the Wilson County Farm Bureau as its Agency Manager for over 43 years. In fact, he's now a member of the Wilson County Agricultural Hall of Fame in recognition of his exemplary work for local farmers throughout his career.

Jim had an unquenchable thirst for learning throughout his life. He became a Certified Life Underwriter in 1972, earned an Advanced Estate Planning Degree in 1973, and became a Chartered Financial Consultant in 1982.

As a charter member and former Sunday School teacher at the Westland United Methodist Church in Lebanon, Jim loved the Lord and cherished his family with all his heart. He and Vondell, the love of his life, were married for 67 years before her passing. Together they had five children, twelve grandchildren, eighteen great-grandchildren, and two great-great-grandchildren. Jim's and Vondell's loving marriage and devotion to family led to a lot of little Lancasters running around Middle Tennessee.

Jim was a joyful role model and so many people in his community knew Jim in that way.

He served as a leader in many local organizations including the Chamber of Commerce, Boy Scouts, Lebanon Jaycees, the Peoples Bank, the Lebanon Rotary Club, and Cumberland University, and was local camp President of Gideon's International. He prided himself on being a consummate public servant and attempted to inspire others to do the same.

He received countless awards for his service over the years like becoming a member of the Robert E. Musto Insurance Hall of Fame, receiving an honorary Doctorate in Literary Letters from Cumberland University, the Jaycee's Distinguished Service Award, the Rotary Club's Paul Harris Fellowship Award and Bernice Bass Good Citizenship Award, Tennessee Technological University's Outstanding Service Award, and the Chamber of Commerce's Lifetime Membership Award. But he was a humble man who wasn't in it for recognition. He just loved serving his community and the people in it.

Jim Lancaster spent his entire life serving his community, the public, and the Lord. It is only suitable for Congress to recognize and honor his life and legacy. I was blessed to call Jim family. It is a bittersweet moment for me now to say he's gone to be with our Lord.

I thank Jim Lancaster for a life well lived that touched so many in such a positive way.

##### HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 2, 2022*

Mr. THOMPSON of Mississippi. Madam Speaker, I rise today to honor a remarkable hero, Mrs. Chrystal Williams-Davis.

Chrystal was born August 27, 1971, to the late Emma Turner Williams in Marks, Mississippi. She was the last born of 10 children. She attended schools in Quitman County and graduated from Quitman County High School in 1989.

Immediately after graduating high school, she enlisted in the United States Army and was deployed in 1990 to Operation Desert Shield where she was in the Persian Gulf for one year serving during Operation Desert Shield/Storm. She received the Southwest Asia Service Medal, the Medal for the Liberation of Kuwait, The Army Commendation Medal, and The National Defense Medal. Chrystal served a total of ten years in the United States Army Reserve.

Chrystal returned home from Desert Storm and attained her certificate in Practical Nursing from Northwest Community college in 1995. Upon completion of Practical Nursing school, her mother Emma passed away suddenly. Chrystal was sad but remembered how proud her mother was of her accomplishment, and that gave her great comfort and pushed her even harder. She worked as a Licensed Practical Nurse for five years and decided it was time to advance her career in nursing. She then attended Mississippi Delta Community College where she obtained her Associate Degree in Nursing in 2005. She worked as an Intensive Care RN for several years and decided once again that she wanted to have the ability to do more for her patients after seeing
