HONORING TOBI PARKS AS IOWAN OF THE WEEK

HON. CYNTHIA AXNE

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 2, 2022

Mrs. AXNE. Madam Speaker, I rise today to ask the House of Representatives to join me in recognizing Tobi Parks, the founder of xBk and the Board Vice President for the National Independent Venue Association Foundation, as Iowan of the Week.

Surrounded by music her entire life, Tobi describes herself as a musician and creator at heart. Growing up with an understanding of what it takes to be successful in the music industry, Tobi was conscious that her unwavering passion for music could lead to a viable and fulfilling career path. Studying media communications and audio production at Webster University, Tobi was able to foster her interests academically. While at first, Tobi was

scared to put herself out there, those concerns never stopped her from pursuing her dreams in the music industry whether it was completing gigs or hosting shows on the radio. After university, Tobi moved to New York, where she worked for Sony focusing on copy-right and licensing work. However, in 2015, Tobi moved to Des Moines and in the same year, she established an artist-development nonprofit label called Station One Records. Station One Records was created with the objective of granting artists the development that she wishes she could have had. In the end, the nonprofit promotes that finding and cultivating talent is the priority rather than the financial benefits and end results.

As a woman of color and a member of the LGBTQ+ community, moving to Des Moines with her family was a considerable change from her life in New York City. The decision was made based on the fact that they had family in the area, and she could still be legally married in Iowa. Additionally, at the time, a member of the Des Moines Social Club advised her that one can do whatever they wish to do and find support anywhere in Des Moines. With that advice in mind, Tobi sought to build upon the live music ecosystem in Des Moines since she already had experience with running venues, booking artists, and touring. These experiences led to her founding xBk, which is a live entertainment venue in Des Moines in the Drake neighborhood. With the creation of xBk, there was an opportunity to increase the outreach of Station One, create a space to foster an artist community, and diversify the genres of music seen in Des Moines through the venue. Furthermore, with the COVID-19 pandemic, her work as the Board Vice President for the National Independent Venue Association Foundation has pushed for xBk and other businesses to obtain necessary aid through emergency relief programs and additional grants.

Tobi's involvement in the music industry and Des Moines community encourages both the development of those she helps and the diversity of the industry in general. Her determination and inclusive mindset have propelled her to success and make her truly worthy of being nominated for this award. Tobi serves as an inspiration and role model to all, and it is my honor to name her Iowan of the Week.

RECOGNIZING THE EXTRAORDINARY SERVICE OF LEN SIMICH

HON. DEAN PHILLIPS

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 2, 2022

Mr. PHILLIPS. Madam Speaker, today I recognize Len Simich for his extraordinary service to the state of Minnesota as the longtime leader of SouthWest Transit.

Since 1997, Len has served as the CEO of SouthWest Transit, a public transit agency serving the cities of Chaska, Chanhassen, Eden Prairie, and Carver. Under his leadership, SouthWest Transit has embodied its mission to be more than a transit agency by putting people first. This approach established SouthWest Transit as a nation-leading suburban transit agency and key contributor to the region's continued growth and economic development.

Len has helped guide SouthWest Transit from nearly the beginning, helming the agency for over two-thirds of its existence. In that time, he has spurred a fourfold increase in ridership, the construction of numerous new transit stations, and the implementation of innovative transit services such as SouthWest Prime. He also helped lead the agency through the many challenges that have faced transportation agencies in the past two-and-a-half decades, including the 9/11 terrorist attacks and the COVID-19 pandemic.

Len's dedication and ingenuity has been recognized time and time again at the state and national levels. Len was previously honored as the Minnesota Transit Professional of the Year, and the list of accolades for SouthWest Transit are too numerous to fully list but include the American Public Transportation Association's Outstanding Public Transportation System of the Year and the Federal Highway Administration's National Environmental Excellence Award.

Even as he embarks on his retirement, both SouthWest Transit and the communities the agency serves will continue to benefit from his visionary leadership. His service has made it easier for families and friends to share moments together, for residents to achieve economic success through access to job openings across the region, for seniors to live more independently and maintain access to the care and services they need, and for all to enjoy unique seasonal events like the Minnesota State Fair. Our region owes a debt of gratitude to Len for allowing us all to enjoy the fruits of his labor, and on behalf of a grateful community, we wish him a happy, healthy, and meaningful retirement.

RECOGNIZING MRS. GLORIA JEAN WEIRICH MILSPA W'S 100TH BIRTHDAY AND LIFE OF COMMUNITY

HON. SCOTT PERRY

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 2, 2022

Mr. PERRY. Madam Speaker, I am honored to recognize Mrs. Gloria Jean Weirich Milspaw upon the occasion of her 100th Birthday, as well as her continued, tireless service to our communities.

Born and raised in Middletown, Pennsylvania, Mrs. Milspaw became the first ever female drum major for the Middletown High School band in her sophomore year. She attended West Chester State Teachers College for two years as a music major but left early in part due to the Great Depression and World War II. Though she later took the Civil Service exam and scored extremely high, she was told that women couldn't be given the higher-level jobs that were "reserved for men with families to feed." As a result, she was given a typewriter and became a secretary. It was then that she met her future husband, Captain (and later Lieutenant Colonel) Lynn G. Milspaw, an engineer and Air Force pilot. They were married in 1944 and endured the stress and hardship of his military duty in both World War II and Korea, as well as his later duty as a high-level civil servant for the Air Force. Gloria sang with and directed church choirs and various music groups in all their travels and duty stations.

While in Utah, Gloria took up and excelled at the hobby of watercolor, and within a few years she became President of the Utah Watercolor Association. After moving back to
