OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, March 7, 2022*

Mr. FITZPATRICK. Madam Speaker, I rise today to recognize a remarkable non-profit organization in my district, the College Settlement Summer Camp. ENCOURAGING SECURE SUPPLY  
CHAINS FOR CRITICAL MINERALS

**HON. MICHAEL K. SIMPSON**

OF IDAHO

IN THE HOUSE OF REPRESENTATIVES

*Monday, March 7, 2022*

Mr. SIMPSON. Madam Speaker, I rise today on behalf of myself and Congressman RUSS FULCHER to express grave concern with the vulnerability of supply chains and the long-term implications if we do not act now to develop a secure supply chain of critical minerals. In light of the aggression shown by our adversaries, supply chain security is more important than ever.

Our Nation is at a crossroads—Russia has invaded Ukraine. At the same time, China continues to use economic coercion to control global markets and shape countries' political decisions. With Congress' support, this Administration must take drastic and targeted measures to ensure our nation takes the right path to advance U.S. competitiveness and maintain a strong position in domestic and foreign markets, including critical minerals production.

Critical minerals are vital to the emerging technologies that will underpin the future economic well-being and prosperity of this Nation. In recognition of these important minerals, under President Trump, the Department of Interior developed a list of 35 critical minerals, a process that Congress later codified. That list, just last week, expanded to 50. Our home state of Idaho is rich in many of these minerals—some of which are fundamental to energy and national security applications—such as antimony and cobalt.

Antimony and cobalt serve as critical components in grid storage batteries, and other electrification implements essential to providing reliable energy sources to American homes and businesses. In addition to its energy contribution, antimony serves as a critical component of ammunition, armaments, and other national security platforms. Although these minerals serve as essential components in highly utilized U.S. products, 53 percent of antimony comes from China, and another 23 percent comes from Russia. Most cobalt is sourced from the Democratic Republic of the Congo (DRC), where the Chinese government has subsidized companies that engage in non-transparent practices, dominate the industry, and undermine the prosperity and rights of the Congolese.

Aside from mineral production, Idaho is responsible for cutting-edge mineral research. We are proud to be the home of the Idaho National Lab, the nation's premier nuclear energy laboratory, whose research is paramount to any future clean energy strategy. Unfortunately, the Biden Administration chose to remove uranium from the critical minerals list, which leaves the nation's nuclear fleet even more reliant on Russian fuel.

As tensions rise with Russia and the potential of additional sanctions loom, China will look to take advantage of the void left by Russia's isolation in the market. While we need to take strong actions on Russia, the reality is that we source many of our raw minerals from them. As we tighten our grip on their financial system and exports, we must prioritize domestic sourcing and reduce our reliance on countries like Russia and China.

The time is now for this Administration to take real action to prioritize a strong domestic

supply chain for these essential minerals. We do not want to compromise any of our environmental or other standards. We are simply calling on the Administration to prioritize the timely completion of the permits of currently proposed projects so we may take back control of a fundamental piece of many of our essential industries: critical minerals production.

HONORING THE CAREER OF DEB  
SCHULTZ

**HON. JIM BANKS**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Monday, March 7, 2022*

Mr. BANKS. Madam Speaker, I rise today to honor Deb Schultz of Noble County, who is retiring this week from the Noble County clerk's office after 22 years of service.

Deb has served Noble County with excellence. As Deputy Clerk, Deb's primary responsibility was helping oversee elections. Processing new voter registration, communicating with state election officials, monitoring poll workers, and more, she's been the resident expert to which many have looked up and relied on in Noble County for the last two-plus decades.

Deb deserves special praise for her efforts in Fall 2020, which she described as having been "very difficult." Tasked with having to approve and process hundreds of mail-in ballots and navigating the upending of other standard operating procedures, Deb nonetheless successfully oversaw the election's administration which Noble County residents agree was safe and secure.

During her tenure as Deputy Clerk, many county clerks came and went, all of whom relied heavily on Deb's expertise and ability. She leaves behind a legacy that will not soon be forgotten and which has left an indelible mark on the community. As she closes this chapter of her life and begins a new one, I wish Deb the best and thank her for her commitment to Noble County and to the continuity of American democracy.

HONORING UNITED STATES NAVY  
MASTER CHIEF PETTY OFFICER  
FERDINAND "FERDIE" GARCIA  
FOR THIRTY YEARS OF TREMENDOUS SERVICE

**HON. ELISE M. STEFANIK**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, March 7, 2022*

Ms. STEFANIK. Madam Speaker, I rise today to honor U.S. Navy Master Chief Ferdinand "Ferdie" Garcia for his unwavering service to our country and its leaders.

Master Chief Ferdinand Garcia was born in the Philippines on November 29, 1961. In 1990, Mr. Garcia immigrated to the United States and enlisted in the U.S. Navy just two years later. Ferdie graduated from recruit training and then attended Mess Management Specialist School, where he graduated in the top ten percent of his class and was promoted to Petty Officer, Third Class. After Basic Training School, Mr. Garcia worked in various food service positions on board the USS *Saipan* (LHA 2) stationed out of Norfolk, Virginia. In 1996, Mr. Garcia began working as a Mess Management Specialist School Instructor at Lackland Airforce Base in San Antonio, Texas.

In July 2000, Mr. Garcia was recruited into the Presidential Food Service and served as a Petty Officer, First Class in the White House. He served as an Oval Office Enlisted Aide under three U.S. Presidents, including Bill Clinton, George W. Bush, and Barack Obama. Throughout his service at the White House, Mr. Garcia advanced to Chief, Senior Chief, and was finally meritoriously promoted to Master Chief Petty Officer in 2008. For ten more years, he continued to serve as an Enlisted Aide to five different U.S. Navy Admirals.

Master Chief Petty Officer Garcia's thirty years of selfless service in the U.S. Navy are marked with many medals and decorations, including the Meritorious Service Medal with Gold Star Device, numerous Navy Commendation Medals, and many Achievement Medals from the Navy, Marine Corps, and the Air Force.

As Mr. Garcia closes his decades of service in the U.S. Navy ending his time at Walter Reed National Medical Center, I want to ensure he knows his country is extremely grateful for his service. On behalf of New York's 21st Congressional District, I am honored to congratulate an incredible public servant and my friend, Master Chief Petty Officer Ferdinand Garcia, on his retirement and wish him the best in his future endeavor.

COMMEMORATING THE 31ST ANNIVERSARY  
OF OPERATION  
DESERT STORM

**HON. JERRY MCNERNEY**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, March 7, 2022*

Mr. MCNERNEY. Madam Speaker, this past week we commemorated the 31st anniversary of Operation Desert Storm and paid tribute to

the men and women who served in the final effort to liberate Kuwait from invading Iraqi troops. The service members who carried out Operation Desert Storm were instrumental in bringing the Gulf War to an end. Their courage and sacrifice are a symbol of our nation's values and commitment to our allies around the world.

That's why I introduced House Resolution 172, to designate February 28th as "Desert Storm Veterans Day" and to advocate for fair compensation and the highest quality medical treatment for veterans suffering from ailments associated with their Desert Storm service—some of which stem from exposure to chemical, biological, and environmental toxins.

I want to thank my constituent, Michael Emerson, for his fervent support of this effort. I ask my colleagues to join me in recognizing the tremendous contributions of those who served in Operation Desert Storm.

INTRODUCTION OF THE DISTRICT  
OF COLUMBIA CODE RETURNING  
CITIZENS COORDINATION ACT

**HON. ELEANOR HOLMES NORTON**

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, March 7, 2022*

Ms. NORTON. Madam Speaker, today, I rise to introduce the District of Columbia Code Returning Citizens Coordination Act. This bill would require the Federal Bureau of Prisons (BOP) to provide information to the District of Columbia government on individuals convicted of D.C. Code felonies under BOP jurisdiction to help ensure the District has services ready when such individuals return home.

Individuals convicted of D.C. Code felonies face significant hurdles in preparing to return to society because most are in BOP facilities hundreds or even thousands of miles from the District, their families and their loved ones. Because they are frequently housed so far away from the District, coordinating returning citizens' reentry into society is difficult.

Under this bill, the District government would know the health and other needs of individuals convicted of D.C. Code felonies before they are released from BOP custody. Individuals convicted of D.C. Code felonies are the only individuals required to be housed by BOP for violations of non-federal laws.

Currently, under federal privacy laws, BOP is allowed to share information on individuals convicted of D.C. Code felonies with the Court Services and Offender Supervision Agency for the District of Columbia (CSOSA), since CSOSA is also a federal agency, but not with the D.C. government. This bill would require BOP to treat the D.C. government as they do other federal agencies for the purposes of—but only for the purposes of—federal privacy laws, such as the Privacy Act, so that the District government can obtain the necessary information to provide appropriate services to returning citizens.

Specifically, the bill would require BOP, on an annual basis, to provide the District government the following information on individuals convicted of D.C. Code felonies under BOP jurisdiction: the name, date of birth and Federal Register number, the facility where housed and the scheduled release date. In addition, upon the request of the D.C. government,

BOP would have to provide the D.C. government with the same information it provides CSOSA on such individuals.

I strongly urge my colleagues to support this legislation.

RECOGNIZING FRANCES MAURO  
MASTERS ON HER 100TH BIRTHDAY  
AND FOR HER SERVICE AS  
A ROSIE THE RIVETER DURING  
WORLD WAR II

**HON. LISA C. MCCLAIN**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Monday, March 7, 2022*

Mrs. MCCLAIN. Madam Speaker, I rise today to recognize Frances Mauro Masters for her service to this country as a Rosie the Riveter, and to celebrate her 100th birthday.

The daughter of Italian immigrants, Frances was born on March 7, 1922. Determined to serve her country, provide for her family and support her two brothers in the service, Frances rode the bus with her two sisters to and from the east side of Detroit to Ypsilanti, Michigan every day where she worked as a Riveter at the town's Bomber Plant. A shy, quiet and hard-working young woman, Frances continued her work as a Riveter throughout the duration of World War II. The war sadly had enormous personal cost to Frances, as her brother lost his life.

Madam Speaker, Frances Mauro Masters is a true American hero, the embodiment of the 'greatest generation' and a role model for all Americans today, especially young women. As the years go by, it becomes even more important to recognize humble and outstanding members of our greatest generation like Frances. I thank Frances for her service to this country and the selfless example she has set for all of us, and congratulate her on 100 years of life well-lived.
