CELEBRATING THE IZAAK WALTON
LEAGUE OF AMERICA'S 100TH
ANNIVERSARY

HON. FRANK J. MRVAN

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 15, 2022

Mr. MRVAN. Madam Speaker, it is with immense pleasure that I rise today to recognize the Izaak Walton League of America on the organization's 100th Anniversary and to congratulate its members on their many accomplishments. In honor of the League's anniversary, I would like to commemorate its legacy of environmental advocacy.

The Izaak Walton League of America was formally incorporated on January 14, 1922, by fifty-four ambitious men with the goal of conserving our nation's natural resources. At the time, after recognizing the deterioration of our wildlife habitats, they took immediate action to ensure their enjoyment, benefit, and use for generations to come. Today, the League consists of 42,000 members and more than 200 community-based chapters, each committed to continuing the legacy and furthering the accomplishments of their predecessors. The League's members have worked hard to protect our nation's soil, air, wood, waters, and wildlife, and not only have they met their goal, they have exceeded it.

The League is responsible for the passage of the Federal Aid in Wildlife Restoration Act, commonly known as the Pittman-Robertson Act, which was signed into law in 1937. This has provided billions of dollars in funding to

wildlife restoration, habitat conservation, and hunter education. The League's proposal and advocacy for a federal agency to combat water pollution across the country led to the landmark Clean Water Act of 1972 which set federal standards for our nation's waters. Furthermore, the League's advocacy on behalf of Indiana Dunes National Park has provided Hoosiers in Northwest Indiana continued enjoyment and enrichment of our lakeshore. We must also commend the Izaak Walton League for its role in the creation of the Land and Water Conservation Fund, the Upper Mississippi River National Wildlife and Fish Refuge, Superior National Forest, Boundary Waters Canoe Area Wilderness, and the Everglades and Isle Royale National Parks.

Many positive changes involving policies, legislation, and efforts to protect the environment have resulted because of the League's dedication to its communities. The League's members, known as "Ikes," give their time to help build nature trails, restore stream banks, plant trees and rain gardens, keep family farms in business, and prevent the spread of invasive species. Keeping in mind how important it is to invest in the future, the League created a scholarship fund that awards \$125,000 annually to students who are seeking their degrees in fields related to conservation and natural resources. When it comes to protecting our water sources, defending public lands, establishing farm and energy policy, protecting fish and wildlife, and conservation, the Izaak Walton League's members have proven that with diligence, teamwork, and an appreciation for nature, everyday citizens can have a major impact on the world.

Madam Speaker, I ask that you and my other distinguished colleagues join me in honoring and congratulating the Izaak Walton League of America on its 100th Anniversary. Through the years, the League's members have dedicated their time and efforts to ensure the conservation of our natural resources, and for this, they are to be recognized and commended.

HON. MIKE GALLAGHER

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 15, 2022

Mr. GALLAGHER. Madam Speaker, today I rise in honor of the career and service of retiring University of Wisconsin System President, Tommy Thompson.

Throughout Mr. Thompson's long and esteemed career, he has been admired by his peers for his incredible dedication to public service. From being born and raised in Elroy, Wisconsin, to enlisting in the United States Army National Guard, to becoming the longest-serving governor in Wisconsin history, Mr. Thompson's commitment to the State of Wisconsin and our Nation never wavered. I commend Mr. Thompson's service and thank him for the enormous contributions that he has made to the State of Wisconsin and to the United States.

Mr. Thompson's successful tenure as governor was spearheaded by major initiatives like the nation's first school-choice program that Wisconsinites continue to benefit from today. His push for the parental school-choice program created unparalleled educational opportunities for students and witnessed record participation. Governor Thompson led the way on education, healthcare, and welfare reform setting the stage for decades of prosperity in Wisconsin. Given the success of his governorship, Mr. Thompson was appointed by then President George W. Bush to serve as the Health and Human Services (HHS) Secretary from 2001 to 2005. During his time as HHS Secretary, Mr. Thompson played a key role in projects and initiatives that resulted in greater transparency and efficiency throughout the agency.

During his almost 60-year career, Mr. Thompson has proven himself to be one of the most successful public servants in Wisconsin history. In 2019, Mr. Thompson yet again answered the call to service as he was named President of the University of Wisconsin System. Under his leadership, the UW System prioritized developing, attracting, and retaining students and educators that will benefit from the world-class education that the UW system has to offer. As President, Mr. Thompson also helped the UW System navigate the incredible challenges of a once-in-a-lifetime pandemic. The State of Wisconsin is grateful for Mr. Thompson's lifetime of service and dedication to our great state.

As we look back on Mr. Thompson's career, there is no doubt that he has dedicated his life to making the world around him a better place. Mr. Thompson's continued service to both the State of Wisconsin and the United States is worthy of our highest degree of recognition. I urge all of my colleagues in this body to join me in congratulating Mr. Thompson on another successful tenure in public service and on his retirement from the UW System.
