

IN RECOGNITION OF NATIONAL
AREA HEALTH EDUCATION CEN-
TER (AHEC) WEEK 2022

HON. KATHY CASTOR

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 29, 2022

Ms. CASTOR of Florida. Madam Speaker, I rise today to acknowledge the contributions of the nation's Area Health Education Centers (AHECs) and applaud the vitally important health care workforce programs they conduct to improve access to care for medically underserved individuals, particularly in the Tampa Bay area.

AHECs, established by Congress in 1971 as one of the Title VII Health Professions Training programs, are the workforce development, training and education machine for the nation's health care safety net programs. Over the past 5 years, the AHEC program has trained 2 million health care professionals who are prepared to deliver culturally appropriate, high-quality, team-based care, with an emphasis on primary care for rural and underserved populations.

The nation's 300 AHECs are in nearly every state and in multiple U.S. territories, offering hands-on and innovative health career curriculums for pre-college level students. They are committed to continuing education, clinical training of health professionals, and responding to community health needs. This is accomplished by forming academic and community partnerships that link the resources of academic health centers with the needs of the communities.

AHEC clinical training placements put health professions students in a variety of real-world settings, such as migrant, urban, and rural community health clinics and health departments that provide care to rural and underserved communities. Connecting students to their communities helps facilitate future engagement, encouraging health career students to remain in their clinical practice regions following their training. As the nation's population becomes more diverse, it is important that the health care workforce follows suit.

I have long supported the work of AHECs and particularly that of the University of South Florida AHEC program. Established in 1993, USF AHEC and its centers provide youth from diverse backgrounds with programs to inspire and support their interest in health careers through programs such as the Brain Expansion Scholastic Training (BEST), Recruitment and Education Assistance for Careers in Health (REACH), and AHEC Scholars. Students interested in medicine, nursing, dentistry, public health, pharmacy, and other disciplines are exposed to local free clinics in the Tampa Bay area—clinical training opportunities that illustrate the real-world impacts that poverty, racism, and inadequate access to health care have on the lives of their patients and families.

As part of a statewide system of 15 federally and state supported AHEC program offices and centers serving all of Florida's 67 counties, USF AHEC and its partners across the state have leveraged their statewide infrastructure to create numerous programs to benefit the residents of Florida. Since 2008, Florida's AHEC network has conducted a \$10 million annual comprehensive tobacco education

program and group cessation counseling initiative; worked with the state's Opioid Response Program to provide over \$1 million in education and training on opioids for health care providers, students, and community health workers; and partnered with the Centers for Disease Control and Prevention to deliver HPV vaccine education and training programs.

Congress has tasked AHECs with an extraordinarily important mission, and the need to strengthen the health care workforce in our country continues to grow. According to a new report by the Association of American Medical Colleges, the U.S. could see a shortage of up to 124,000 physicians by 2034, and the American Hospital Association says more than 200,000 new registered nurses are needed each year to meet increasing health care needs and to replace nurses entering retirement. AHECs continue to be committed to addressing shortage areas and expanding the health care workforce, while maximizing diversity and facilitating distribution, especially in rural and underserved communities.

On behalf of my constituents at the USF Area Health Education Center and the AHEC program more broadly, I call on my colleagues to join me in recognizing March 28th to April 1st, 2022 as National AHEC (Area Health Education Centers) Week.

BARNEGAT, NEW JERSEY
VIETNAM WAR VETERANS DAY

HON. ANDY KIM

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 29, 2022

Mr. KIM of New Jersey. Madam Speaker, I rise today to express my gratitude for the service of our Vietnam veterans and the patriotism shown by the community of Barnegat, New Jersey as they honor Vietnam War Veterans Day. Today families gather to commemorate the 49th anniversary of final U.S. combat troops departing South Vietnam.

I had the opportunity to attend the second annual event in 2019 and have seen firsthand how much this day means not only to the veterans and their families, but to the visitors who travel from all over New Jersey to attend. Barnegat is the only town in the entire country to have a Vietnam veterans' monument fully funded by an individual Vietnamese refugee. Barnegat is setting an example on how we can honor the sacrifices Vietnam veterans made for our country and I sincerely hope this inspires others to reimagine how we remember our Vietnam veterans and all of our veterans.

New Jersey's 3rd Congressional District is home to one of the largest concentrations of veterans in the country, a place where more than sixty thousand veterans call Burlington and Ocean Counties home. With such a large population, we see brave servicemembers who have kept us safe every single day. To honor such a sacrifice, I know putting together a meaningful ceremony dedicated to the hundreds of Vietnam veterans here today is no small feat. Truly, it is people's passion and organizing that provides hope that military service will never be forgotten. Thy Cavagnaro and her team have done an exceptional job putting this together.

Our appreciation for our veterans should not solely be in ceremonies alone. The simple promise we make is that if someone steps up to protect us, our families, and our nation's security, we will have their backs for the rest of their lives. This promise is one that we as a nation have not always kept, and I am trying to fix that so our veterans and their families receive the benefits they have earned. Whether it is passing the Honoring our PACT Act to ensure all veterans exposed to toxic chemicals during their service have access to the care and benefits they deserve, or making everyday connections directly with veterans in the community, it is on all of us to recognize and celebrate our veterans every day.

For the thousands of Vietnam War veterans and the hundreds being recognized today at this ceremony, know we are eternally grateful and free thanks to their service.

HONORING LOS ANGELES JAZZ ICON BARBARA MORRISON

HON. KAREN BASS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 29, 2022

Ms. BASS. Madam Speaker, today I rise to celebrate the life and legacy of jazz and blues artist Barbara Morrison, founder of the California Jazz and Blues Museum in Leimert Park.

At age 10, Barbara recorded her first radio performance, and moved to Los Angeles in the early 1970s at the age of 21. During her historic career she released numerous albums and performed alongside legendary musicians like Dizzy Gillespie, Ray Charles, Etta James, Tony Bennett, Nancy Wilson, and Dr. John. A three-time GRAMMY nominee, Barbara's wide vocal range and her soulful interpretations of jazz and blues classics resonated deeply with audiences across the globe.

Over her six-decade career, Barbara dedicated her life to her music and her community. In 2009, she founded the Barbara Morrison Performing Arts Center in Leimert Park, a hub of African American arts and culture in my district. There she provided music lovers with the opportunity to hear live jazz, blues, and soul music from musicians around the world. Two years later, she created the California Jazz & Blues Museum in the same location.

Barbara also nurtured new talent and fostered a love of music in young people, including with nocost music and voice lessons for children. The Center and the Museum offer gathering places where lovers can come together, collaborate and learn.

Committed to teaching, Barbara's work extended to academia. She served as an adjunct associate professor of global jazz studies at the Herb Alpert School of Music at the University of California, Los Angeles. As a UCLA professor and as a music teacher in Leimert Park, Barbara's joy for music brought generations together. Barbara led with compassion and grace, and used music to heal and uplift her community. In celebration of April as International Jazz Month, the Center plans to honor Barbara Morrison's music, spirit, and significant contributions to the City's artistic history and its future. I'm proud to know that her legacy will live on.

HONORING THE DISTINGUISHED
SERVICE OF BERNIE BLUESTEIN

HON. RAJA KRISHNAMOORTHY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 29, 2022

Mr. KRISHNAMOORTHY. Madam Speaker, today I wish to honor the distinguished service of Bernie Bluestein, a resident of Schaumburg, Illinois and of my district who is one of nine veterans of the "Ghost Army," an elite U.S. military unit during World War Two, still alive today.

During the war, the Ghost Army operated covertly, deploying tactics such as inflatable tanks, the use of sound effects, radio deception, and impersonation to gain an upper hand on the enemy by concealing the strength and location of American troops. In June 1945, the unit returned home after having served with four U.S. armies throughout England, France, Luxembourg, Belgium, Holland, and Germany.

There is no doubt that the Ghost Army's efforts, while not officially declassified until 1996, were critical to our military's success in turning the tide of the war in Europe. It is estimated that the brave missions undertaken by the Ghost Army saved around 30,000 American lives during the war. Mr. Bernstein's service as a part of this unit was heroic, and Illinois' Eighth Congressional District was incredibly proud to see him awarded the Congressional Gold Medal earlier this year.

Mr. Bluestein has, however, done much more in his life in addition to his exemplary service as a soldier. Since returning home, he has become a lifelong learner, enrolling in classes at Harper College for more than 30 years and finishing art school. This year, at 98 years old, he is fulfilling his life-long dream of learning to sculpt by taking classes at Harper College.

Madam Speaker, I want to recognize the tremendous sacrifice and accomplishments of this humble man from Schaumburg, Illinois. Mr. Bluestein is a distinguished serviceman and remarkable citizen. He represents the values of integrity, service, and character that make our country a beacon to others around the world.

Mr. KELLY of Mississippi. Madam Speaker, I rise today to celebrate the life and service of Ronald Curtis Knight who passed away on Monday, February 21, 2022 at North Mississippi Medical Center in Tupelo. I join his family, friends, and loved ones in mourning his loss.

Curtis was born December 9, 1953 in Amory to Hubert Carroll Knight and Emma Miller Langford. He briefly lived in Texas before returning to Amory. He attended Amory High School and joined the Army, where he served for 6 years. He worked on a riverboat on the Mississippi River for 15 years and was also employed by True Temper Sports. In 1994, he began his 28 year career in law enforcement.

He began his career with the Aberdeen Police Department then joined the Monroe County Sheriffs department. He served as a jailer, patrol, chief investigator, and retired as Chief Deputy. He served as Sheriff of Monroe County from June to December 2021.

Outside of his law enforcement career, Curtis was a Master mason in the J.A. Mayfield Lodge and he played golf, fished, and woodworked. He was a member of the First Baptist Church in Amory.

Left to cherish his memory are wife, Tina; son, Josh; daughters Nikki and Tiffany; along with his brother, sister, and grandchildren.

I am grateful for Curtis' lifetime of service to the state of Mississippi. My deepest condolences are with his family at this time.

IN RECOGNITION OF THE 100TH
ANNIVERSARY OF SUNNY KING

HON. MIKE ROGERS

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 29, 2022

Mr. ROGERS of Alabama. Madam Speaker, I rise today to recognize the 100th Anniversary of the Sunny King Automotive Group.

In 1922, E. D. King acquired the Ford Motor Company franchise currently operated by King Motor Co., Inc. As a Ford franchise continuously operated by the same family in the United States, it's the second oldest in the State of Alabama and 18th oldest in the United States.

Through a 1922 merger involving principals E. D. King, J. F. King and J. C. Wheeler, as well as Wheeler Motor Company and Oxford Motor Company, King-Wheeler Motor Co. was formed. An advertisement appearing in the April 7, 1922, edition of The Anniston Star stated King and Wheeler had been "in the Ford business for a number of years" and claimed the new combination assured "the trade of the best and finest service available".

King Wheeler Motor Co. was conveniently located at 110 East 11th Street in downtown Anniston and the business retailed both cars and tractors. The company operated under the core principle: "every transaction must be satisfactory . . . to every customer."

J. F. King left King Wheeler Motor Co. to pursue and operate a Lincoln franchise while E. D. King retained King Wheeler Motor Co. The name of the company was later changed to King Motor Company which was initially incorporated as King Motor Co., Inc. on December 15, 1947.

In the early 1950s the leadership of King Motor Company transitioned from E. D. King, Sr., the meticulous, organized businessman to E. D. "Sunny" King, Jr., the flamboyant, energetic promotor with the magnetic personality. E. D. King, Sr. became President and major shareholder in Anniston National Bank, that is now Regions Bank.

Under the leadership of Sunny King, Jr., Sunny King Ford became a local household name through advertising and promotion. NASCAR stock car racing was a constant through sponsorship of great drivers like Bill Elliot, Donnie Allison and Ken Schrader.

In 1971, the expansion of Sunny King Ford required relocation to a newly constructed facility located at 1507 South Quintard Avenue. This expansion continued until 1989 with the
