HONORING WILLIAM FRANK
CHAPMAN, JR.

HON. H. MORGAN GRIFFITH

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Friday, April 1, 2022

Mr. GRIFFITH. Madam Speaker, I rise in honor of William Frank Chapman, Jr. of Salem, Virginia, who passed away on March 20, 2022, at the age of 88. Frank served in the Armed Forces and was a businessman and active community leader.

Frank was born on January 25, 1934. He graduated from Andrew Lewis High School. He then attended Fork Union Military Academy and was recruited by North Carolina State University on scholarship to play football, which he did for two years before transferring to the University of Virginia to finish his education.

He served in the United States Navy before returning to Salem. Upon his homecoming, he founded and served as president of Chapman-Taney-Painter-Logan Insurance, Inc. and Bonding for many years. He later worked at Sherwood Memorial Park in operations. After his retirement, Frank dedicated much of his life to service to his community.

He and his friend, Burks Logan, worked as co-chairmen of a capital campaign for the Salem Museum and were honored as "Home-town Heroes" in 2012 by the Roanoker Magazine. He was a life member of the Salem Museum and Historical Society and served as president of the board for five years.

I had the pleasure of knowing Frank personally. He was a friend and fellow Republican. I

recall when I ran for the Virginia House of Delegates for the first time, he vowed to support me. But one of his close friends, with whom he had endured many hard times, decided to run against me. Frank approached me, hat in hand, to apologetically ask that I release him from his commitment. I respected his candor and loyalty. He was a true southern gentleman.

He faithfully served his community and party. He was a Trustee of the Virginia Agents Political Committee, a lifetime member of the Salem Rescue Squad, former state director of Salem Junior Chamber of Commerce, and former president of the Salem-Roanoke County Chamber of Commerce. Frank also served on many committees at the First United Methodist Church in Salem, where he was a lifelong and third-generation member.

Frank was also an avid outdoorsman. In 1981, then-Governor John Dalton appointed him to the Virginia Department of Game and Inland Fisheries Commission to represent the sixth district. He served as vice-chairman from 1984 to 85. Frank also served as vice-chairman of the Catawba District of Boy Scouts of America. He was a member of the Salem Rotary Club and was recognized as a Paul Harris Rotary Fellow in 2005. Throughout his life, he held many esteemed titles and leadership roles—all to serve, lead, and better his community.

Frank was predeceased in death by two wives, Billie Lee Bates Chapman and Page Clark Chapman; his parents, William Frank Chapman, Sr. and Wilma Cross Chapman; and a sister, Lula Cross Harris Russell.

He is survived by his wife, Julie Staggs Chapman; three children, Lee Ann Chapman Critz and her husband, Blake, Frank Bates Chapman, and Catherine Chapman Mosley; four grandchildren, Sara Catherine Critz Kronstain and husband, John, Benjamin Lee Critz and wife, Anna, Luke Bates Mosley, and Addison Grace Chapman; and five great-grandchildren, Emma, Thomas, Matthew, Mason and Olivia. He also leaves behind his beloved stepchildren and grandchildren. I would like to offer my condolences to the family on the loss of this great man, friend, and community leader.

RECOGNIZING THE UNIVERSITY OF
GUAM ON ITS 70TH ANNIVERSARY
AND CELEBRATING THE
54TH ANNUAL GUAM CHARTER
DAY

HON. MICHAEL F.Q. SAN NICOLAS

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Friday, April 1, 2022

Mr. SAN NICOLAS. Madam Speaker, I rise today to recognize the University of Guam (UOG) and join the People of Guam in celebrating both its 70th Anniversary and 54th Charter Day. I extend my sincere congratulations for their decades of achievements and commend them for their countless contributions as a leader in the continued transformation of our local and global communities.

UOG Charter Day is an annual celebration that marks the 1952 founding of the institution and 1968 signing of the charter that renamed the Territorial College of Guam as today's University of Guam. In the years since then, the institution has remained an unwavering force in building strong educational foundations, fostering a breadth of opportunities for personal and professional growth, and creating new spaces for our people to rise as leaders in every level of society. From healthcare and education to business and public administration, every aspect of life on Guam has been deeply impacted by the very students, alumni, faculty, staff, and administration of UOG. Having earned an unprecedented 16 years of continuous accreditation, maintained an outstanding reputation as the only four-year U.S. accredited land-grant institution in the Western Pacific, and conferred over 19,914 degrees to its students, the University of Guam is an instrument of positive change that will continue to shape our island, region, nation, and world in the future ahead.

This year's Charter Day theme, "Charting a Course for New Horizons," and platinum anniversary theme, "70 Years of Transforming lives and Advancing Communities," further speak volumes about the ways in which UOG uniquely embodies its mission to enlighten, discover, and serve. Consistently taking its commitment far beyond the confines of academics and research, the institution has navigated a critical role in supporting the evolving needs of our community. Most recently, this has materialized in the provision of a central island vaccination clinic, personnel support for widespread community testing, online COVID-Ready Caregiver courses, tele-health counseling services, COVID-19 tele-education, a health clinic and outreach events, and COVID-19 awareness presentations in partnership with numerous community-based organizations, the Guam Army National Guard, and Guam Department of Public Health and Social Services over the course of the COVID-19 pandemic.

Madam Speaker, the University of Guam is a pillar of excellence and beacon of promise for generations past and generations more to come. Once again, I would like to congratulate the University of Guam for seventy years of

service, and I look forward to witnessing the continued progress this fundamental institution will realize for the People of Guam and our region.

CONGRATULATING ELIZABETH M. HEWLETT ON HER RETIREMENT FROM THE PRINCE GEORGE'S COUNTY PLANNING BOARD

HON. STENY H. HOYER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Friday, April 1, 2022

Mr. HOYER. Madam Speaker, I rise today to ask the House to join me in recognizing Elizabeth "Betty" M. Hewlett for her more-than-two decades of service on the Prince George's County Planning Board of the Maryland-National Capital Park and Planning Commission. Betty has done a tremendous job managing land-use issues and questions relating to the development of land for the benefit of residents of Prince George's County and the Fifth District. She has been a good friend, and I've been proud to work with her throughout the years to make a positive and lasting impact on our community.

Since she began her distinguished career with the Planning Board, Betty has been a tremendous public servant. As Chairwoman, she oversaw the provision of community planning services, the regulation of real-estate development, and the parks and recreation programs for the residents of Prince George's County. Betty was also a trailblazer: she was the first woman and first African-American to serve as the Chairwoman of the Planning Board. She mentored many Black women who became elected officials and now lead their communities with purpose and vision. Her championship of diversity in Prince George's County government and public services has helped create new opportunities for residents to realize their full potential and become forces for change in their own communities.

Betty has served Prince George's County in many ways beyond her outstanding work on the Planning Board. She has played a critical role in the organizing of my annual Black History Month Breakfast, which brings community

members and leaders together to celebrate Black History Month and rededicate ourselves to the ongoing fight for justice and equality. Additionally, Betty has served on the Washington Metropolitan Area Transit Authority (WMATA) Board of Directors and the Metropolitan Development Policy Committee of the Metropolitan Washington Council of Governments. Her devotion to improving the lives of Prince George's County residents has been incomparable.

Madam Speaker, I offer Betty my congratulations on retiring from public service after a career of great contribution to Prince George's County and to our State of Maryland. I hope all of my colleagues will join me in recognizing Elizabeth M. Hewlett as she celebrates this milestone and in wishing her all the best in the future.
