

# EXTENSIONS OF REMARKS

HONORING THE LIFE AND SERVICE OF CAPTAIN JAMES H. PATTON, JR.

**HON. JOE COURTNEY**

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 21, 2022

Mr. COURTNEY. Madam Speaker, I rise today to honor the life of United States Naval Captain James H. Patton, Jr. Captain Patton passed away last year on September 27, 2021, at his home in North Stonington, Connecticut. I have had the distinct pleasure of connecting with Captain Patton over the years and can personally attest to his distinguished character, major contributions to policy conversations on our nation’s submarine force, and participation and care for his local community.

Born on January 6, 1939, to James H. Sr. and Suzanne Patton in Norwood, Massachusetts, James had the spirit of a New Englander through and through. Due to his shrewd and strong character, it was no surprise that James went on to attend the U.S. Naval Academy, where he graduated in 1960. Upon graduation, James immediately set sail on his military career, dedicating the next 25 years of his life toward faithful leadership within our nation’s Navy. It was during these years that he became an incredible bank of knowledge with respect to our nation’s submarine force, serving on five nuclear-powered attack submarines, two ballistic-missile submarines, and commanding the USS *Pargo*. By the time of his retirement from the Navy, his merited service had earned him the rank of Captain as well as several accolades, including the Legion of Merit and the National Defense Service Medal.

Captain Patton’s dedication to the strength of our nation’s Navy was never intended to end with his retirement from the military. Upon his departure in 1985, our region became lucky enough for Captain Patton to discover North Stonington as a place to call his permanent home. As a newfound resident, Captain Patton would go on to leverage his extensive experience with the Navy and found his own advocacy firm, Submarine Tactics & Technology, Inc. It was through this medium and his several published materials that Captain Patton championed advancing the narrative on investing in our “Silent Service,” directly contributing to our region’s existence as a manufacturing powerhouse as well as the position of naval strength which we continue to benefit from to this day.

As a resident of North Stonington, Captain Patton made sure his outgoing personality also enriched his local community. For instance, he was not only a member of but a valuable contributor to the Naval Submarine League, North Stonington Lions Club and the Education Foundation. Truly, it was always in his nature to lend a helping hand.

Madam Speaker, as the representative of eastern Connecticut, I cannot think of a citizen

more outstanding than Captain James H. Patton, Jr. The quarter of a century dedicated to serving our nation is commendable by itself, but James continued to demonstrate exceptional civic duty even upon his initial retirement. Our entire southeastern Connecticut community continues to mourn his loss to this day. I find gratitude in the fact that his surviving family has stood strong in bearing the standard of his memory, namely, his wife Mary Patton, three children Terry Rhoads, John Patton and James Patton III, sister Mary Cobbett, and numerous grandchildren, nieces and nephews. In particular, I have had the opportunity to get to know James III, who has followed the example of his fathers informed idealism to serve overseas to promote peaceful sustainable international development all over the globe. The invaluable contributions of Captain Patton’s life and legacy will continue to impact our nation’s security and his local community for generations to come. To these ends, I ask that my colleagues in the House join me in honoring Captain James Patton, Jr.’s incredible life of service.

He was a graduate of CV High School in Westfield, PA, and continued his education at Edinboro University receiving his BA in Business and English, and his MA in Counseling Psychology. He worked at Northshore Psychological Associates of Erie, PA where he was a Clinical Psychologist and a loyal advocate for his patients.

Outside of work, he was a history buff, especially for Presidential history. He loved visiting historical sites, museums, cemeteries, presidential gravesites, and maintaining the Packard family graves in Warren, OH. He was an avid flower gardener, a voracious reader, enjoyed listening to music, and had a great love for animals, especially cats.

Joel will be deeply missed by his partner, Charles Ohlin; brothers, Kenneth Lampman II and Dan (Lori) Wood; nieces and nephews, Summer (Jeff) Hunter, who he adored and mentored, Shane (Sarah) Lampman, Danielle (Aaron) Marsh, Morgan and Kyle Mills, and Olivia and Makenzie Lampman; many great-nieces and nephews; and his cats Josie and Simon.

INTRODUCTION OF THE BREASTFEEDING MOTHERS JURY DUTY EXCLUSION ACT OF 2022

**HON. ELEANOR HOLMES NORTON**

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 21, 2022

Ms. NORTON. Madam Speaker, I rise today to introduce the Breastfeeding Mothers Jury Duty Exclusion Act of 2022, which would allow breastfeeding mothers summoned for jury service in federal court or in the Superior Court of the District of Columbia to be excused from service for the period they are breastfeeding upon the individual’s request. The benefits of breastfeeding are well-documented, and breastfeeding mothers should not be deterred from breastfeeding by jury service.

The District of Columbia Home Rule Act prohibits the D.C. Council from enacting any law relating to title 11 of the D.C. Code. Title 11 governs jury service. Therefore, this bill is necessary to provide this exclusion for both the federal and D.C. courts.

I urge my colleagues to support this bill.

INTRODUCTION OF THE KIMBERLY VAUGHAN FIREARM SAFE STORAGE ACT

**HON. SHEILA JACKSON LEE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 21, 2022

Ms. JACKSON LEE. Madam Speaker, I am pleased to introduce the Kimberly Vaughan Firearm Safe Storage Act. This legislation takes important steps to keep our children and our communities safe from unsecured firearms.

On May 18, 2018, Kimberly Vaughan was among eight students and two teachers who were shot and killed at Santa Fe High School in Texas. Thirteen others were wounded. The shooter was a 17-year-old who brought a shotgun and a .38 caliber pistol from his home to commit this heinous crime. Neither weapon was stored securely and placed the lives of all these students in jeopardy.

Sadly, school shootings like the one that occurred in Santa Fe have become horrifyingly familiar. In 80 percent of school shootings involving a shooter under 18 years old, the gun was taken from the home of family or friends. Some of these shootings may have been prevented if the weapons were securely stored and made inaccessible to minors. Unsecured firearms also increase the risk of unintentional shootings and suicide.

On average, eight children are killed every day by improperly stored or misused guns. The American Academy of Pediatrics recommends that if parents keep firearms in their home, all firearms should be locked, unloaded, and stored separately from ammunition. However, only 3 of 10 adults in households with children report storing all guns unloaded and locked up. It is estimated that 4.6 million

American children live in a home with at least one unlocked, loaded firearm.

The Kimberly Vaughan Firearm Safe Storage Act encourages responsible firearm storage to make our communities safer. This legislation would require the Department of Justice to establish and publish voluntary best practices for safe firearm storage. It requires a label or notice on most firearms at purchase that says, "Safe Storage Saves Lives" and includes the website where the Department of Justice's best practices can be found. It also requires Federal Firearms Licensees (FFLs) to have compatible safe storage devices available for purchase for every handgun, rifle, or shotgun that they sell. The bill authorizes \$10 million in grants every year for 10 years to state, local, and tribal governments to distribute safe firearm storage devices. Finally, this legislation incorporates the Prevent Family Fire Act, authored by Congressman MIKE LEVIN, which establishes a 10 percent tax credit to FFLs for safe storage devices sold for up to \$400 to encourage the sale of these devices.

I ask my colleagues to join me in keeping our children safe from unsecured firearms by supporting this important legislation.

HONORING THE WILTON VOLUNTEER FIRE DEPARTMENT ON THE 75TH ANNIVERSARY OF ITS FOUNDING

### HON. ELISE M. STEFANIK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 21, 2022*

Ms. STEFANIK. Madam Speaker, I rise today to honor and celebrate the Wilton Volunteer Fire Department on the 75th anniversary of its founding. This fire department has shown tremendous dedication to protecting and serving the town of Wilton as well as the surrounding municipalities in Saratoga County.

The Wilton Volunteer Fire Department held their first unofficial meeting, comprised of twenty members, on September 17, 1947. The Wilton Town Board then approved a committee of six commissioners, who held their first charter meeting on October 1, 1947. Despite limited funding and resources, Wilton's first group of volunteers overcame these obstacles and soon raised enough funds to purchase their first truck, a 1944 United States Navy vehicle that had been in service in WWII and became known as "713."

In the years that followed, the Department grew and evolved within the community but never lost touch with their history. Today, Truck 713 is still proudly displayed at the main station, though it has been retired from active service. The Department has now expanded its fleet to include a variety of modern vehicles capable of responding to any emergency.

The Department now employs an extremely diverse group of members. Still relying exclusively on volunteers, members range in age from teenage recruits to veteran members, some of whom have been on the job since nearly the beginning. William E. Morgan is the longest serving member in the Department's history with sixty-seven years of firefighting in Wilton under his belt. Mr. Morgan, along with the rest of the Wilton volunteer firefighters, serve their community exceptionally. On behalf of New York's 21st Congressional District, I am honored to recognize and thank the Wilton Volunteer Fire Department on their 75th anniversary.
