

In sum, over the course of the fifty-year relationship, the United States and Qatar have developed military and strategic ties, cooperated on major diplomatic initiatives, enlarged financial and economic relations, supported worthy causes and educational advancement for students in both countries.

Significantly, although our two nations located in different regions of the world, with different histories and cultures, they have been able to forge an enduring friendship based on many shared values. This will set the stage for the next fifty years and beyond.

HONORING FRISCO CITY MANAGER  
GEORGE PUREFOY

**HON. VAN TAYLOR**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Monday, May 16, 2022*

Mr. TAYLOR. Madam Speaker, today I rise today to recognize Mr. George Purefoy, the longtime City Manager for the City of Frisco, for his thirty-four years of dedicated public service in cultivating one of the fastest growing cities in our nation.

Mr. Purefoy earned his Bachelor of Arts from the University of Texas at Arlington and his Masters Degree in Public Administration from East Texas State University. Prior to beginning his storied career with the City of Frisco, he would work as a city police officer and serve in various municipalities including those of Boerne, Taylor Lake Village and Columbus.

Mr. Purefoy began his tenure as the first and only City Manager of Frisco on November 1, 1987. At that time, Frisco was a town of only 5,000 residents, but Purefoy maintained a unique vision of what the City could grow into with the right leadership. Upon his arrival he

went to work behind the scenes on remedying a multitude of municipal issues that had limited the City's ability to thrive while striving to create the foundation for its modern day successes. Due to his ability to serve as a conduit between multiple levels of government, educational, and private entities, the City has been credited with a variety of successful collaborative efforts leading to the development of multiple corporate, sports and civic attractions.

It is indisputable that Mr. Purefoy has served as a cornerstone in establishing Frisco as one of the most sought after cities in which to live, work, and raise a child. His proudest professional achievements include helping Frisco become a member city in the North Texas Municipal Water District and serving as a lead architect in a multitude of public-private partnerships, including Toyota Stadium, Comerica Center, The STAR, and PGA Frisco to name a few. Widely admired as a gentle-spoken man of faith and a humble servant leader, over the past several decades he has shepherded Frisco with steadfast commitment and intentionality to sustainable growth.

Now as George begins an exciting new chapter in his life filled with plans for travel with his wife, Debra, I ask my colleagues in the United States House of Representatives to join me in saluting him for his many efforts to build what is arguably one of the best cities in America and wish him well as he undertakes a richly deserved retirement.
