**RECOGNIZING THE SERVICE OF
JAMES HOOLEY, HEAD OF POLITICAL
SECTION AT THE BRITISH
EMBASSY**

HON. RON KIND

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 20, 2022

Mr. KIND. Madam Speaker, I rise today to recognize the invaluable service of James Hooley, who has served as the head of the political section at the British Embassy in Washington D.C. for the past five years. Throughout his tenure, James has personified the Special Relationship between the United States and the United Kingdom with his tireless work, diligent commitment, and affable personality.

As one of our key liaisons with the United Kingdom, James has facilitated bipartisan engagement with Congressional members and all levels of the British Government, from Prime Ministers to Cabinet Ministers, Members of Parliament, and members of the Royal Family. Through two Presidential Administrations and two Prime Ministers, James has led the British Embassy's political operations, ensuring we in the United States remain well connected with our allies across the Atlantic. James has been steadfast in ensuring the highest diplomatic channels between our two countries remain open and well-used for the range of issues covered by the U.S.-U.K. relationship.

James will be transitioning back to the Foreign, Commonwealth and Development Office in London where I have no doubt he will achieve the same success. The Special Relationship between the United States and the United Kingdom remains special thanks to the work of diplomats like James Hooley. We in Congress will miss his work at the Embassy and wish him nothing but the best for his future endeavors.

**REMEMBERING THE SECOND VICTIM
OF THE COVID-19 PANDEMIC
IN ERIE COUNTY, WALTER
MONAHAN, A DECORATED VET-
ERAN, FAMILY MAN, AND A
FRIEND TO ALL**

HON. BRIAN HIGGINS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 20, 2022

Mr. HIGGINS of New York. Madam Speaker, I rise today to commemorate the remarkable life of Walter Monahan, an exceptional man who was taken far too soon due to COVID-19. Walter was a decorated Vietnam military veteran, an active community leader and volunteer, and a devoted husband, father, and grandfather. Unfortunately, on Wednesday, March 25, 2020, Walter became the second resident in Erie County to pass due to COVID-19. His wife, Valerie Monahan, and

his family, wishes for the public to remember Walter for the extraordinary person he was, not just as a statistic in a public health emergency. Walter's unfortunate passing allows us to honor his legacy and the incredible work he did while reminding us all that we must continue to actively take a stand against COVID-19.

Walter's lifelong commitment to serving his country is beyond commendable. He was a Petty Officer second class in the United States Navy. Walter's military career began when he served two tours on a destroyer during the Vietnam War. From there, the Navy truly became a part of Walter's blood. When his tours ended, Walter was transferred to the Pentagon to work for the Chief of Naval Operations. Walter also was a dedicated and active veteran. He marched with the Rochester Vietnam Veterans Chapter 20 marching unit and served on the board of directors.

I had the honor of meeting Walter myself and presenting him with a Vietnam Lapel Pin in thanks for his remarkable service. Walter's immense dedication, sacrifice, and service does not go unrecognized. He exemplified what it means to truly be a patriot, dedicating himself to our American values and serving his country proudly.

It was while he worked at the Pentagon that Walter met the love of his life, Valerie. The two soon got married and returned to Rochester, where Walter had grown up. Together, Walter and Valerie raised two lovely children, their daughter, Kelly and their son, Michael. After moving to Buffalo in 2007, Walter worked as a facilities director for People Inc's Senior Centers. He is remembered by his co-workers for his exceptional customer service, incredible family-oriented mindset, and his immense compassion. They reflect on Walter as being "the kind of employee everyone would want on their team—skilled, caring, friendly, funny and enjoyable to know."

A pinnacle of his community, Walter additionally dedicated his time to being an active member of numerous organizations. He served as a Eucharistic minister at St. Joseph University Parish, a docent at the Buffalo and Erie County Naval and Military Park, a Meals-on-Wheels volunteer, and a school bus driver. Walter, a true family man at heart, also became a fixture at just about every event involving his grandchildren during his retirement. Walter nobly dedicated his life to service in all manners. He went above and beyond in working to make a better community for all, a true testament to his dedication to service.

COVID-19 wrongfully claimed the remarkable life of Walter, taking his life all too soon. After noticing Walter was not getting enough oxygen, his wife of 50 years, Valerie, called 911 and Walter was admitted to Kenmore Mercy Hospital. Walter's family believed he would recover quickly, thinking he simply had pneumonia or bronchitis. Unfortunately, Valerie was never able to see her beloved husband conscious again. Hours after he arrived at the hospital, Walter was attached to a ventilator and put under a medically induced coma. The family was allowed just moments at his bedside before Walter's passing. Despite the persistence and dedication of the doctors, there was nothing more that could be done for Walter. Walter passed on March 25, 2020 at the age of 74 due to COVID-19, being the second Erie County resident to lose their life to the deadly disease.

After Walter's tragic passing, Valerie dedicated herself to mobilizing people in the community to take a stand against COVID-19. Valerie's early and persistent calls for mask usage along with her active pursuit in spreading the truth about the virus was vital in keeping our community safe during such challenging times. The people are forever in debt to Valerie for her work in taking preventive measures against COVID-19 and advocating for others to do the same.

Today, I wish to echo Valerie's calls for action and encourage the American people to get the COVID-19 vaccine. We now have the means to protect ourselves and our loved ones from this horrible disease. Getting the COVID-19 vaccine is the best way we can prevent another loss such as Walter. I ask my colleagues to join me in celebrating Walter and the extraordinary life of service he led and in choosing to actively stand against COVID-19 by getting vaccinated. Walter was an incredible man who dedicated his life to serving his country and community nobly. His life was cut all too short due to this horrible and deadly virus. By getting the COVID-19 vaccination, each person is actively taking a step to ensure we do not lose any more American citizens to this illness. May we honor Walter's legacy and remarkable life by ensuring his death is not in vain; we must continue to protect our communities and country in the same fashion Walter did during his lifetime.

Madam Speaker, it is evident that Mr. Voyvodich has dedicated his life for the betterment and safety of the Martinez community through his service. Therefore, it is fitting and proper that we honor him here today.

TRIBUTE TO GLEN AND KERRY FLETCHER

HON. KEN CALVERT

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 20, 2022

Mr. CALVERT. Madam Speaker, I rise today to honor and congratulate Glen and Kerry Fletcher, who are jointly being honored as the 2021 Citizen of the Year by the Corona Chamber of Commerce. Glen and Kerry have been true leaders in my hometown of Corona for more than three decades, and residents throughout our community deeply appreciate their many contributions.

Glen and Kerry first met in high school where Kerry was a song leader and Glen was president of the Future Farmers of America. After a few dates, Kerry was introduced to the family business, Pete's Road Service, which was run by Pete and Clara Fletcher. Soon after, Kerry would join Glen by working at the business and contributing to its success. Eventually they would marry, and after living for stretches in Fullerton and Norco, the Fletcher family moved to Corona in 1986. In addition to expanding Pete's Road Service, the Fletcher family grew with the additions of their children, Amanda, Melissa, and Nathan.

Over the past 30 years, the Fletchers have volunteered their time and resources into the Corona community in many ways. With children active in youth athletics, the Fletchers recognized a need for additional soccer development opportunities in the region. In 1992, they founded the Corona United Soccer Club, and Glen served as its President for 12 years. Not to be outdone, Kerry contributed in a variety of roles over the years, including as a coach, Board Treasurer, and Registrar. In 2005, Glen joined the Corona Rotary where he chaired the club's Lobsterfest fundraiser in 2011 and served as President in the 2011/2012 year. Glen and Kerry have also been members of the Navy League and a number of other local clubs and organizations benefiting our city.

Today, Glen and Kerry enjoy another treasured role—being grandparents. With their incredible record of service, the Fletchers are incredibly deserving of the Citizen of the Year award from the Corona Chamber of Commerce. I would like to thank Glen and Kerry for their dedication to our community and wish them the very best in the future.

INTRODUCTION OF THE DISTRICT OF COLUMBIA GOVERNMENT TITLE EQUALITY ACT

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 20, 2022

Ms. NORTON. Madam Speaker, today, I introduce the District of Columbia Government Title Equality Act. This bill would amend the D.C. Home Rule Act to redesignate the Mayor of the District of Columbia as the Governor, the D.C. Council as the Legislative Assembly, the D.C. Councilmembers as Representatives and the Chair of the Council as the Speaker. The new titles are the ones used in the State of Washington, Douglass Commonwealth constitution, which the District adopted in 2016 in anticipation of passage of the Washington, D.C. Admission Act, which would make D.C. the 51st state.

I introduce this bill to highlight to the American people and Members of Congress that there would be a seamless transition to D.C. statehood because D.C. already operates as the functional equivalent of a state, providing state-, county- and city-level services, despite being denied voting representation in Congress and full local self-government.

This bill would not change any D.C. legal authorities.

This is an important step to provide greater equality for the District, and I urge my colleagues to support this bill.

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 20, 2022

Mr. WILSON of South Carolina. Madam Speaker, my wife Roxanne, the Wilson family, and I would like to express our condolences to the family of William J. Wood. He, his late wife, Nancy, and his daughter, Lou, have been greatly appreciated civic and business leaders of the Midlands of South Carolina. With Eastman Chemicals, Midlands Technical College, and Nephron Pharmaceuticals, the Kennedy Family has provided innumerable people with meaningful jobs. I am grateful to include in the RECORD his obituary in fond remembrance.

WILLIAM J. WOOD

(June 23, 1937–January 16, 2022)

OBITUARY OF WILLIAM J. WOOD

William Jerry Wood, of Lexington, passed away on Sunday, January 16, 2022 at his home.

The son of the late Oscar Benjamin and Faye Hooper Wood, Mr. Wood was born in Commerce, GA, started his career at Eastman Chemical Company in Kingsport, TN, and made Lexington his home for more than a half century. He was a beloved husband, father, grandfather and great grandfather.

As a young man, Mr. Wood's family moved around Appalachia. During this period, Mr. Wood's father was following his calling to serve Baptist congregations around the region, as a minister. His father also owned a dry cleaning business, in which the entire family pitched in. At the age of 18, Mr. Wood started his career at Eastman in Kingsport, TN, where the family had settled.

Mr. Wood devoted more than four decades in leadership and management to Eastman Chemical Company. With the exception of his family, Mr. Wood did not take more pride in anything than his work. He left an indelible mark on the company and its employees, many of whom continue to pass down the lessons they learned working with Mr. Wood. He taught a Machine, Tool, Technology class to local technical college students for more than 15 years.

The Midlands Technical College Life Skills Center is named in honor of Mr. Wood. Since opening in 2014, the center has helped Midlands Tech students prepare for life after school by honing essential skills needed to start a career.

The father of Lou Wood Kennedy, Mr. Wood embraced life in the Midlands of South Carolina when he relocated his family here, in 1965, as he continued to grow in management at Eastman. Mr. Wood was active in community endeavors, such as service organizations like the Lions Club, hobby-focused clubs, such as the Antique Car Club of America South Carolina Chapter, and in the Baptist church. His daughter, beaming with pride, called Mr. Wood the greatest man she has ever known, and he loved watching the role she plays in making her own mark today on the community he chose as their family home.

Mr. Wood met his wife, Nancy Thomas Wood, as a teenager. They dated as students at East Tennessee State University. His father married the couple. Mr. and Mrs. Wood celebrated 61 years of marriage last year.

The family wants to say a special thank you to Amya Bryant for the love and care she provided over the last five months.

HONORING MONTFORD POINT MARINE ROSCOE BROWN FOR HIS COURAGE, TRAILBLAZING DETERMINATION, AND SELFLESS SERVICE TO OUR GREAT NATION

HON. BRIAN HIGGINS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 20, 2022

Mr. HIGGINS of New York. Madam Speaker, I rise today in recognition of Roscoe Brown, a member of the Montford Point Marines, an elite team of men who bravely signed up to fight abroad for our nation's freedom even while they were being denied equal rights here at home. We will never forget his courage, trailblazing determination, and selfless service.

In 2011 I co-sponsored H.R. 2477, a bill to grant the Congressional Gold Medal to the Montford Point Marines. The legislation was approved by Congress and signed by President Obama. In November of 2012 a ceremony was held to present many of the Marines with their medals, however Mr. Brown was unable to attend. In April of 2013 my office secured the medal and at Mr. Brown's request, I presented the honor in a special ceremony at Bethesda World Harvest International Church in Buffalo, where Brown served as a Deacon.
