

the Kingston Fire Department's first medical system coordinator.

Chief Nord's commitment to protecting both the public and his fellow emergency responders did not go unnoticed. In 2004, after 26 years with the Kingston Fire Department, Chief Nord was named fire chief of the Duxbury Fire Department. During Chief Nord's 18 years with the Duxbury Fire Department, Nord worked to increase diversity within the department by hiring more women, supervised the growth of the department with a new firefighters' quarter being added to the Central Fire Station, and served as the director of Duxbury's Emergency Management Agency, leading the town's response during blizzards, hurricanes, and power outages. Recognizing the advantages and importance of his medical training, Chief Nord advocated for his firefighters to become paramedics, hired more EMTs to the department, and had the Duxbury Fire Department incorporate advanced life support protocols.

Chief Nord has served as a leader not only to those in the Kingston and Duxbury Fire Departments, but also to firefighters across the Commonwealth. Throughout his career, Chief Nord chaired the Massachusetts Technical Rescue Coordinating Council and the Southeastern Massachusetts Technical Rescue Team, initiated the Regional Old Colony Communications Center, which handles 911 calls and dispatches emergency services to Duxbury and several other surrounding towns, and established the Plymouth County Critical Incident Stress Management Team—a group that assists first responders address job related stress and trauma. As a founding member of the Plymouth County Critical Incident Stress Management Team, Chief Nord and his team provided support to first responders at the World Trade Center following the attacks on September 11, 2001.

Chief Nord has devoted his career to helping and protecting all throughout the South Shore. After 44 years of service, Chief Nord will officially retire on July 15th, and plans to travel across the Trans America Trail on his motorcycle.

Madam Speaker, I am proud to honor Chief Kevin Nord. I ask that my colleagues join me in recognizing his career and commitment to serving his community.

HONORING THE GRAND REOPENING OF THE MORRIS LAWRENCE BUILDING

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 12, 2022

Mrs. DINGELL. Madam Speaker, I rise today to recognize the grand reopening of the Morris Lawrence Building on the campus of Washtenaw Community College in Ann Arbor, Michigan. This special occasion and Washtenaw Community College's nearly 60 years of educating and enriching our community is worthy of commendation.

This building is named after Dr. Morris J. Lawrence, an influential musician, and former Washtenaw Community College jazz orchestra instructor. Dr. Lawrence made a tremendous impact on his students and our community with his teaching and his music, and this building was dedicated to him shortly after his passing in 1993. A native of New Orleans, Louisiana and a gifted musician, Dr. Lawrence started composing music in high school. He studied instrumental music at Xavier University of Louisiana, and after graduation moved to Ann Arbor to teach band at St. Thomas High School. He later became the director of music at the school and began teaching at Washtenaw Community College—all while working on his doctorate at the University of Michigan. A legendary teacher who touched the lives of so many, he wrote forty band compositions, sixty-four dance orchestra pieces, and four string quartets before the age of 30.

The reopening of the Morris Lawrence building follows an eight-month closure for renovation and upgrades. The building includes a 495-seat auditorium and is a hub for the creative arts student community. The remodeled Morris Lawrence Building and its new technological advancements will allow Washtenaw Community College to provide many years of quality education to present and future students. A new eco-friendly energy system, fast high-speed internet, and other welcoming amenities are among the new features that will enrich the student experience and reinforce a

positive learning environment. Founded in 1965, Washtenaw Community College enrolls nearly twenty thousand students annually and offers over one hundred degree or certificate programs in numerous subject fields. The college has partnerships with local and national businesses as well as the University of Michigan and Eastern Michigan University to help their students follow any path they choose.

Madam Speaker, I ask my colleagues to join me in honoring Washtenaw Community College on this special day as the ribbon is cut at the entrance of the renovated Morris Lawrence Building. We are grateful to President Rose Bellanca and the Board of Trustees for their commitment to making Washtenaw Community College a fantastic place to learn and grow for Washtenaw County students of all ages. This new and improved creative arts facility will be an asset to the college and to the greater Washtenaw community for years to come.

A 1986 graduate of Provine High School, she furthered her education at Southern University in Baton Rouge, Louisiana, on a basketball scholarship and graduated in 1990. In 1998, she was promoted as the 1st female in the emergency services division to become Lieutenant under the leadership and supervision of, then, Captain Willie Owens. SPECIAL RECOGNITION OF MATT
POLKA'S RETIREMENT**HON. ROBERT E. LATTA**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, July 12, 2022

Mr. LATTA. Madam Speaker, I would like to take this opportunity to acknowledge the retirement of Mr. Matt Polka, the longtime Chairman and President of ACA Connects. Matt's tenure, from the inception of the organization to the effective organization it has become today, has been marked by his integrity and his earnest commitment to representing the small, hometown businesses that have built and managed the cable and broadband networks that Americans depend on. Matt also distinguished himself in Washington by his common decency, his love of a good conversation about politics, and a desire to help anyone he could.

Those values have been clearly shaped by his deep roots in Pittsburgh, Pennsylvania. There is not a person who worked with Matt that didn't know of his love and affection for his wife, Sharman, his daughters, Molly and Annie, and his pride in being from the Three Rivers area.

Under Matt's guidance and leadership, ACA Connects grew from an informal grassroots effort to being one of the preeminent telecommunications organizations in Washington. He ensured his members had a voice in all the important debates that have occurred since taking the helm of ACA Connects. Those efforts span the re-examination of the 1992 Telecommunications Act to each reauthorization of the satellite industry to the latest broadband deployment and adoption initiatives. His work was a mile wide and a mile deep.

Matt has helped my constituents in Ohio through his work to improve broadband infrastructure and access. Many of my constituents live in rural areas and Matt's advocacy has aided efforts to ensure that they can get online. Additionally, Matt has been a strong advocate for small businesses across the country and championed efforts to cut the bureaucratic red tape that hampers them.

ACA Connects earned its reputation through his unwavering vision and mantra to work with everyone, to find places of agreement, and to focus on common interests rather than focus on differences and partisanship. That approach has earned him the respect of so many Members, staff, and counsels across the Hill along with the various officials in administrations that have been in place during his time. The respect shown to Matt also comes from others—including consumer groups and businesses—even when his work puts him on opposite sides of an issue.

Guided by his faith, he has been a firm and determined advocate for his members and he has done so with conviction, character, and fairness. After 25 years of service to ACA Connects, I want to recognize his work and offer my best wishes for his next chapter of service in life.
