TRIBUTE TO VIETNAM WAR VETERAN ARTURO LARA

HON. JOAQUIN CASTRO

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 13, 2022

Mr. CASTRO of Texas. Madam Speaker, today I rise in honor of United States Air Force Veteran Arturo Lara, who passed away on May 8, 2020. Mr. Lara hailed from my hometown of San Antonio, Texas and is survived by his wife of 58 years, Consuelo R. Lara, eldest son Arturo R. Lara, Jr., daughter Elizabeth R. Lara, and youngest son Louis R. Lara. Although I am saddened to learn of his passing, I am confident his memory will live on through his many loved ones.

Arturo Lara was born in San Antonio, Texas on July 16, 1943, to Simon and Alfonsa Vargas Lara. At a young age, Mr. Lara knew he wanted to be a family man and to serve his country. With permission from his grandfather, Simon Lara, he enlisted in the United States Air Force at the age of 16. Mr. Lara courageously served our country for 24 years, taking on different duty assignments across the globe. Mr. Lara notably served on high-risk missions as an Air Commando under Special Forces. During the Vietnam conflict, Mr. Lara was captured by enemy forces for 90 days to later escape shortly after his 18th birthday. Upon retiring from the Air Force, Mr. Lara went on to civil service and worked at Kelly Air

Force Base in San Antonio and Fort Hood in Killeen, Texas. After 51 years of combined military and civil service, Mr. Lara retired in 2011.

Madam Speaker, I am proud to recognize the life and service of a person who dedicated themselves to family and country. The sacrifice and commitment our service members undertake is immeasurable and should never be taken for granted. We thank Mr. Lara for his many years of service and commitment to our great country.

INTRODUCTION OF THE FOOD SAFETY ADMINISTRATION ACT OF 2022

HON. ROSA L. DeLAURO

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 13, 2022

Ms. DELAURO. Madam Speaker, today I rise in support of the Food Safety Administration Act, which I am introducing—along with Senator DICK DURBIN—today.

The Food and Drug Administration (FDA) regulates about 80 percent of our food supply—and consumers and industry depend on the FDA food program to perform its regulatory role. Every year, nearly 48 million people get sick from one of the 31 pathogens known to cause foodborne illness. This results in 128,000 Americans being hospitalized each year—and 3,000 Americans dying of foodborne diseases. This is common, costly—and preventable.

It is becoming increasingly clear that public confidence in the ability of the FDA to protect our food supply is diminishing. Between inadequate responses to recalls, a failure to implement a culture of outbreak prevention, and proposed rules and initiatives that languish for years, the food program has struggled in its role to protect consumers.

The recent infant formula crisis, exacerbated by substandard safety practices at the Abbott Nutrition facility in Sturgis, Michigan, cannot be allowed to happen again. Parents and caregivers should never have to desperately scramble to find infant formula and wonder how they will feed their children. And when or if they finally find formula, they face an impossible choice as they wonder whether it is safe for consumption. We should not have to choose between safety and supply when it comes to feeding our babies. I reject this false and dangerous dichotomy. This was a colossal failure of Abbott Nutrition and the FDA, which dragged its feet to investigate a whistleblower report that unveiled damning allegations of wrongdoing and neglect of Abbott.

Food safety is currently a second-class citizen at the FDA. It is clear that food safety is

not prioritized at the FDA, which has the authority to appoint an empowered Deputy Commissioner of Foods with a relevant background in food safety—but has yet to do so. The lack of a single, full-time expert leader affects all aspects of FDA's food program. And perhaps the most significant impact is the delayed implementation of the Food Safety Modernization Act and the New Era of Smarter Food Safety blueprint. These key initiatives depend on all FDA food program units, like the Center for Food Safety and Applied Nutrition, Center for Veterinary Medicine, and the Office of Regulatory Affairs—working together with state partners and with a common strategic direction, clear priorities, adequate resource management, and internal accountability.

That is why I am introducing the Food Safety Administration Act that would establish the Food Safety Administration under the Department of Health and Human Services by incorporating these existing food programs within FDA into this separate agency. This agency would be led by a food safety expert confirmed by the Senate.

This bicameral legislation will bring focused leadership and more accountability, a unified structure and a full-time senior leader who will strengthen oversight of the food supply and enhance the industry's ability to operate effectively.

RECOGNIZING CECELIA “CECE” KING

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 13, 2022

Mrs. CAROLYN B. MALONEY of New York. Madam Speaker, I rise to pay tribute to Cecelia “Cece” King, on the occasion of her appointment as a John Robert Lewis (JRL) Scholar by The Faith & Politics Institute (FPI) in recognition of her civic engagement and desire to create effective social change.

Ms. King was born in New York, New York and attended Riverdale Country School. During her time in high school, Ms. King was appointed as a voting member on Manhattan Community Board 8. She sat on the Land Use, Small Business, and Youth, Education, and Libraries Committees, and was a constant advocate for her community. During her junior year, Ms. King spent a semester at the School for Ethics and Global Leadership in Washington, D.C.

Ms. King now studies Arabic and Geography as a student at Dartmouth College, where she continues her dedication to social equity. Ms. King has been an active member of the Coalition for Immigration Reform and Equality at Dartmouth and the Sexual Violence Prevention Project. As a major in Geography, Ms. King has studied global movements and displacements, and together with her fellow students, some of whom were refugees themselves, formed the Dartmouth Displaced Students and Scholars Initiative, which aims to support displaced students on campus.

Outside of her education, Ms. King continues her service. She has worked as an interpreter for asylum seekers through legal clinics in New York and Texas, created a documentary film about the challenges COVID-19 posed to artists, and is a founding-member of

Curious Cardinals, an e-learning startup that develops personalized learning models for students.

The FPI has recognized Ms. King's dedication by selecting her as one of their 2022 JRL Scholars. Each year, the FPI selects 20 civic-minded student leaders through a competitive application process. The JRL Scholars & Fellows Program is designed for undergraduate scholars and graduate student fellows to examine Lewis's nonviolent philosophy from a historical perspective; define its principles and strategies; and identify their applicability to modern times and movements, current issues, and everyday life. The JRL Scholars & Fellows will become a nationwide network of emerging leaders who will be inspired to create positive societal change from the revolutionary nonviolent perspective that was employed with success in the Civil Rights Movement.

As a JRL scholar, Ms. King will focus her scholarship project on issues surrounding immigration. Inspired by her grandmother's immigration story as a daughter of Holocaust survivors, Ms. King is driven to share stories of displacement and advocate for immigrant and refugee support and solidarity.

Madam Speaker, I ask my colleagues to join me in recognizing the accomplishments of Cecelia King. Her dedication and leadership have served not only her community but have guided her to be an effective social change-maker. Ms. King carries these esteemed values as she joins the next generation of leaders of our Nation.

HONORING DR. GLENDA BASKIN GLOVER

HON. FREDERICA S. WILSON

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 13, 2022

Ms. WILSON of Florida. Madam Speaker, I rise today to honor Dr. Glenda Baskin Glover.

Dr. Glover is a native of Memphis, Tennessee. As the daughter of a civil rights activist and from a family immersed in the Movement, she determined early that education and equal justice were important for all people of color. She began her educational development as a student at Tennessee State University, where she majored in mathematics. After graduating with honors with a Bachelor of Science degree, she earned the Master of Business Administration at Clark Atlanta University in 1976. She completed her doctorate in business from George Washington University in 1990 and completed her law degree from the Georgetown University Law Center in 1994. She is a certified public accountant, a licensed attorney, and one of a handful of African American women to hold the Ph.D.-CPA-J.D. combination in the United States.

Dr. Glenda Baskin Glover returned to her alma mater to serve as President of Tennessee State University on January 2, 2013. She is the institution's eighth and first female president. She has advanced a five-point vision that includes: academic progress and customer service, fund raising and partnerships, diversity and inclusion, shared governance, and business outreach. Under President Glover's leadership, the University's academic offerings have increased to 45 bachelor's de-

grees, 24 master's degrees and seven doctorate degrees.

I salute this effort to close opportunity and access gaps for historically underrepresented students in colleges and universities. TSU is continuing to show that institutions can be hubs for providing pathways to access postsecondary educational instruction, connect students with emerging economic opportunities, and inspire them to fulfill their promise and potential.

In addition to her academic success, Dr. Glover is the International President and CEO of Alpha Kappa Alpha Sorority, Incorporated, the oldest Greek-letter organization established by African American college women. Dr. Glover leads the prestigious 114-year-old organization of nearly 300,000 members and 1026 chapters located all over the world.

I am thankful to President Dr. Glenda Glover and the entire university team for providing students with the opportunity of a lifetime to pursue a higher education and run toward their dreams at Tennessee State University.

CELEBRATING 30 YEARS OF EQUALITY ARIZONA

HON. RUBEN GALLEGO

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 13, 2022

Mr. GALLEGO. Madam Speaker, I rise today to congratulate Equality Arizona on its 30th anniversary. For three decades, Equality Arizona has been fighting for the rights of LGBTQ+ Arizonans to fully participate in social, economic, and civic life. They have done this by building a diverse community of support and engaging with all levels of government.

In response to the HIV/AIDS epidemic, Equality Arizona started in 1992 to support those living with HIV and AIDS and to repeal discriminatory laws that criminalized LGBTQ+ lives. Since then, they have continued that work in the campaigns to repeal "Don't Ask, Don't Tell" and pass marriage equality. Just in the past year, Equality Arizona has helped pass non-discrimination ordinances in Glendale and Tolleson, both of which are in my district, and in Mesa and Scottsdale. I cannot wait to see the great work they will do over the next 30 years.

I would like to congratulate Equality Arizona on their 30th anniversary and thank them for their tireless efforts to support the LGBTQ+ community in Arizona and across the country.

HONORING DR. TONY Q. CHAN

HON. MELANIE A. STANSBURY

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 13, 2022

Ms. STANSBURY. Madam Speaker, I rise to honor Dr. Tony Q. Chan's incredible contributions to our beloved New Mexico community. This Saturday, July 17th, Dr. Chan and his family will celebrate his 90th birthday. Over the more than 60 years that he has called New Mexico his home, Dr. Chan spent 40 of those years operating his optometry practice with an unmatched commitment to his patients and our community.

Dr. Chan was born in Massachusetts and grew up in Mississippi, where he met his beautiful wife, Carolyn. After attending the Illinois College of Optometry, where he earned his BS and Doctor of Optometry, he headed out west. Dr. Chan first moved to Albuquerque, New Mexico, in 1959 when he broke barriers to become our state's first Asian American optometrist.

Dr. Chan did not stop there. In addition to opening his first practice, he eventually became President of the Heights Lion's Club, the Executive Association of Greater Albuquerque, and the New Mexico Optometric Association. He was also the first Asian American Trustee for the American Optometric Association. During his time at the American Optometrist Association, he served on the Minority Recruitment Committee, where he helped recruit women and minorities to become optometrists.

Throughout his life, Dr. Chan received a variety of accolades from organizations across the United States, including the Spirit of America Award from the Chinese American Citizens Alliance, the Alumnus of the Year award from the Illinois College of Optometry, and he was inducted into the National Optometry Hall of Fame in 2020.

Happy Birthday to Dr. Chan. I thank him for his lifelong service caring for the health and well-being of the people of New Mexico. His love of community shines through everything he does, and I am honored to serve Dr. Chan in Congress and celebrate 90 years of his achievements.
