

Police Department. He is retiring after three decades of service to the community to become a United States Marshal for New Hampshire. Chief Hart served in the U.S. Marine Corps before joining the Londonderry community in 1992. Throughout his distinguished career, Chief Hart has served as Londonderry's prosecutor, Rockingham County's attorney, a Captain with the Londonderry Police Department, acting town manager, and most recently as the Chief of Police since 2009.

Chief Hart has dedicated his life to his community and guided the Londonderry Police Department through tremendous growth. He led the department through a new station and building transition, and grew the department to 68 sworn police officers. Bill exemplifies the department's way of building trust: to treat people with kindness, dignity, and respect, no matter what.

As Chief of Police Bill has continuously shown dedication to bettering the community and the Granite State. He has always gone above and beyond to ensure the safety of the people in Londonderry, and all Granite Staters. I have no doubt that his commitment and leadership will continue as he joins the oldest law enforcement agency.

On behalf of my constituents in New Hampshire's First Congressional District, I want to congratulate Chief Hart on his accomplished law enforcement career. I thank him and his family for their decades of dedication to our community and wish him all the best as he embarks on his new journey as a U.S. Marshal.

25TH ANNIVERSARY OF THE EAGLE ROCK CONCERTS IN THE PARK

HON. JIMMY GOMEZ

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, August 5, 2022

Mr. GOMEZ. Madam Speaker, I rise today in honor of the 25th anniversary of the Eagle Rock Concerts in the Park summer music series. The Eagle Rock Concerts in the Park series was founded by Michael Nogueira in 1997 and has grown to become an annual attraction that residents from Eagle Rock and neighboring communities in Northeast Los Angeles look forward to each year.

For the last 25 years, the Eagle Rock Concerts in the Park series has advanced community cohesiveness in Northeast Los Angeles through the artistic musical mediums of performance.

The Eagle Rock Concerts in the Park series was especially critical in promoting a sense of comradery and community during the COVID-19 pandemic.

Today, I am proud to recognize Michael Nogueira, the Eagle Rock Chamber of Commerce, and Sir Michael's Events for their tireless efforts in making this annual event an overwhelming success and for making Northeast Los Angeles and the Eagle Rock community a better place to live.

Madam Speaker, I ask my colleagues to join me in honoring and celebrating the Eagle Rock Concerts in the Park summer music series on its 25th anniversary.

HONORING THE LIFE OF JERRY GLADBACH

HON. MIKE GARCIA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, August 5, 2022

Mr. GARCIA of California. Madam Speaker, I rise today to honor the life of Jerry Gladbach, an accomplished, distinguished, and beloved public servant to the City of Santa Clarita for more than three decades. Countless friends, colleagues, and family members remember Jerry for the way he treated everyone he encountered with kindness and respect. In addition to his affable demeanor and his magnetic personality, Jerry also left a remarkable impact on the world of Southern California water, using his unique set of skills and expertise to ensure Santa Clarita had access to clean water as it expanded from a small town to a booming suburb of Los Angeles.

Jerry received his bachelor's and master's degrees from University of Missouri Columbia before moving to Santa Clarita in 1968. Upon arriving in California during one of the most dynamic periods of growth in the State's history, Jerry went to work establishing his roots, raising a family, and throwing himself into his work to provide clean and accessible water to the citizens of Los Angeles County. During his 35 years of service as an engineer at the Los Angeles Department of Water and Power, Jerry was responsible for creating solutions to provide reliable and clean water to millions of people.

In 1985, Jerry was first elected to the Castaic Lake Water Agency Board in 1985, a whole year before Santa Clarita was even incorporated as a city, serving on the board through its merger to become the Santa Clarita Valley Water Agency, until his passing. During his tenure, he oversaw the expansion of Santa Clarita from a city of 85,000 to a city of more than 400,000, ensuring access to safe and reliable water to all its residents along the way. Additionally, he took his breadth of knowledge to share with various organizations, including the Local Agency Formation Commission, in which he served as president, chair, and received the "Most Outstanding Commissioner" Award in 2013. His dedication and willingness to encourage others left a significant impact on those that worked for and around him.

His lifetime of service has left an indelible mark on our community, and his work on Santa Clarita's water boards will have a lasting impact for generations of Californians. His passion, kindness, and knowledge will undoubtedly inspire others to follow in his footsteps of dedicated public service. Our community is blessed to have had a man like him serving as a proficient steward of our water resources, and those who knew him are blessed to have counted him as a friend. We will continue to pray for his loving family that he left behind, but they can look back fondly at the legacy of Jerry knowing that he made a difference for the city he loved so much.

ANTHONY IOZZO

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Friday, August 5, 2022

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize and honor Anthony Iozzo of the United States Army for his service to our country.

Anthony Iozzo was an officer in the U.S. Army from 1942 to 1944 during World War II. Anthony started his service at the United States Army Officer Candidate School in Fort Benning, Georgia, and successfully graduated in October 1942. He was then deployed to Europe on February 11, 1944, with the 119th Infantry. He was part of the second wave of the D-Day Invasion and fought heroically in the hedgerows of northern France.

His only child, Anthony, was born on July 10, 1944. Two days later, he was killed by a German sniper at Pont Hebert in northern France as his unit was approaching St. Lo and the battle there. Anthony was buried in France and his body was sent back to the U.S. He was buried in the U.S. Military Cemetery in Farmingdale Long Island, New York, on February 3, 1948.

Anthony was part of the Greatest Generation who served their country without reservation and gave their lives for our Nation. For his service to our country, Anthony was posthumously awarded the Purple Heart, European-African-Middle Eastern Campaign Medal with 3 bronze service stars, WWII Victory Medal, and Honorable Service WWII Lapel Pin. A VFW Post was also dedicated in his name in Green Island, New York, his hometown.

Anthony's courageous service helped to defend our Nation's democracy and ideals abroad at a crucial moment in world history. His heroism has charted the path for future generations of men and women who serve in the military. We are proud to have the Iozzo family call Colorado home and are forever indebted to Anthony for his bravery and sacrifice on behalf of our country.

I extend my deepest appreciation to Anthony Iozzo for his dedication, integrity, and outstanding service to the United States of America.

RECOGNIZING ASSYRIAN MEMORIAL DAY

HON. RAJA KRISHNAMOORTHY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Friday, August 5, 2022

Mr. KRISHNAMOORTHY. Madam Speaker, I rise in recognition of Assyrian Memorial Day, which is observed annually on August 7th, to honor the memory of all Assyrians who fell victim to genocide, mass atrocities, and persecution because of their ethnic and religious identity. This day commemorates the victims of the Assyrian Genocide of 1914-1923 and the Simele Massacre of 1933. August 7th marks the start of the Simele Massacre, during which the armed forces of the Kingdom of Iraq systematically targeted and killed thousands of Assyrians. Assyrian Memorial Day is an opportunity to pay tribute to the perseverance of the Assyrian people and revive efforts

to bring accountability and justice for these almost century-old crimes.

While I rise to recognize the atrocities of the past, I also applaud the strength of the Assyrian-American community. Today, over 600,000 Assyrian Americans live in the United States, and I am proud to say that the 8th Congressional District of Illinois is home to a large and thriving Assyrian-American community. This community has enriched our neighborhood with its strength and determination. As a proud cosponsor of H. Res. 550, a resolution commemorating the Assyrian Genocide and urging Turkey to officially recognize the atrocity, I stand in solidarity with the vibrant Assyrian-American community I represent.

On August 7th, we remember the tragedies that the Assyrian people have faced but also recognize their resilience in the face of extreme injustice. Madam Speaker, I call on my fellow Members to stand alongside me in observing August 7th as Assyrian Memorial Day.

HONORING BRENDA HORN OF
CULLMAN, AL

HON. ROBERT B. ADERHOLT
OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Friday, August 5, 2022

Mr. ADERHOLT. Madam Speaker, today I would like to honor a distinguished citizen of Alabama's Fourth Congressional District, Ms. Brenda Nelson Horn. Through her community contributions, and love for the people of Alabama, her legacy will surely outlast us all. I hope that you will join me in honoring her memory.

In 1960, Brenda was married to Darell Mullaney and they started their family immediately. She was the proud mother of Mike, Scott and Matt Mullaney. Throughout their marriage, they lived in Jacksonville, Florida, St. Petersburg, Florida, Birmingham, Alabama and eventually back to Cullman, Alabama in 1972.

Brenda raised her sons in Cullman until 1982 when she moved with her second husband, Fred Horn to Orem, Utah. After two years in Utah, they moved briefly to Kentucky and then to Shelbyville, TN, where they started a self-storage business.

She returned to Cullman in 1996 and, the following year, she began her work with Cullman Industrial Development (ID) Board. She became indispensable in the office dealing with the record keeper for many functions including financing, contracts, legal documents, budgets, and invoicing. Brenda loved working for the Cullman Industrial Development ID Board and developed close friendships during her 25 years there. She considered those she worked with as her extended family.

Brenda also made significant contributions in politics at both the local and state level. Her guidance and counsel were sought by many candidates for various offices. She managed the successful campaigns for candidates for the Alabama Legislature and Congress and provided consult counsel to many candidates for local offices. She served as Treasurer for both the Alabama Federation of Republican Women and the Cullman County Republican Party, as well as President of the Cullman County Republican Women.

Her legacy is left to be cherished by her three sons Mike Mullaney and wife, Lisa; Matt Mullaney and wife, Melody, and Scott Mullaney; her sister Diane Brown and her husband, Ken; brothers Maxie Nelson and wife, Cindy; and Bruce Nelson and wife, Mary Ellen; and grandchildren Christopher, Emily, Mitch, Kate, Dylan, Hunter, Brianna, McKenzie, Sean, and Haylee, as well as numerous nieces, nephews, extended family and friends.

Ms. Horn's dedication, patriotic spirit, and lifelong commitment to our state act as an example for us all to look up to as we pursue public service. I ask that you join me as we commemorate the life of Brenda Nelson Horn, and honor her legacy in Cullman County, and the state of Alabama.

PERSONAL EXPLANATION

HON. NANETTE DIAZ BARRAGÁN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, August 5, 2022

Ms. BARRAGÁN. Madam Speaker, on 6/23/22, I missed one vote on an amendment to H.R. 4176. Had I been present, I would have voted: YEA on Roll Call No. 294.

HONORING THE LIFE AND LEGACY
OF SAMUEL "LOYD" NEAL

HON. MICHAEL CLOUD

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, August 5, 2022

Mr. CLOUD. Madam Speaker, today, I wish to honor the life and legacy of Samuel "Lloyd" Neal.

Lloyd Neal was a leader committed to serving his neighbors in Corpus Christi and Nueces County.

Born in Paris, Texas, Lloyd went on to join the United States Army and attend Texas A&M University.

After graduating from Texas A&M in 1959, he married his high school sweetheart, Thetis, and they moved to Fort Benning, Georgia, where Lloyd would report for Army Ranger School.

In 1963, Lloyd and Thetis moved to Corpus Christi and made it their permanent home.

Corpus Christi gave Lloyd his start in the insurance industry.

His career in the industry lasted 40 years, alongside a 30-year career in the U.S. Army and Army Reserve.

Lloyd left the military in 1989 having attained the rank of colonel.

In 1998, the City of Corpus Christi elected him to become mayor.

He was re-elected three more times, and his 8-year tenure was successful in facilitating the construction of the American Bank Center Arena, Whataburger Field, and updating the Harbor Bridge.

His passion for his community made it difficult for Corpus Christi to let him go as their leader.

Two years after he stepped down as mayor of Corpus Christi, he was elected to serve as Nueces County judge.

He served in this role for 12 years, and people leaned on him to help rebuild following Hurricane Harvey in 2017.

Lloyd's service to the city and county went beyond that of official office.

He volunteered his spare time to other organizations and groups dedicated to serving the Corpus Christi region.

As a veteran, he was committed to helping members of our military and veterans.

It was only natural that he would be appointed by Governors Bush and Perry to serve on both the Texas Strategic Military Planning Commission and the Texas Military Preparedness Commission.

He also championed local military bases and veterans on the South Texas Military Task Force.

In addition to membership in these military organizations, Lloyd served as president of the Texas Municipal League, chairman of the Corpus Christi Economic Development Corporation, chairman of the Corpus Christi Chamber of Commerce, chairman of the I-69 Alliance, and the list goes on.

From the Harbor Bridge to Whataburger Field, Lloyd Neal's impact on the community will live on for years to come.

Corpus Christi was made better as a result of Lloyd Neal.

His family and loved ones are in my prayers during this time of loss.

RECOGNIZING THE CITY OF KEY
WEST'S DESIGNATION AS A
"COAST GUARD CITY"

HON. CARLOS A. GIMENEZ

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, August 5, 2022

Mr. GIMENEZ. Madam Speaker, I rise today to celebrate the City of Key West's designation as a Coast Guard City. This designation, made official on August 4, 2022, at Truman Waterfront Park, pays tribute to the city's longstanding, fruitful, and supportive relationship with the United States Coast Guard (USCG).

Since 1998, this legal designation has recognized communities that welcome Coast Guard servicemembers and their families with open arms. These cities support their local USCG families in a variety of ways—by building monuments, hosting picnics and parades, sponsoring patriotic events and awards, establishing partnerships with the local business community, and much more. To achieve this designation, a municipality submits a request explaining its history of supporting the Coast Guard. Only after a rigorous examination by Coast Guard Headquarters, the Commandant, and the appropriate congressional committees is a city finally proclaimed a Coast Guard City.

The history of the Coast Guard in Key West traces back to 1823, when the U.S. Navy Antipirate Squadron settled on the island. Congress established a depot for naval supplies in 1852. Nine years later, Key West became the headquarters of the East Gulf Blockade Squadron. Even before the Coast Guard was established in the early 20th century, Key West Headquarters performed the vital functions of collecting import tariffs, capturing pirates, interdicting smugglers, and rescuing those lost at sea.

Today, the Coast Guard continues to serve the greater Key West community by patrolling the surrounding 55,000 square miles of water. In return, the City of Key West supports
