

anniversary. 'It was a bold innovation. Everybody laughed. Nobody thought it would be successful. Not only did we quickly become number one, but we have been able to maintain that number one position for a very long period of time,' Sean Hannity said.

'FOX News finished the first quarter of 2022 as basic cable's most-watched network, crushing CNN and MSNBC for the 81st straight quarter during a busy news cycle that included Russia's" hideous "invasion of Ukraine," sadly, "the ongoing coronavirus pandemic, and round-the-clock political news."

"Over the last 25 years, Hannity has interviewed newsmakers, including former President Trump, former Vice President Mike Pence, former Prime Minister Benjamin Netanyahu . . . and most recently, award-winning actor and director Sean Penn. Hannity is also the author of four New York Times bestselling books."

Congratulations, Sean. Thank you for providing America with news we can trust by telling the truth.

I have another personal interest. Our family really appreciates newscasters. My oldest son, Alan, the attorney general of South Carolina, married the leading newscaster of South Carolina, Jennifer Miskewicz, of WIS-TV. Because he married over his head, he was elected the youngest attorney general of the United States.

As I conclude, as the co-chair of the French Caucus, I congratulate President Emmanuel Macron on his reelection. America appreciates our first ally with extraordinary representation by Ambassador Philippe Etienne.

We stand together for the people of Ukraine and with President Volodymyr Zelenskyy.

SKYROCKETING PRESCRIPTION DRUG PRICES

The SPEAKER pro tempore. The Chair recognizes the gentlewoman from Florida (Mrs. CHERFILUS-McCORMICK) for 5 minutes.

Mrs. CHERFILUS-McCORMICK. Madam Speaker, this week, I hosted a seniors' townhall in my district in which many had concerns about their access to long-term care, the price of prescription drugs, and their Social Security benefits.

Every day, 10,000 Americans turn 65 years old. That is 65 years of raising families, paying their taxes, protecting our country, and building our communities.

After six decades of working hard for this country, they have the right to the benefits and resources they have earned for retirement. We do not need to cut benefits but, instead, expand access to the full range of long-term care services that help seniors within their communities.

Unfortunately, it has become far too expensive for middle-class friends and families to care for our seniors. Prescription drug prices are a major component of the overall cost of caring for the elderly.

While Medicare part D pays for some medications for those enrolled in the plan, it is reported that over 65 percent of our seniors' prescription drug costs are out of pocket. No American should ever have to break the bank to pay for lifesaving care.

□ 1045

But today, too many Americans are forced to make the decision between paying their bills or buying their pills.

Democrats have been fighting to bring down healthcare costs and lower prescription drug prices by holding insurance companies and drug companies accountable while strengthening Social Security, Medicare, and Medicaid.

In his State of the Union Address, President Biden announced an initiative to improve quality long-term care for our Nation's beloved seniors and people with disabilities.

The announcement uplifts what I have long championed: every person in the United States deserves to age with dignity, respect, and access to quality healthcare.

These actions will be part of a long-overdue comprehensive reform to protect the welfare, safety, and rights of seniors and people with disabilities living in nursing homes.

Our country and our economy are stronger and healthier when every American has access to quality, affordable healthcare, and long-term care.

I look forward to working with my colleagues to make sure these issues are addressed and that we support and look out for our Nation's seniors.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until noon today.

Accordingly (at 10 o'clock and 46 minutes a.m.), the House stood in recess.

□ 1200

AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Mr. TONKO) at noon.

PRAYER

The Chaplain, the Reverend Margaret Grun Kibben, offered the following prayer:

Almighty God, again we lift up our prayers to You on behalf of the people of Ukraine. After one of the holiest weeks in the Orthodox Church, though they were once companions in belief, with whom sweet fellowship was possible in the House of God, the wicked have sown confusion. The evil continue to spread threats and lies.

We appeal to You to speak into both sides of the conflict. Judge the betrayal of brothers in faith and enlighten them to Your truth. Allow

those who have remained faithful to Your will, who live according to the loving example You have shown us, who adhere to Your word, to have their voices heard above the fray of falsehood and propaganda.

In Your infinite mercy, answer the voices who cry out to You in distress. Bring redemption to the innocent from the horror besieging them. Give refuge to those who ardently defend their cities from the unthinkable violence and strife.

Holy God, comfort those whose hearts are anguished. Calm those who are beset with fear and trembling. For in You, our Lord, is our only hope. We pray to You for Ukraine's deliverance.

In the strength of Your name we pray.

Amen.

THE JOURNAL

The SPEAKER pro tempore. Pursuant to section 11(a) of House Resolution 188, the Journal of the last day's proceedings is approved.

PLEDGE OF ALLEGIANCE

The SPEAKER pro tempore. Will the gentleman from Michigan (Mr. WALBERG) come forward and lead the House in the Pledge of Allegiance.

Mr. WALBERG led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. The Chair will entertain up to 15 requests for 1-minute speeches on each side of the aisle.

MILITARY HISTORY IS IN JEOPARDY

(Mr. HIGGINS of New York asked and was given permission to address the House for 1 minute.)

Mr. HIGGINS of New York. Mr. Speaker, I rise today to sound the alarm on an urgent situation that requires the Federal Government to deploy an emergency response.

A retired U.S. Navy vessel at the Buffalo and Erie County Naval and Military Park is sinking. Without help, the USS *The Sullivans*, which was part of an elite class of World War II destroyers and is a national historic landmark, will be lost forever.

The visual of a partially submerged ship in Buffalo's harbor provides a vivid warning that irreplaceable military history is in jeopardy if we don't act.

This isn't the only vessel in need of support. Maritime heritage grants, national preservation programs, and the Department of Defense are potential

sources of funding to help these vessels.

Dedicated sailors operated these vessels to defend our Nation. It is our turn to protect their stories and the lessons they provide to future generations. We, as a Nation, cannot abandon them or these ships.

HERO ZELENSKY

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, Ukraine President Volodymyr Zelenskyy has shown the world he is a leader to be respected and admired. He has earned being a hero to the people of Ukraine, to win for freedom.

Prior to his election in 2019, Mr. Zelenskyy was a former actor and comedian. Some questioned these credentials, but President Zelenskyy is the right leader at the right time for the world.

The cowardly Putin invasion has left untold thousands of Ukrainian civilians murdered. Yet, instead of retreating, Zelenskyy has stood up to Putin as a compassionate man of the people.

Just yesterday, he went to another Kyiv hospital visiting with a pair of orphaned children who lost their parents to Putin bombs.

"In the first days of the war, everybody was in shock, and everybody was thinking what to do. . . ." "The President's decision was that no one goes anywhere. We stay in Kyiv, and we fight. That cemented it," explained an adviser.

Terrorists, sadly, are emboldened worldwide with three rocket attacks in the last week from Gaza into Israel, as America stands with Ambassador Michael Herzog.

God bless Ukraine. God save Ukraine. God bless Volodymyr Zelenskyy.

CONGRATULATING JOHN MARTINCIC

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to congratulate John Martincic, president of Forest Scientific Corporation, for being named the 2022 Pennsylvania Small Business Association Small Businessperson of the Year, and the 2022 Western Pennsylvania SBA District Small Businessperson of the Year.

For more than 30 years, John has been involved with the design, repair, and manufacturing of computer numerical control machines.

John has always been an entrepreneur and, as the founder and president of Forest Scientific Corporation, his work in the CNC space has supported businesses of all sizes. His machines are used for a multitude of applications, ranging from sign making to aerospace.

In addition, John spends time promoting the education and training surrounding CNC and entrepreneurship at schools and FabLabs worldwide.

Congratulations, John, on this much-deserved award and recognition.

WELCOMING TREVOR REED HOME

(Mr. PFLUGER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PFLUGER. Mr. Speaker, today is a momentous day, as we have just received the news that my constituent, Trevor Reed, a Texan, a marine, and a patriot, has been released from a Russian prison after being held for an anguishing 985 days as a political pawn.

Trevor's parents, Paula and Joey Reed of Granbury, Texas, have been tireless advocates for the release of their son, and I cannot imagine the relief that they are feeling right now. The Reeds have been living a 2½-year nightmare, fighting every day for their son's release. And today, our prayers have been answered.

I thank my colleagues in Congress on both sides of the aisle for working in a bipartisan manner to pass the resolution calling for Trevor's release, and continuing to draw attention to his case, including my predecessor, Mike Conaway, Chairman MIKE MCCAUL, Senator CORNYN, Leader MCCARTHY, Congresswoman JACKSON LEE, and Congressman CASTRO, and my entire office that represents the 11th District, my staff.

I especially recognize Ambassador Sullivan and his team, as well as those that work in the NSA, the NSC, and the SPEHA.

Finally, President Biden, thank you for bringing Trevor Reed home. Thank you for believing in leaving no American overseas.

AIDING UKRAINE'S FIGHT FOR FREEDOM

(Mr. WALBERG asked and was given permission to address the House for 1 minute.)

Mr. WALBERG. Mr. Speaker, I just returned from a trip to Ukraine with my colleague, Representative SPARTZ, last night. We were invited by Ukrainian officials to see firsthand their immediate needs.

The destruction and loss of life was heartbreaking. Everywhere we went, we saw the evidence of Putin's war crimes. One stop we made was at a residential building in Odesa that had been hit by Russian missiles the day before. A grandmother, her daughter, and her daughter's baby were killed in that same apartment. They were among 18 other innocent victims killed in the attacks.

Yet, in the face of such evil actions, the Ukrainian spirit remains strong. To aid their fight for freedom, more must be done by both the United States and the international commu-

nity. Advanced weaponry, humanitarian supplies, and much more can and should be ramped up.

The Ukrainians are brave people, and they will win the war against Russia's invasion if they have the tools and the resources to do so in hand.

God bless Ukraine.

IMMIGRATION

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, the situation with our border, it couldn't be a whole lot worse. Here are the numbers for February and March; border crossings were 220,000. The numbers keep going up.

So at a time here where a recent decision by a judge enabled us to not have to wear masks to get on airplanes or other public transportation because America's health is improving, the President wants to get rid of the title 42 provision put in place by President Trump to help keep America safe from those that have health issues or disease issues from coming across our border exacerbating already this giant problem we have.

If title 42 is allowed to expire, then this will open the floodgates even wider. So I appreciate the decision to at least uphold title 42 while our Federal Government fights that decision and resources are used by legal folks, Department of Justice, whatever, to make it where title 42 is waived.

I want to ask what side is the President and his administration on, if not for the American people's health?

PUT MORE MONEY IN AMERICANS' POCKETS

(Mr. MOORE of Alabama asked and was given permission to address the House for 1 minute.)

Mr. MOORE of Alabama. Mr. Speaker, in the last 15 months, President Biden and House Democrats have dumped trillions of dollars on the struggling economy already weighed down by left-wing overspending.

We warned them that if they continued to print money to fund their reckless liberal wish list, inflation would hammer the American people. Now, inflation will cost the average American family an extra \$5,000 this year. Folks are traveling less; they are buying less because of Joe Biden. Inflation is crushing the working-class people.

Last week, I introduced the Household Income Tax Suspension Act to provide the equivalent of a 6-month Federal income tax holiday for millions of hardworking Americans.

Americans want relief. Let's allow them to keep more of their own money instead of weighing down the economy with ineffective stimulus. This is common sense. We need to put more money back into the working people's pockets.
