

Finally, as we have mentioned many times, 49 States already offer presumptive benefits to firefighters diagnosed with certain cancers and heart and lung diseases. This bill is in line with other examples of presumptive benefits available to workers who have a high-risk occupation and a high risk of contracting certain diseases.

Federal firefighters have waited long enough for Congress to respond, and we must finally give them the opportunity to secure the benefits that they need and deserve.

For that reason, Mr. Speaker, I urge a “no” vote on this amendment and a “yes” vote on the underlying bill, and I yield back the balance of my time.

The SPEAKER pro tempore. Pursuant to House Resolution 1097, the previous question is ordered on the amendment offered by the gentleman from Pennsylvania (Mr. KELLER).

The question is on the amendment offered by the gentleman from Pennsylvania (Mr. KELLER).
