MOMENT OF SILENCE IN REMEMBRANCE OF THE GOOD COMMUNITY OF BUFFALO, NEW YORK

(Mr. HIGGINS of New York asked and was given permission to address the House for 1 minute.)

Mr. HIGGINS of New York. Madam Speaker, this past weekend, my community of Buffalo, New York, was ravaged by an act of domestic terror.

A white supremacist used a weapon of mass destruction to brutally murder 10 Black people who were just going about their business at the Tops Friendly Market on Jefferson Avenue. Three others were wounded.

The victims were ages 32 through 86. They were mothers and grandmothers. They were fathers and grandfathers. They were young adults. They were good people of faith, a retired teacher, and a retired police officer.

This premeditated act was planned to be broadcast to the world on social media showcasing this massacre as the playing out of a vile racist fantasy.

I rise today with my colleagues to honor those who have been lost. To honor them and to help heal our broken community, I urge all of my colleagues to think about what we can do to fight hate.

We have the power, through our words and our votes, to promote civility, tolerance, and kindness. And we have the choice to do better and to work together to fight the evil that exists around us and throughout the world.

Today, we bow our heads in silence, but tomorrow—tomorrow—we raise our voices loudly against hate.

The SPEAKER. The Chair asks all Members in the Chamber, as well as Members and staff throughout the Capitol, to rise for a moment of silence in remembrance of the victims of the recent shooting in Buffalo, New York.

DHS ROLES AND RESPONSIBILITIES IN CYBER SPACE ACT

The SPEAKER. Pursuant to clause 8 of rule XX, the unfinished business is the vote on the motion to suspend the rules and pass the bill (H.R. 5658) to require the Secretary of Homeland Security to submit a report on the cybersecurity roles and responsibilities of the Federal Government, and for other purposes, as amended, on which the yeas and nays were ordered.

The Clerk read the title of the bill.

The SPEAKER pro tempore (Ms. SCHRIER). The question is on the motion offered by the gentleman from New Jersey (Mr. MALINOWSKI) that the House suspend the rules and pass the bill, as amended.

This is a 5-minute vote.

The vote was taken by electronic device, and there were—yeas 313, nays 105, not voting 10, as follows:

REMEMBERING HANK LEHWALD

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Madam Speaker, I rise today to remember the life of a Benedictine High School and Savannah baseball star, Hank Lehwald.

The Benedictine Cadets in Savannah have a rich history of success. On top of multiple State titles in multiple sports, they won a football State title this past season.

That legacy of victory began with a baseball team that won the school's first State title, led by Hank. At catcher, Hank was a standout. His teammates referred to him as "the general" due to his tremendous leadership. Hank was a 4-year letterman in baseball, football, and basketball, and he earned many scholarship offers to play football from schools like the University of Florida. Hank chose to pursue baseball and was drafted by the Los Angeles Dodgers right out of high school.

After his baseball days were behind him, Hank attended Georgia Military College and Georgia Southern University. He was drafted into the United States Army and went to Officer Candidate School.

When Hank left the military, he founded a successful investment banking firm in Boca Raton, Florida. In 2016, Hank was honored by his induction into the Greater Savannah Area Hall of Fame. He is remembered as being as good of a person as he was an athlete, and he will be dearly missed.

AMERICAN ENERGY EXCELLENCE

(Ms. KAPTUR asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. KAPTUR. Madam Speaker, I rise tonight in strong support of the U.S. Department of Commerce's inquiry into China's predatory trade practices, their hacking of U.S. firms, and widespread dumping of foreign solar components into the United States.

While China routinely violates human rights and churns out inferior products, American companies are breaking new ground in the solar sector and supporting thousands of good-paying jobs for middle-class workers and families.

Northwest Ohio is home to two remarkable such firms: First Solar and Toledo Solar. These domestic industries are charting a course for a new era of American energy independence.

Our energy independence, security, and national strength demand we make and build solar components right here at home. Our Nation must stop relying on other countries for far too much of what we use.

We have the workforce and skill sets to get the job done right here. Let us unleash American energy ingenuity for our workers, our communities, and for a secure energy future for our Nation in perpetuity.

OUTRAGE OVER SHOOTING IN
BUFFALO

(Mrs. CHERFILUS-McCORMICK asked and was given permission to address the House for 1 minute.)

Mrs. CHERFILUS-McCORMICK. Madam Speaker, I rise today in outrage over the Buffalo massacre. The deaths of the 10 African Americans who were just shopping cannot go unavenged.

We must punish the vile predator to the fullest extent of the law. This white supremacist committed an act of domestic terrorism and specifically targeted a Black community because of the rhetoric, such as the false white replacement theory pushed by the previous administration.

He was also empowered by social media websites, such as Twitch and Discord, which did not correctly filter his hate comments. We must quash the growing levels of hate and make sure that such an act never happens again. We need a national background check law to prevent radicalized individuals from getting their hands on military-style assault weapons.

A single tragedy of this magnitude is a travesty, but allowing all of these shootings to become normalized is a crime against the American people.
