PERMISSION FOR MEMBER TO BE
CONSIDERED AS FIRST SPONSOR
OF H.R. 2974

Mr. BEYER. Mr. Speaker, I ask unanimous consent that I may hereafter be considered to be the first sponsor of H.R. 2974, a bill originally introduced by Representative Delgado of New York, for the purpose of adding cosponsors and requesting reprintings pursuant to clause 7 of rule XII.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Virginia?

There was no objection.

HONORING DR. ALEX JOHNSON ON
HIS RETIREMENT

(Ms. BROWN of Ohio asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. BROWN of Ohio. Mr. Speaker, I rise today to honor Dr. Alex Johnson, who will soon be retiring after nearly a decade of service as Cuyahoga Community College's president.

Dr. Johnson retires as a pillar of the Cleveland community. His deep commitment to Tri-C's students and forward-thinking leadership helped shape graduates, like myself, who were prepared for a lifetime of success in northeast Ohio.

During Dr. Johnson's tenure, Tri-C produced a record number of graduates and increased its graduation rates, all while remaining committed to the school's core mission of delivering affordable higher education, providing equitable job opportunities, and ensuring successful degree completion. Meanwhile, throughout the tumult of the COVID-19 pandemic, Dr. Johnson served as a steady hand at the helm, ensuring students' continued success.

As a Tri-C graduate and the Representative for Ohio's 11th Congressional District, I deeply appreciate Dr. Johnson's extraordinary leadership, unparalleled vision, and lasting accomplishments. His legacy will only continue to grow through the countless students, teachers, and administrators he impacted.

REMEMBERING RUSSELL
PETERSON

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today in memory of Russ Peterson, a remarkable Georgian.

Russ was born in Park Ridge, Illinois, and was the son of the late Russ and Helen Peterson, devoted husband to his wife, Louise Peterson, and loving father and grandfather.

Russ was known for his good sense of humor, his love for life, and contagious laughter among friends.

Russ earned his bachelor's degree from DePauw University in Greencastle, Indiana, and went to work with Allstate Insurance. He retired as a regional vice president after more than 35 years of service.

Russ was heavily involved in the betterment of his community, serving as president of the Landings Association. Russ also served on the Board of Marshes of Skidaway Island, St. Joseph's Hospital Foundation Board, the Chatham Leadership Board, and was involved in the American Cancer Society.

He played a major role in the building of the beautiful bridge to Skidaway Island and started a Parkinson's support group that continues to benefit people today. He was also very involved in the Republican Club of Skidaway Island.

A loving father and husband, outdoorsman, community advocate, and agent of change, Russ will be dearly missed.

CELEBRATING 10 YEARS OF DACA

(Mr. AGUILAR asked and was given permission to address the House for 1 minute.)

Mr. AGUILAR. Madam Speaker, I rise today to recognize the 10th anniversary of the DACA program on June 15, 2022.

In the last decade, this program has allowed young Americans to pursue the American Dream in the only country they know to be their home. They have been able to live without fear of being separated from their families and have been able to pursue higher education and their dream jobs. They are our friends, our family members, trusted community leaders, coworkers, and fellow Americans in every way but on a piece of paper.

Madam Speaker, we need to do more. Since I have been in Congress, I have been proud to support the DACA recipients, including through introducing legislation to give them a pathway to citizenship and advocating for DACA recipients to work in Congress and across the Federal Government.

I am proud to work with my colleagues in the Hispanic Caucus to fight for immigrant communities and to urge the U.S. Senate to take up measures that the House has passed time and time again.

A MILLION CRISES

(Mr. ROSE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ROSE. Madam Speaker, last week the Wall Street Journal reported that a whistleblower employee at Abbott Nutrition filed a complaint with the FDA in February of last year, months before the originally reported date of October. If true, President Biden and his FDA must answer for why they ignored these alarming claims.

Parents in middle Tennessee are struggling to find baby formula as the out-of-stock rate has skyrocketed to 92 percent.

Ultimately, this is just another crisis that has been made much worse by the Biden administration, about which one White House official on the Domestic Policy Council gave the excuse that the administration's plate was full with "a million crises going on."

Unfortunately, President Biden's failed far-left agenda caused the million crises. Those many crises very well may have distracted his administration from initially taking the baby formula shortage seriously, as well as contributed to the administration's inexcusably slow reaction to the crisis, allowing it to get much worse than it should have.

We must get to the bottom of this failure and hold those accountable responsible, but in any case, the President must do better.

MAIL THEFT AND POSTAL POLICE

(Ms. PORTER asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. PORTER. Madam Speaker, over 300,000 mail carriers serve our communities, delivering for us 7 days a week. Unfortunately, these dedicated public servants have increasingly become targets for criminals.

Criminals will steal a carrier's mailbox key and then use that stolen key to steal mail and packages. Between 2018 and 2021, robberies of mail carriers more than tripled, and robberies involving a gun quadrupled.

Until 2020, postal police officers patrolled our neighborhoods to protect letter carriers and deter mail theft, but in August 2020, right before the Presidential election, the Trump administration ordered the postal police to stop patrols and limited them to guarding post offices.

This policy needs to change immediately. Our mail carriers are at risk, and they deserve the protection of the law enforcement officers employed by the post office.

HONORING DR. SHIRLEY ANN JACKSON ON HER RETIREMENT

(Mr. TONKO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TONKO. Madam Speaker, I rise today to recognize an inspiring pioneer and brilliant mind, Dr. Shirley Ann Jackson, on the occasion of her retirement.

Dr. Jackson, president of Rensselaer Polytechnic Institute, was the first Black woman to receive a doctorate degree in physics from MIT, and in 1999 became the first Black woman to lead a top-ranked research university.

Ever the trailblazer, Dr. Jackson was the first Black person and the first woman to chair the United States Nuclear Regulatory Commission.

Dr. Jackson's historic achievements in public service and in her field of theoretical physics, combined with her tireless advocacy for increased Black representation in STEM fields, continue to provide inspiration to so many in New York's capital region and, for that matter, across our Nation.

It is no surprise that Time magazine has called her "perhaps the ultimate role model for women in science."

It is indeed my honor to congratulate the unmatched Dr. Jackson as she embarks on the next chapter of her life. I thank her for inserting herself, her strength, and her vision into the fabric of RPI.

Dr. Jackson, thank you for your outstanding leadership.

EXPRESSING STRONG SUPPORT FOR STEEL TARIFFS

(Mr. MRVAN asked and was given permission to address the House for 1 minute.)

Mr. MRVAN. Madam Speaker, I rise today to express my strong support for the continuation of section 232 steel tariffs for our domestic manufacturers,

our workforce, and our national security.

Indiana's First Congressional District is home to an incredible foundation of steelworkers and the American steel producers who create products that are essential not just to the strength of our national economy but also to our national security.

It is necessary that the American steel industry has a level playing field in our global economy so that our innovative companies and skilled workforce can continue to lead the world in manufacturing the most environmentally friendly and efficiently produced steel.

As co-chairman of the Congressional Steel Caucus, we have been actively expressing our strong support for the continuation of section 232 steel tariffs. I look forward to continuing to work with my colleagues and members of the administration to advocate for the value of these current tariffs and ensure that we all recognize how unfair trade and global steel overcapacity negatively impact our Nation's future.

CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO THE WESTERN BALKANS—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 117-122)

The SPEAKER pro tempore (Ms. BROWN of Ohio) laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs and ordered to be printed:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to the Western Balkans that was declared in Executive Order 13219 of June 26, 2001, under which additional steps were taken in Executive Order 13304 of May 28, 2003, and which was expanded in scope in Executive Order 14033 of June 8, 2021, is to continue in effect beyond June 26, 2022.

The acts of extremist violence and obstructionist activity, and the situation in the Western Balkans, which stymies progress toward effective and democratic governance and full integration into transatlantic institutions, outlined in these Executive Orders, continue to pose an unusual and extraordinary threat to the national security and foreign policy of the United

States. Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 13219 with respect to the Western Balkans.

JOSEPH R. BIDEN, Jr.,
THE WHITE HOUSE, June 13, 2022.

CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO BELARUS—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 117-123)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs and ordered to be printed:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to Belarus that was declared in Executive Order 13405 of June 16, 2006, which was expanded in scope in Executive Order 14038 of August 9, 2021, is to continue in effect beyond June 16, 2022.

The actions and policies of certain members of the Government of Belarus and other persons, and the Belarusian regime's harmful activities and longstanding abuses, continue to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 13405 with respect to Belarus.

JOSEPH R. BIDEN, Jr.,
THE WHITE HOUSE, June 13, 2022.
