REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 2107

Mr. GAETZ. Madam Speaker, I hereby remove my name as cosponsor of H.R. 2107.
The SPEAKER pro tempore (Ms. BURDEAUX). The gentleman's request is accepted.

REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 5344

Mr. CARTWRIGHT. Madam Speaker, I hereby remove my name as cosponsor of H.R. 5344.
The SPEAKER pro tempore. The gentleman's request is accepted.

RISING COSTS ARE SIMPLY UNACCEPTABLE

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)
Mr. LANGEVIN. Madam Speaker, I rise today in support of the Lower Food and Fuel Costs Act.

Every day, I hear from Rhode Islanders rightly frustrated by the rising cost of everyday goods.
Exacerbated by Putin's invasion of Ukraine, grocery bills are climbing higher, gas costs more than \$5 per gallon, and tangled supply chains continue to fuel inflation.

The American people are being pushed to the breaking point. The status quo is simply unacceptable.

This bill will provide relief to Americans feeling the pain at the pump by boosting domestic biofuel production, and it will drive down costs at the grocery store.

Best of all, Democrats have worked hand-in-glove with our Republican colleagues to advance this bipartisan legislation out of committee and onto the House floor.

Madam Speaker, this legislation is a great step in the right direction, but we must do more. We must crack down on gas companies exploiting this crisis for profit.

Like President Biden suggested, we must work with oil companies to address supply and capacity shortages.

Finally, if we don't want to be back to this point ever again, we must accelerate our transition away from fossil fuels once and for all. The American people are counting on us.

GAS PRICES HAVE DOUBLED

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Madam Speaker, gas prices have doubled under President Biden's failed anti-American energy policies. But I don't know which is worse, that the national average per gallon of gas is 5 bucks or that—in my home State of California, we would like to see 5 bucks once again. Prices are well over \$7, thanks to decades' worth of regulatory assault on American gas in California and now at the Washington level.

While the American people are struggling to keep up financially, the Secretary of Energy and the Secretary of Transportation tell them to go buy electric vehicles. If American families are struggling to afford these outrageous gas prices, what makes these bureaucrats think that they can afford a brand-new \$50,000 electric vehicle? Enough of this “let them eat cake” attitude.

These gas prices weren't caused by Russia's invasion of Ukraine. They were caused by regulatory assault on

our energy industry and domestic production being killed.

President Biden, take responsibility for your failed energy policies. Stand down from your war on American energy, and unleash American energy independence and help our people for a change.

CELEBRATING 10TH ANNIVERSARY OF DACA

(Mr. CÁRDENAS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CÁRDENAS. Madam Speaker, I rise today in celebration of the 10th anniversary of DACA, the program that has protected nearly 1 million inspiring young people and given them the opportunity to contribute to our great economy.

Dreamers are our family, friends, and neighbors. They are teachers, doctors and nurses, small business owners, servicemembers, and so much more.

They work hard and contribute to our great economy. They make America a better place for everyone. Yet, they face unspeakable hardships and witness the ugliness of anti-immigrant sentiments in our great country. But their resilience has shined through all of that.

Let me be clear. Today is an incredible milestone, but another 10 years without permanent protections and a pathway to citizenship is simply unjust. That is why I will continue to fight to give every single Dreamer that continues to live in our country permanently, because in America, we believe that when given that shot at the American Dream, anything is possible.

RECOGNIZING ALZHEIMER'S AND BRAIN AWARENESS MONTH

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, June is Alzheimer's and Brain Awareness Month. Worldwide, there are an estimated 47 million people living with Alzheimer's and other dementias. Without a change, these numbers are expected to grow to 76 million by the year 2030.

Alzheimer's is the sixth leading cause of death in the United States and is the only leading cause of death that cannot be prevented, cured, or even slowed. Sadly, one in three seniors will die with the disease.

This disease took my mother's life. Alzheimer's has a devastating impact on those who are diagnosed with the disease and their caregivers and loved ones. More than 16 million Americans provide unpaid care to family and friends living with Alzheimer's and other forms of dementia.

Compared with caregivers for people without dementia, twice as many caregivers for people with dementia indicate substantial emotional, financial, and physical stress.

Madam Speaker, the time to act is now. This month, let's wear purple and help raise awareness and advance Alzheimer's care.

SECURITY FOR ALL FEDERAL JUDGES

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Madam Speaker, yesterday, I opposed the Supreme Court Police Parity Act.

I fully support expanded security for Supreme Court Justices and their families. I also firmly believe that those expanded protections must apply to all Federal judges and their families—that is right, all Federal judges and their families—who face similar threats with less protective resources.

The safety of our Federal judiciary is a very personal issue for New Jersey. Two years ago, the only child of U.S. District Judge Esther Salas was murdered by a man who had previously appeared before her court.

This bill was an opportunity to improve protections for all Federal judges. Sadly, the Senate abdicated its responsibility when it ignored calls for the inclusion of the Daniel Aderl Judicial Security and Privacy Act, introduced by my colleague MIKIE SHERRILL and Senator MENENDEZ, in this bill.

Democrats are committed, as is every member of the New Jersey delegation, to ensuring that all Federal judicial officials and their families are safe.

PAYING TRIBUTE TO THE HONORABLE GRAYDON K. KITCHENS, JR.

(Mr. JOHNSON of Louisiana asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. JOHNSON of Louisiana. Madam Speaker, I rise today to honor the life of the Honorable Graydon K. Kitchens, Jr., a giant of a man and my former law partner and mentor.

Judges Kitchens' list of accomplishments is limitless. I could stand at this lectern for an hour listing off all of his accomplishments and barely scratch the surface.

He was a husband of 62 years; father of three; proud grandfather of six; varsity pitcher at LSU, our alma mater; U.S. Army lieutenant; judge; chief justice; deacon; and a man of deep, profound faith.

He provided wise counsel through troubling times to me and to so many countless others, and he is an irreplaceable senior statesman in the Louisiana Bar. I am among so many to consider him to be truly one of the greatest men we have ever known.

As the patriarch of his family, Judge Kitchens planted roots in north Louisiana that will flourish for centuries. Our community lost a towering char-

acter and a leader, and we are so much better for the time that we had when he was here.

Our prayers are with Roberta and the entire Kitchens family and all who loved him.

Rest in peace, Judge Kitchens. God bless.

SUPPORTING ALZHEIMER'S AND BRAIN AWARENESS MONTH

(Ms. BARRAGÁN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. BARRAGÁN. Madam Speaker, I rise today in recognition of Alzheimer's and Brain Awareness Month. I am wearing purple in support of the millions of Americans, including my mom, who are living with Alzheimer's disease.

The nearly 6 million people with Alzheimer's are our sisters, our brothers, our parents, our grandparents, and our neighbors—our fellow Americans. Many are suffering in silence because there is so much stigma around having Alzheimer's.

I want every patient, family member, and caregiver to know that you matter. Your quality of life matters. Know that you have a champion in Congress who knows how hard it is for family and caregivers.

That is why I will continue to push for more investments in Alzheimer's research and care and will continue to fight so CMS provides equitable access to promising Alzheimer's drugs.

Our fight against this devastating disease is nowhere near done.

REMEMBERING GUS MACHADO

(Ms. SALAZAR asked and was given permission to address the House for 1 minute.)

Ms. SALAZAR. Madam Speaker, today, I rise to honor a titan of Miami, Mr. Gus Machado, who passed away last month.

Gus is remembered for his iconic leadership as a pioneering marketer and owner of car dealerships around Miami. Ford Motor Company recognized his leadership by honoring Mr. Machado with the President's Award in 2003, 2009, and 2010.

He was a founder of the United States-Cuba Democracy PAC, but his real legacy will be his heart of service. In 2008, he created the Gus Machado Family Foundation, and every school year, the foundation provides more than 400 children with backpacks full of school supplies. Another impressive example of his generosity was his \$5 million donation to St. Thomas University to establish a business school.

He was one of the best the Cuban-American exile community in Miami has produced. I am proud to stand on the floor of the United States House to pay tribute to Mr. Machado. His life was an example of faith, hard work, determination, family, friends, and a

good community. In other words, he was the best example of the American Dream.

Rest in peace.

DACA FALLS SHORT FOR DREAMERS

(Mr. VARGAS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. VARGAS. Madam Speaker, thousands of young people brought to the U.S. at a young age fought for and have benefited from DACA. This gave recipients and their families a little peace and resulted in economic gains for our country, but the program falls short of a pathway to citizenship.

DACA was a significant achievement for many immigrants, but it is by no means a substitute for fixing our broken immigration system.

Since its inception, DACA has been under attack by far-right politicians. The reality is that DACA has gone back and forth in the courts, leaving DACA recipients and DACA-eligible youth in a state of limbo. This continued legal threat leaves the lives of DACA recipients, DACA-eligible youth, and their families in uncertainty and dread.

Congress introduced and passed H.R. 6, the Dream and Promise Act, more than a year ago, but it is stuck in the Senate. We must end the filibuster and pass a real solution for the millions of people who call the U.S. home.

HONORING KATHY O'NAN

(Mr. COMER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COMER. Madam Speaker, I rise to honor the mayor of Mayfield, Kathy O'Nan, for all she has done for her community in the wake of last December's tornado damage.

In a nod to her recovery efforts, Mayor O'Nan was recently named Woman of the Year by the Mayfield-Graves County Chamber of Commerce. I can think of no one more deserving of this high honor.

When the storms hit, the mayor led by example in getting her community back on its feet. She was there for her citizens when they needed her the most, and she continues to work tirelessly to bring all parties together to rebuild the proud community of Mayfield.

A role model to many, she has embodied servant leadership during her time in office, a tenure largely defined by persevering through tragedy.

When the eyes of the world were on Mayfield, Kentucky, Mayor O'Nan stepped up to the plate and delivered the leadership and empathy that west Kentucky needed. I am proud to represent her in Congress, and I look forward to working with her as Graves County rebuilds.
