

PLEDGE OF ALLEGIANCE

The SPEAKER. Will the gentlewoman from New Hampshire (Ms. KUSTER) come forward and lead the House in the Pledge of Allegiance.

Ms. KUSTER led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

ANNOUNCEMENT BY THE SPEAKER

The SPEAKER. The Chair will entertain up to 15 requests for 1-minute speeches on each side of the aisle.

FIGHTING FOR RIGHTS OF LGBTQ+ PEOPLE

(Ms. KELLY of Illinois asked and was given permission to address the House for 1 minute.)

Ms. KELLY of Illinois. Madam Speaker, in June, we celebrate Pride Month, a time to not only uplift members of our LGBTQ+ community and honor those who have fought for LGBTQ+ rights and equality but also to recommit ourselves to ensuring and advancing those rights.

Last week, President Biden signed an executive order to build on the historic progress his administration has made for LGBTQ+ people. I am thrilled that with this executive order, President Biden will address discriminatory legislative attacks against LGBTQ+ people, prevent harmful conversion therapy, safeguard healthcare and mental health programs, support LGBTQ+ foster youth, prevent homelessness, and improve connections to the Federal programs that keep LGBTQ+ people safe and healthy.

No one should face discrimination because of who they are. Rising hate and violence against the LGBTQ+ community is unacceptable. I will continue working to ensure our LGBTQ+ Americans are protected.

CONGRATULATING PROVIDENCE HIGH PANTHERS

(Mr. BISHOP of North Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BISHOP of North Carolina. Madam Speaker, I rise to honor and congratulate the Providence High School baseball team for winning the North Carolina High School 4A State championship.

Not only did Providence win the championship, but they also dominated the season, compiling a record of 34-0. Never before in North Carolina 4A baseball history has a team gone undefeated.

Along with these extraordinary young men, I congratulate Head Coach Danny Hignight, who told his coaching staff on the night of their big win: "We . . . went 34-0. That is unreal."

Well, Coach Hignight, it is my honor to say on the floor of this Chamber that it is real and that I and all of Charlotte, North Carolina, are proud of this amazing school and team.

Congratulations, Providence High Panthers, on an incredible season.

ATTACKS ON DEMOCRACY

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. Madam Speaker, we are in the midst of many elections, primary elections and ongoing to November 2022.

I salute our election officials because what we saw yesterday in the January 6 hearings was appalling and disgraceful and an attack on democracy. From the speaker of the House of Arizona to the elections officers in Georgia, pain was exhibited from being violated, violently attacked by words, and threatened.

I remember the words of the election official from Georgia saying: I don't even want to give my card out or give my name.

Both she and her mother are targeted. These are just people who are Americans who want to serve their country. What an outrage.

As we continue to listen to the January 6 proceedings, let us take them very seriously. Those who engage in this kind of outrageous behavior, an attack on the flag of the United States, must be held accountable.

My heart goes out to the election officials and the speaker of the Arizona Legislature, whose daughter was sick while his house was being attacked.

We cannot do any less than to hold those accountable, accountable because this is a disgrace to the American flag.

UNITING FOR ALZHEIMER'S AND BRAIN AWARENESS MONTH

(Mr. BURCHETT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BURCHETT. Madam Speaker, June is Alzheimer's and Brain Awareness Month. There are so many things that are dividing our country right now, but this is something that should bring us all together.

Alzheimer's and dementia are frightening diseases that impact millions of Americans every year. Six million Americans are affected, 120,000 Tennesseans.

I have witnessed the effects of Alzheimer's, Madam Speaker, on several people close to me, my Aunt Jane and my Aunt Virginia.

My Aunt Jane, I can remember that I hadn't seen her in years, and she walked up to me and said, "I don't know who you are, but I feel like you are a good little boy," and I was an adult.

My sweet Aunt Virginia, who is married to my Uncle Floyd, suffers from it, as well.

Pat Summitt, who coached the Lady Vols basketball team for 38 seasons—she grew up in my daddy's hometown—came to my daddy's funeral and hugged my mama's neck. She lived with Alzheimer's disease and worked hard to bring awareness to it until she passed away in 2016.

Before she left us, she formed the Pat Summitt Foundation to promote research on Alzheimer's treatment and to educate the public. Also, the Pat Summitt Foundation supports a clinic at the University of Tennessee that cares for those with Alzheimer's.

We can't forget about the folks who take care of those with Alzheimer's, as well. They take a huge emotional and physical toll. We need to remember these folks. The Bible tells us that we need to remember the least amongst us, and surely they are in that category.

HONORING THE LIFE OF IGNACIO GONZALES

(Mr. CORREA asked and was given permission to address the House for 1 minute.)

Mr. CORREA. Madam Speaker, a soldier takes his oath of service, swearing allegiance to our country and to our flag. When 92-year-old Korean war vet Ignacio Gonzales saw a young man take his American flag from his porch, he went into action.

The 92-year-old Ignacio chased the man down, retrieved the American flag, and returned it to its proper place in front of his home. Later on, he laughingly told his wife: "They didn't know I could run that fast."

After the flag incident, his son, Vicente, told his father: "It is not worth the danger, Dad, chasing down a hoodlum to retrieve your \$20 flag." Ignacio corrected his son and said: "This isn't just a flag. This American flag flies in memory of your uncles, George and Manuel Gonzales."

Both fought in World War II. George fought in the Battle of the Bulge, and Manuel fought in the Rhineland campaign. Ignacio fought in the Korean war and was awarded many medals, including the Combat Infantry Badge that is given only to soldiers who fought in active ground combat.

Ignacio passed away quietly on June 9, and I have never been more proud of one of my countrymen. He was also a graduate from Anaheim High School, my alma mater. He was class of 1949.

BIDEN ADMINISTRATION INSISTS ALL IS WELL

(Mr. MOORE of Alabama asked and was given permission to address the House for 1 minute.)

Mr. MOORE of Alabama. Madam Speaker, when it comes to the economy, the Biden administration continues to insist that all is well. His press secretary claims the economy is in a better place than it has been historically.

Historically? Perhaps she needs to read a history book. Inflation is at a 40-year high in this country. President Biden himself makes the false claim that inflation is worse elsewhere in the world than here.

Mr. President, the United States has worse inflation than Germany, France, Japan, Canada, India, Italy, Saudi Arabia, and the list goes on. What is this explanation?

The Biden administration blames the pandemic and Putin, but each of those countries has also had to deal with the same problems we have dealt with. Why is their inflation not like ours?

Mr. President, the answer is easy: Quit overheating the economy with government spending. Cut red tape and regulations hampering our industries. Let the American people keep more of their hard-earned money.

Conservatives once warned against our economy turning into Europe. Unless we change course, Europe will be worried about becoming us.

BIG OIL EARNS RECORD PROFITS WHILE FAMILIES STRUGGLE

(Ms. BROWN of Ohio asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. BROWN of Ohio. Madam Speaker, as President Biden pointed out last week, here is the cold, hard truth about gas prices: The last time oil was at its current price, the average price of gas at the pump was about \$4.25 per gallon. Today, gas prices are nearly 75 cents higher.

That difference, across just 3 months, is the result of historically high profit margins for refining oil into gasoline.

Oil and gas companies are announcing record profits while Putin's war in Ukraine is driving up prices at the pump. These companies are prioritizing stock buybacks while families are struggling to pay higher prices at the pump.

This is exactly why the House passed the Consumer Fuel Price Gouging Prevention Act last week. Yet not a single Republican voted with us to stop Big Oil from raking in record profits on the backs of hardworking Americans. Families are facing a crunch, and they deserve action.

CONGRATULATING ELI RUTH

(Mr. STAUBER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. STAUBER. Madam Speaker, I rise today to congratulate and honor Eli Ruth, a fifth-grade student at Bay View Elementary of the Proctor School District who was named Minnesota's AAA School Safety Patroller of the Year.

Recently, I have been focused on how the United States is an exceptional country and how our people live out American exceptionalism every day.

When I see a student like Eli taking an opportunity to be a leader among his peers and working to ensure their safety, I see a young man who perfectly exemplifies American exceptionalism.

During his time as a safety patroller, Eli has come to know the students and community very well, and I am so glad to see that he has already become such an effective and caring leader at such a young age.

When I was his age, I was a school patrol officer myself at Piedmont Elementary. It brings me great joy to see that, decades later, this program is still encouraging and developing young leaders with a passion to serve.

Congratulations, again, to Eli Ruth on this amazing honor. I wish him nothing but success and happiness as he continues down his path of leadership.

CELEBRATING 50 YEARS OF PELL GRANTS

(Ms. CHU asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. CHU. Madam Speaker, today, I am so thrilled to join my colleagues around the country to celebrate the 50th anniversary of the Pell grant.

The Pell grant is essential to fulfilling our Nation's promise of higher education by ensuring low-income students have the same access and opportunities as their wealthy peers.

As a former college educator for over 20 years, I know firsthand how life-changing a college degree can be for a student. That kind of opportunity should not be reserved for only the richest amongst us.

During the 2021 academic year, nearly 850,000 students in my State of California received a Pell grant to help them access and complete a college degree. Nationwide, about 40 percent of all undergraduate students benefit from the Pell grant.

With most of these students coming from working families, it is clear: Pell grants help make college more affordable, enabling students to focus on their education and complete their degrees faster.

The Pell grant has spent the last 50 years helping students across the country access higher education, and it is now easier than ever for eligible students to apply.
