

stories from my colleagues in the days ahead.

In the memory of Katie and Curren and so many others who were lost to their families—killed in these tragedies—we must pass the STURDY Act. It is not complicated. It is not complicated at all. We must ensure that the furniture sold to consumers is tested—tested for safety and tested for stability. Congress must do all it can. We in the Senate must do all we can to ensure that no more children—no more children—are harmed or killed by furniture tipovers.

I yield the floor.

I suggest the absence of a quorum.

The PRESIDING OFFICER. The clerk will call the roll.

Mr. CASEY. Madam President, I ask unanimous consent that the order for the quorum call be rescinded.

EMMETT TILL ANTILYNCHING ACT

Mr. SCOTT of South Carolina. Madam President, for the last 4 years I have worked hard with my friends across the aisle on antilynching legislation, legislation that has failed in this body 200 times. We passed it in 2019 under Republican leadership in this Senate, only for it to fall apart in the House.

Well, after more than a century of failed attempts, both Chambers of Congress have finally passed this historic piece of legislation. I am proud to say we did the right thing not for Repub-

licans or Democrats, but for Americans who have watched their government fall short too many times.

While we cannot erase our Nation's past, today, we have taken a significant step toward a better future for all. This long overdue piece of legislation sends a clear message: We will not tolerate hatred and violence against our fellow Americans.

ADDITIONAL STATEMENTS

TRIBUTE TO OFFICER ERIK CLARK

• Mr. MARSHALL. Madam President, I rise today to honor a true hero from Olathe, KS Officer Erik Clark. His brave actions during an active shooter situation at Olathe East High School helped keep an already tragic situation from taking students' lives.

On Friday, March 4, a senior student at Olathe East was called into the administration office after a tip that he had brought in a gun to school. A few minutes into meeting with the assistant principal, the senior wouldn't open his backpack, prompting Officer Clark—the school's resource officer—to step into the situation. Shortly after Clark arrived, the student pulled out his weapon and began opening fire.

In a flurry, Clark responded and returned fire, ultimately shooting and subduing the student, but not without himself and the assistant principal being wounded as well. Both, however, have thankfully been discharged from the hospital. I pray that something like that may never happen in those halls or any others across America again, for even though there were no fatal wounds, the scars of trauma everyone at Olathe East will surely run deep.

Lastly, I want to thank this brave officer for being so courageous to dive headfirst into peril on that day. If it were not for Officer Clark, this situation could have turned out to be a much darker day in Olathe. As the son of a police chief, I know the risks our men and women in blue take on each day. I admire Officer Clark for continually working to ensure our safety. He has shown what true valor looks like, and Olathe East is safer because of him. I ask now that my colleagues show this same admiration and recognition for Officer Clark and that he may stay safe protecting his community.●

TRIBUTE TO DR. KALEB STOPPEL

• Mr. MARSHALL. Madam President, I rise today to honor a school administrator that went above and beyond the service to his students, Dr. Kaleb Stoppel. His brave actions during an active shooter situation at Olathe East High School helped keep an already tragic situation from taking students' lives.

On Friday, March 4, a senior student at Olathe East was called into Dr.

Stoppel's office after a tip was submitted saying the student brought a gun to the school. Dr. Stoppel first asked the student to open his backpack, which he did not comply with, prompting the school's resource officer to step into the situation. Shortly after the officer arrived, the student pulled out his weapon and began opening fire.

In a flurry, the officer returned fire, ultimately shooting and subduing the student, but not without himself and Dr. Stoppel being wounded as well. Both, however, have thankfully been discharged from the hospital. I pray that something like that may never happen in those halls or any others across America again, for even though there were no fatal wounds, the scars of trauma for everyone at Olathe East will surely run deep.

Lastly, I want to thank Dr. Stoppel for being so responsive to the situation and keeping students out of harm's way. Had he not investigated the tip, this tragedy surely would have been much graver. Olathe East is safer because of him. I ask now that my colleagues show this same admiration and recognition for Dr. Stoppel and that he may stay safe while educating our future leaders.●
