

Trevor had previously worked at the ale house as a bartender for 10 years, and during that time, he was part of a vibrant community that felt to him like family. During his shifts, the bar would fill up with locals and tourists alike, who were there to meet up with old friends or make new connections. Trevor met his now-wife while working there, and he is officiating a wedding soon for another couple who met at the bar.

When Trevor heard the news of Cobblestone Ale House burning down, he immediately knew that he had to support his community during this difficult time. He made an impromptu GoFundMe page that he shared over social media and asked his friends to donate the equivalent of one final drink at the bar. Within an hour donations were pouring in. The campaign continued to spread from person-to-person and has since taken off, raising nearly \$20,000.

The money from the GoFundMe will be going to bar staffers to help with lost wages and to the tenants who lived above the ale house who lost belongings in the fire.

Trevor's actions are a testament to him, but also reflect the determination to be generous, kind, and strong neighbors that is a hallmark of Granite State character. Trevor's decision to help others sparked a movement that will make a real difference for people in his community, and I am honored to name him as January's Granite Stater of the Month.●

#### RECOGNIZING REDOX BIO-NUTRIENTS, LLC

● Mr. RISC. Madam President, as a member and former chairman of the Senate Committee on Small Business and Entrepreneurship, each month I recognize and celebrate the American entrepreneurial spirit by highlighting the success of a small business in my home State of Idaho. Today, I am pleased to honor Redox Bio-Nutrients as the Idaho Small Business of the Month for February 2022.

Redox Bio-Nutrients is a world-renowned fertilizer producer based in the heart of Burley, ID. CEO Darin Moon spent his childhood on a family farm in Heyburn, ID, before starting a career in soil science. After several years managing a farm in California, Darin returned to Idaho in 1993 and founded Redox Bio-Nutrients, and in doing so, he achieved his lifelong goal of using science to produce more nutritious food.

Darin's business acumen and innovative approach have been the cornerstones of the business' growth. Over the years, Darin's focus on innovation has earned him seven patents and provided Redox's customers with high-quality fertilizer that improves their crop yields. Today, the company supplies agricultural products in over 40 States and 32 countries, serving as a global testament to Idaho's industrious entrepreneurial spirit.

In addition to employing 19 Idahoans and 14 employees across multiple States, Darin's commitment to the Burley community is evident in his service on the Cassia County School District's school board. In 2018, he helped launch Connect, a district-wide program dedicated to connecting students in need with mental health resources and free therapy.

Congratulations to Darin, his family, and all the employees of Redox Bio-Nutrients, LLC on being selected as the Idaho Small Business of the Month for February 2022. You make our great State proud, and I look forward to your continued growth and success.●
