

Democratic Sen. Mike Mansfield of Montana. Since 2006, Senator McCONNELL has won the respect and trust of his colleagues who have rightly given him their vote of confidence nine consecutive times to lead the Republican conference.

Senator McCONNELL started breaking records early in his career. When he was first elected to the U.S. Senate in 1984, it was the first time that a Republican had won a statewide race in sixteen years. In fact, his election gave Republicans a newfound confidence Kentucky politics, and he remains the longest-serving senator in Kentucky history. His historic service is marked by courageous legislation, a stronger national defense, and a transformation of the federal judiciary. During his service as Majority Leader, he led Senate confirmation of three justices and 30 percent of circuit court judges nationwide.

Senator McCONNELL and I share a mutual mentor from southern Kentucky, the late Senator John Sherman Cooper. Senator McCONNELL's success in public service reflects the many values that Senator Cooper shared with us, including unwavering perseverance, wisdom in negotiations, visionary leadership, and astutely serving as a "consummate bridge builder," as Senator McCONNELL once described our mentor.

Together, we have partnered on countless projects for the benefit of our fellow Kentuckians, and I count it a great honor to call Senator McCONNELL a close friend and valiant ally in public service. I applaud Senator McCONNELL on achieving this significant milestone in American history and I wish him continued success on behalf of the Commonwealth of Kentucky.

CELEBRATING MARY GATTON'S SELFLESS CARE FOR PATIENTS AND FAMILIES

HON. TERESA LEGER FERNANDEZ

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 7, 2023

Ms. LEGER FERNANDEZ. Mr. Speaker, I rise to celebrate Mary Gatton for her selfless commitment to the care of cancer victims, the terminally ill, and their families. Ms. Gatton recently received Business First's 'Lifetime Achievement Award' as a part of the Health Care Heroes program.

At age 79, Ms. Gatton has spent much of her adult life supporting sick patients, the dying, and their families, through her work at Hospice/Hosparsus Health, Inc. and Gilda's Club.

Many struggle to find words of comfort for those experiencing grief and loss, but not Ms. Gatton; she is truly 'there' for those in need, whether sitting at hospital bedsides with dying patients, in the waiting rooms with family members helping provide peace and understanding, facilitating a support group, comforting a newly diagnosed or newly bereaved person, leading a memorial service, or simply assisting at an event to support patients and caregivers.

As a single mother of four children, Ms. Gatton pursued a bachelor's degree in social work in 1977, in the hopes that hospice care would one day make its way to the U.S. The National Hospice Organization wasn't even

created until 1978, when it then began to promote the concept of hospice care. Congress passed a provision to create a Medicare hospice benefit in the 1980s, by which time Gatton had earned a master's degree in social work.

Karen Morrison, CEO of Gilda's Club explains, "The number of lives Mary has touched in her career is immeasurable. Everywhere I go in the community, people remember the impact she made for them . . .".

Ms. Gatton is a shining example of the dedication that defines end-of-life care. I offer my congratulations to Ms. Gatton for her well-deserved award and thank her from the bottom of my heart for her loving care of our families and departed loved ones. She is an Angel.
