TRIBUTE TO THE 2022 ELLIS IS-
LAND MEDAL OF HONOR RECIPI-
ENTS

HON. DARIN LAHOOD

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Friday, March 17, 2023

Mr. LAHOOD. Mr. Speaker, I rise today to congratulate the 2022 recipients of the prestigious Ellis Island Medal of Honor. Presented annually, the Ellis Island Medals of Honor pay tribute to our Nation's immigrant heritage, as well as individual achievement. The Medals are awarded to U.S. citizens from diverse ethnic backgrounds who exemplify outstanding qualities in both their personal and professional lives, while continuing to preserve the richness of their particular heritage and culture.

Since the Medals' founding, more than 2,500 American citizens have received the Ellis Island Medal of Honor, including seven American Presidents, numerous United States Senators and Congressmen, two Nobel Laureates, and many athletes, artists, clergy, and military leaders. This Medal is not about material success, nor is it about the politics of immigration; it is about the people who have committed themselves to this Nation, embraced the opportunities America offers, and most importantly, who have used those opportunities to not only better their own lives but make a difference in our country and in the lives of its people.

Citizens of the United States hail from every nation known to man. The iconic metaphor of this Nation as a veritable melting pot of cultures continues to ring true, and it is this diversity that adds to the unique richness of American life. The Ellis Island Medals of Honor not only celebrate select individuals but also the pluralism and democracy that enabled our forebearers to celebrate their cultural identities while still embracing the American way of life. This award serves to remind us all that with hard work and perseverance anyone can still achieve the American dream. In addition, by honoring these remarkable Americans, we honor all who share their origins and we acknowledge the contributions they have made to America. I commend Ellis Island Honors Society and its Board of Directors headed by Chairman Nasser J. Kazeminy, for honoring these truly outstanding individuals for their efforts to promote a sense of common purpose in our nation.

I ask my colleagues to join me in recognizing the good works of the Ellis Island Honors Society and in congratulating all of the 2022 recipients of the Ellis Island Medal of Honor. I include in the RECORD the names of this year's recipients.

IN THE HOUSE OF REPRESENTATIVES

Friday, March 17, 2023

Mr. GALLEGO. Mr. Speaker, I rise today to recognize the life and legacy of the Honorable Jack C. Jackson, Sr., who passed away on March 5, 2023.

Jack C. Jackson, Sr. served as a member of the Arizona Legislature as well as a Navajo Nation Council delegate. Jackson was born in Leupp, Arizona on the Navajo, and went on to become an educator at Window Rock High School and Diné College. Jack strongly believed in the importance of education for Navajo children. Throughout his time in both the Arizona House of Representatives and Senate, he was a tireless supporter of tribal educational institutions and helped establish Arizona Indian Legislative Day, an opportunity for Arizona's 22 tribal governments to make their voices heard. Jack was a strong advocate for the preservation of Diné culture, language, and traditions for future generations of the Navajo Nation.

Jack C. Jackson, Sr. has had a tremendous impact on the Navajo Nation and Arizona. We are all better for having experienced his leadership and wisdom. I extend my deepest condolences to Mr. Jackson's family and join all those who knew him in commemorating his lasting contributions. He tirelessly fought for his community, and his legacy will live on as an inspiration to us all.

CELEBRATING BANGLADESH INDEPENDENCE DAY

HON. HALEY M. STEVENS

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Friday, March 17, 2023

Ms. STEVENS. Mr. Speaker, I rise today to ask my colleagues to join me in celebrating Bangladesh upon its Independence Day. On March 26, 1971, the people of Bangladesh declared their independence from Pakistan, after a long and hard-fought struggle for freedom.

At this time, I would like to join our friends from the community in honoring the brave men and women who fought and sacrificed their lives for the cause of a free and democratic Bangladesh. Additionally, it is a great pleasure to recognize the many contributions of Michigan's 150,000 member Bangladeshi-American community to the state and the many more across the Nation, and to celebrate their rich culture and heritage this March.

Many Bangladeshi-Americans are doctors, engineers, and small business owners, bolstering economic development and job creation in America. Dr. MD Rabbi Alam, a resident of Michigan's 11th District, is the Founder and Chairman of Bangabandhu Commission and is the President of Bangabandhu Parishad USA. The Bangabandhu Commission and Parishad work together closely to strengthen local communities through civic engagement, training and development opportunities. It is my pleasure to acknowledge the wonderful work Dr. Alam and others in the community do to elevate issues affecting Bangladesh and Bangladeshi-Americans.

Over the past five decades, Bangladesh has made significant progress in areas such as education, gender equality, health care, and economic development, and has emerged as a vibrant South Asian Democracy. Bangladesh's economy has grown an average rate of 6 percent over the past year, making it one of the fastest growing economies in the world. The country's GDP has tripled since 2006 and is projected to continue to grow even more in the coming years.

Bangladesh is also one of the most vulnerable countries to climate change, yet their government has implemented various adaptation measures, including cyclone shelters, strengthening river embankments, and promoting climate-resilient agriculture practices. Despite facing numerous challenges, the people of Bangladesh have demonstrated remarkable resilience and determination in building a better future for themselves and their families.

With the significant strides made by Bangladesh in promoting women's rights and empowerment, the country has successfully increased women's participation in politics and implemented policies to address gender-based violence. According to World Health Organization (WHO), the life expectancy of women was just 26 years, at the country's birth in 1971. By the end of year 2020 life expectancy for women is now 72 years. Bangladesh has shown incredible progress for gender equality, and by the beginning of 2023, the Prime Minister, the Speaker of the House, the Deputy Leader of the Parliament, the Education Minister, the Agriculture Secretary of the Bangladesh Awami League, the Foreign Affairs Secretary of the Bangladesh Awami League,

and the Health and Population Secretary of the Bangladesh Awami League are all women. In addition to the women ranking in leadership, there are also seats in parliament that are reserved for women and many more represent seats that are directly elected without quotas. It is clear that Bangladesh has set itself as an example of women empowerment by the Prime Minister Sheikh Hasina and the Bangladesh Awami League, and we are proud to recognize these accomplishments today.

This Independence Day, my colleagues and I are excited to join the Bangabandhu Commission and Bangabandhu Parishad USA in elevating the theme of women empowerment. Dr. Alam and Bangladeshi Americans from around the country will be travelling to Bangladesh to participate in an International Seminar on Women Empowerment, on March 23rd, with Prime Minister Sheikh Hasina joining to celebrate this occasion and the dream of the founding father of the nation, the late Honorable Bangabandhu Sheikh Mujibur Rahman. I thank Dr. Alam and his team for hosting this incredible event and for welcoming participation from members of Congress.

Mr. Speaker, as a nation founded on the principles of freedom and democracy, the United States celebrates the expression of these values by the people of Bangladesh as they continue to work towards a more peaceful, prosperous, and inclusive society. It is our hope that our two nations continue to grow our friendship and support each other in our mutual aspiration for a brighter future. It is an honor to recognize Bangladesh and the Bangladeshi Americans of our Nation. I ask my colleagues to join me in celebrating this Bangladeshi independence and in honoring the rich history and culture of this great nation. Happy Independence Day.
