RECOGNIZING REVEREND DR.
 EMMETT SCOTT ANITON

HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 30, 2023

Mr. BISHOP of Georgia. Mr. Speaker, I rise today to recognize an outstanding mentor, dedicated servant leader, Vietnam War Veteran, faithful servant of God, and dear friend of longstanding, Reverend Dr. Emmett Scott Aniton, Jr. for over four decades of service to his congregation at Friendship Missionary Baptist Church. A celebration of his 44th Anniversary at the Church will be held on April 2, 2023 in Columbus, Georgia.

Rev. Emmett Scott Aniton, Jr. was born on March 8, 1940, in Oneonta, Alabama to the union of Mr. Emmett Scott Aniton, Sr. and Mrs. Estella Aniton Woods. He graduated from Southside High School in Etowah County, Alabama and earned his Bachelor of Theology from Selma University in 1964. Shortly thereafter, Rev. Aniton answered his nation's call to service and entered the United States Army, completing a tour of duty in Qui Nho'n Vietnam. He then returned home to Alabama where he matriculated at Alabama A&M University, earning a Bachelor of Arts degree in Sociology.

After his service in Vietnam and earning his second college degree, Rev. Aniton first answered God's call to preach the Gospel by becoming the Pastor of First Baptist Church in Jacksonville, Alabama. There, he ministered to the needs of his congregation, christening infants, baptizing believers, performing marriages, and consoling bereaved families, all while developing and honing his skills as a church administrator and inspiring preacher.

In November of 1978, Rev. Aniton accepted the call to become the pastor of Friendship Missionary Baptist Church, and he followed the Holy Spirit to Columbus, Georgia. His pastoral duties began in April of 1979 and he has faithfully and dutifully served for over four decades. Under Rev. Aniton's dynamic and spirit-filled leadership, Friendship Missionary Baptist Church has experienced tremendous growth—spiritually, numerically, and in its building facilities.

Rev. Aniton's outstanding servant leadership did not stop at Friendship Missionary Baptist Church; his impact has been felt throughout the greater Columbus community and beyond.

He has served on the boards of the Pastoral Institute, the Liberty Theatre, the Metro Columbus Urban League, and the Fourth Street Towers. He has served as the President of the Mount Calvary Congress of Christian Education and the Muscogee County Clergy Association; instructor for the General Missionary Baptist Convention, Georgia Congress of Christian Education, and the American Baptist Theological Seminary.

Sir Winston Churchill once said, "You make a living by what you get, but you make a life by what you give." Rev. Emmett Scott Aniton has given of himself over forty years of dedicated service to the glory of God and to his faithful congregation.

Rev. Emmett Scott Aniton has received numerous awards, such as the NAACP Religious Affairs Award, the Rainbow PUSH Coalition Lifetime Achievement Award, the Peace, Unity, Honesty, and Leadership Award; and in May of 2021, received an Honorary Doctor of Divinity Degree from St. Thomas Christian College in Jacksonville, Florida.

Reverend Dr. Aniton has achieved so much in his life, but none of it would have been possible without the grace of God and love and support of his late wife, Mrs. Dorothy Rigby Aniton; his children, Minister Rhonda Aniton Bell, Emmett Scott Aniton III, and Keisha Aniton Simmons; his grandchildren and other family members.

On a personal note, I have been blessed by Rev. Aniton's sage counsel and advice over the four decades that I have known him, and I am proud to call him my friend.

Mr. Speaker, I ask my colleagues in the House of Representatives to join my wife, Vivian, and me; along with the more than 765,000 people of Georgia's Second Congressional District, in honoring and commending the Reverend Dr. Emmett Scott Aniton, Jr. for 44 years of dedicated service to Friendship Missionary Baptist Church. Moreover, we pray for God's continued blessings upon him and his family in the weeks, months and years ahead.

HONORING MADELINE PUMARIEGA

HON. MARIO DIAZ-BALART

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 30, 2023

Mr. DIAZ-BALART. Mr. Speaker, in honor of Women's History Month, I rise today to recognize Madeline Pumariega whose lifelong dedication toward serving our students and her community has had a resounding impact on South Florida.

A cherished friend and brilliant leader, Madeline Pumariega may have inherited her passion for academics and service excellence from her mother, a Miami-Dade County Public School teacher. Pumariega's enthusiasm only grew while attending Miami Dade College as a student. She is devoted to ensuring that students have a path toward upward economic mobility through educational opportunities. This commitment led her to serve as President and CEO of Take Stock in Children, a statewide nonprofit focused on breaking the cycle of poverty by helping students complete their high school education and advance into post-secondary education and careers.

Her drive to serve and excel was exemplified in her appointment as the first female His-

panic chancellor of the Florida College System (FCS). In that role, she improved several Florida College System schools, helping them to rise in the rankings of U.S. News & World Report and other national measures. During her tenure, Florida was named No. 1 in higher education by U.S. News. In 2019, she became the executive vice president and provost of Tallahassee Community College, where she dutifully and successfully led the school during the unprecedented challenge of the COVID-19 pandemic.

A true trailblazer in academia, Madeline Pumariega's hard work and dedication has culminated in her current role as the President of Miami-Dade College. Under her leadership, Miami-Dade College has flourished, as Madeline has prioritized working with business partners to identify the skills needed by key industries, while tailoring higher education programs to match those needs. This intentional formation of strategic alliances and job pathways between companies and MDC students actively accelerates each graduate's ability to enter the workforce immediately. Her relentless drive to develop leaders and build thriving communities has contributed to numerous successes for students in South Florida and my district.

Mr. Speaker, as a commendable leader in academia, Madeline has proven her unwavering commitment through the success of each student she encounters. It is a privilege to honor this outstanding individual for her service, dedication, and invaluable contributions to the South Florida community today. We all benefit from the successes of the educators in our communities, and I thank Madeline for her work in advancing the futures of thousands of Floridian students.

RECOGNIZING THE FARMERS MARKET AND FOOD BANK LOCAL REVITALIZATION ACT

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 30, 2023

Ms. KAPTUR. Mr. Speaker, access to affordable, nutritious food is essential to leading a long and healthy life. Every day, more and more Americans are buying food locally at farmers' markets for their daily needs. "Local" matters. Supporting local farmers means local food security, lower prices, and fresh local products for people who reside near them.

As food prices have risen, families and seniors have shouldered a heavier burden when shopping at the grocery store. That is why the Senior Farmer's Market Nutrition Program, and the Women, Infant, and Children Farmers' Market Program are so critical.

For more than 20 years, these programs have connected families and seniors with affordable, locally grown fruits, vegetables, honey, and food produced by neighboring farmers—benefiting everyone in a remarkable partnership.

Recognizing the vital role farmers' markets and roadside stands play in big cities and small towns all across our nation, today I am reintroducing the "Farmers Market and Food Bank Local Revitalization Act" which strengthens and directly brings together local farmers and the people in their communities.

Remember, what America makes and grows, makes and grows America.

HONORING VIETNAM VETERANS DAY

HON. MICHAEL CLOUD

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 30, 2023

Mr. CLOUD. Mr. Speaker, I rise to honor and thank the Vietnam veterans and their families for their service and bravery to defend this country. On Wednesday, we observed Vietnam Veterans Day, a day to pause and remember the sacrifice and heroism of our veterans in one of our country's longest and most difficult conflicts.

We observe National Vietnam Veterans Day on March 29th to pay tribute to the 9 million Americans who served during this era. This year, March 29 is not only National Vietnam Veterans Day, but it is also the 50th anniversary of March 29, 1973, the day the United States Military Assistance Command, Vietnam was disestablished, and the day the last U.S. combat troops departed Vietnam. In addition, on and around this same day Hanoi released the last of its acknowledged prisoners of war.

We are blessed to enjoy the freedom and security in this country today because of the sacrifice and service of veterans like these. As elected representatives, we have no higher duty than to ensure our nation's heroes receive the recognition they have earned and to commemorate the 58,000 soldiers that never made it home.

We cannot express our gratitude enough for all the Americans who served in Vietnam. I ask my colleagues to join me in recognizing the Vietnam veterans not just on this day, but every day. Our nation is forever in their debt.

BULGARIA ADVANCES ENERGY INDEPENDENCE

HON. JOE WILSON

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 30, 2023

Mr. WILSON of South Carolina. Mr. Speaker, I rise to congratulate Elias Gedeon, senior vice president for Westinghouse Energy Systems, for signing a Memorandum of Understanding to commence preparation for the probable deployment of at least one of their AP1000 reactors to Bulgaria's Kozloduy nuclear power plant.

Kozloduy NPP-Newbuild, with chairman Georgy Kirkov, has undertaken the project, implemented March 1st, to build the new reactors at the site, ensure the licensing and structure comply with regulations, while also achieving Bulgaria's nuclear energy goals.

"This cooperative agreement sets us up on a path toward providing both economic and environmental benefits from the Bulgarian people while bolstering the country's energy security," stated David Durham, Energy Systems President for Westinghouse.

As chairman of the Bulgarian Caucus, I appreciate President of Bulgaria Rumen Radev on the significant development made towards reaching the country's nuclear energy goals.

RECOGNIZING PETE REED

HON. ANDY KIM

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 30, 2023

Mr. KIM of New Jersey. Mr. Speaker, I rise along with my colleague, Rep. FRANK PALONE, to honor the life and selfless service of Pete Reed. Pete was a beloved part of the Bordentown, New Jersey community. He was a Marine Corps veteran who was killed in Ukraine last month while volunteering on a humanitarian mission. Pete was in Ukraine providing medical care to injured Ukrainian servicemembers and civilians, putting his own life in danger to try and save others, when he was killed in a missile strike.

Pete dedicated his life to helping people in need. In the Marine Corps, Pete did two tours in Helmand, Afghanistan. Following his service, he joined Team Rubicon to help his neighbors recover from Superstorm Sandy and ended up beginning a new career as a paramedic.

His wife Alex described Pete as always placing others' needs above his own and committing himself and serving to benefit others. Pete was also highly involved in the founding of Global Response Medicine, to provide emergency medical care for "the world's most vulnerable people in the midst of conflict, war, or disaster." That same drive to serve is what took Pete to Ukraine, to help people who were under siege by one man's egotistical quest for warmongering.

Pete was a kind soul who inspired the people around him and brought peace and calm to the people he touched. We were lucky to have Pete as part of our community. His courage and compassion are examples that we all can and should follow in our own lives. Our sympathies are with Alex, Pete's entire family, his friends, and for anyone who knew him and are grieving for his loss. It's clear that he had a profound impact on New Jersey and on the world. Pete will be missed.

HONORING IRVIN LEWIS COIN

HON. GREG STANTON

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 30, 2023

Mr. STANTON. Mr. Speaker, I rise to honor the life and legacy of Irvin Lewis Coin—an educator, philanthropist, and community leader in my home state of Arizona. Irvin was a member of the Hopi Tribe and devoted his life to ensuring that young people, regardless of their background or social status, had the opportunity to pursue higher education. Throughout his 40-year career, he helped change the lives of many and my state, and our nation, is a better place because of him.

Irvin grew up in a one-bedroom house just steps away from the railroad tracks along the historic Route 66 in Winslow. Early in life, he learned to play the trumpet—and he was good at it too. His musical talent helped him earn a scholarship to Arizona State University in Tempe, and he graduated in 1958 with a bachelor's degree in education. Irvin began teaching in public high schools in the Phoenix area, and after earning his master's degree,

he became the first director of ASU TRIO, where he laid the groundwork for ASU's TRIO Programs at the university. Because of his work, thousands of low-income, first-generation college students and students with disabilities have been empowered with the tools to achieve their highest aspirations.

Irvin also served as the president of the Western Association of Educational Opportunity Personnel Board of Directors, where he worked to ensure educational opportunities through the members that represented the TRIO program personnel. He strived to create what he called "an army of leaders whose purpose is to change the world." Today, students and teachers across the nation benefit from Irvin's philanthropy—and his visionary leadership has created intergenerational prosperity and opportunity for families in Arizona.

Arizona owes a debt of gratitude to Irvin, who we lost at the age of 82 on February 24. His commitment to making a difference in the lives of others will be felt for generations to come. In this spirit of gratitude and remembrance, I rise today to honor the life and legacy of Irvin Lewis Coin.

HONORING THE LIFE OF CHARLIE DOWD

HON. RYAN K. ZINKE

OF MONTANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 30, 2023

Mr. ZINKE. Mr. Speaker, Montana and Americans everywhere lost a great patriot, warrior, and servant with the passing of Mr. Charles A. "Charlie" Dowd, radioman, U.S. Navy.

Born in Rochester, NY, and later calling Montana home, Charlie was the son of a World War I veteran and enlisted in the Navy while he was in high school. At age 17 he received his orders and was assigned to duty at Pearl Harbor. On the evening of December 6, 1941, Dowd reported for duty at 2330. He worked through the night before returning to his barracks at daybreak.

Dowd awoke to America under attack. In just his T-shirt and boxer shorts he grabbed his rifle and brass and took position on the roof. He fired so many rounds at attacking Japanese combatants that his rifle barrel burned like his anger. As Dowd recalled some years later, "I didn't have any fear at the time," he said. "We were angry." It was that courage and anger and love of country that eventually led us to victory in the Pacific and Europe.

There were 2,403 service members and civilians who died that day, and 14 of them were from Montana. As one of the few survivors on the attack at Pearl Harbor, he continued his military service on vessels in the Pacific Theater in the Solomon Islands and New Guinea until the end of the war and was discharged in 1945.

For his military service, he was awarded multiple Bronze Stars and several other commendations.

I had the honor of visiting Dowd over the years. Listening to his stories and the stories of the men he served with are humbling and moving. More than 70 years later at 99 years old, he could still tap to the messages he sent as a radioman in Morse code on the table we visited on in Anaconda.
