

A longtime resident of Sleepy Hollow, Mr. Gibson is a proud graduate of the University of San Francisco School of Law and has worked as an attorney since 1971. In this capacity, he has spent countless hours sharing his professional expertise with his community, providing pro bona legal services to several local nonprofit organizations and serving on their boards of directors. He owns his own practice in Marin County, where he specializes in business, estate planning, and real estate law. In 1994, Mr. Gibson was elected to serve as a Marin Municipal Water District director.

Throughout his tenure on Marin Water, Director Gibson distinguished himself as a stalwart advocate for the communities of Marin Water Division I, including Gallinas Valley, Sleepy Hollow, Marinwood, and the coast north of McNears Beach to John F. Mcinnis Park. He worked productively on many district committees, including Watershed, Finance, Communications & Water Efficiency, and others. He was known for his open-minded approach toward problem solving and never shying away from developing and considering innovative solutions.

In addition to his service as a director, Mr. Gibson developed a renowned legacy for building alliances with other resource agencies and government partners. During his extensive tenure on the Marin Water Board of Directors, he was a key advocate for cooperative efforts and coordination between water managers and staff in the North Bay. Toward this end, he faithfully represented Marin Municipal Water District on multiple regional committees, including the North Bay Watershed Association, the North Bay Water Reuse Authority, the Mayors and City Councils of Marin Group, the Sonoma County Water Association Contractor's Water Advisory Committee, the Community Choice Aggregation, and OneTam.

Mr. Gibson is both a teacher and student of history. Prior to his law and water district careers, he taught history in San Francisco. Later, drawing on his extensive knowledge and research skills, he went on to author Mount Tamalpais and the Marin Municipal Water District, a comprehensive history of Mount Tamalpais and its adjacent watersheds, and of the water district formed to preserve natural sites and resources for community use.

Mr. Speaker, Mr. Gibson exemplifies what it means to be a community-minded public servant and environmental steward. His dedicated service to the Marin Water and to the people of Division I has played a significant role in resource conservation and land management in Marin County. Therefore, please join us in congratulating him for decades of inspiring work.

RECOGNIZING ESTHER GEORGE'S  
RETIREMENT FROM THE FEDERAL  
RESERVE BANK OF KANSAS  
CITY

**HON. EMANUEL CLEAVER**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Thursday, January 26, 2023*

Mr. CLEAVER. Mr. Speaker, it is with a profound sense of gratitude that I rise today to celebrate the decades-long career of Esther George, who has served as the President and

CEO of the Federal Reserve Bank of Kansas City since October 2011. Having made the Federal Reserve Bank her professional home since 1982, Esther has dedicated 40 years to helping ensure the financial well-being of the United States. With her retirement nearing, let us take a moment to reflect on Esther's illustrious career and her efforts to steer our country's economy through periods of historic uncertainty.

Born on January 15, 1958, in Faucett, Missouri—a rural farming community in the northwestern part of the state—Esther remembers getting paid 25 cents an hour while working on her family's plot of land. After learning about an opportunity for high school students to study abroad in France, Esther secured a loan from a bank in St. Joseph, Missouri to cover the costs of the foreign exchange program. Representing her first meaningful visit to a local bank, this experience sparked Esther's lifelong interest in banking, and she soon began working at the institution while still in high school. While earning her degree in Business Administration from Missouri Western State University, Esther continued to work at the bank that had helped facilitate her trip to France, thereby expanding her knowledge of community banking while gaining an even deeper appreciation for the ways in which well-run banks can empower everyday people. Making use of another bank loan, Esther returned to Europe during her college years to study the finer points of international banking.

Made aware of job openings at the Federal Reserve Bank of Kansas City through a newspaper ad, Esther joined the Bank on April 5, 1982, as a bank examiner trainee. At the time of her hiring, the banking industry was going through a period of relative stability. This smooth sailing, however, gave way to rough and stormy seas when the failure of a bank in Oklahoma City initiated a financial crisis whose waves of volatility crashed most violently against the Federal Reserve's 10th District, where Esther had begun working just 3 months earlier. This baptism by fire made clear the importance of the Federal Reserve's role in safeguarding America's financial system, and Esther quickly began rising up the ranks. Promoted 3 times by 1984, the young banker worked tirelessly to lessen the impacts of this financial storm.

Esther went on to earn an MBA from the University of Missouri-Kansas City in addition to graduating from the American Bankers Association Stonier Graduate School of Banking and the Stanford Graduate School of Business. Esther held leading positions within the Bank's research, public affairs, and human resources departments before taking the reins of the Bank's Division of Supervision and Risk Management in August 2001, making her the chief regulator of the Federal Reserve's 10th District. In this role, Esther oversaw the regulation of the District's 200 state-chartered member banks along with 1000 bank and financial holding companies. Following the terrorist attacks on September 11, 2001, Esther's responsibilities took on even greater significance as our country's financial system was made to appear vulnerable. Once again, Esther rose to the occasion and did her part in minimizing the harm inflicted to America's economy.

In 2009, Esther became the Bank's Chief Operating Officer and assumed additional duties as the Director of the Federal Reserve's

Division of Banking Supervision and Regulation at the Board of Governors in Washington, D.C. With the United States in the grips of the Great Recession, Esther answered the call to offer her wisdom and expertise to a weary nation. And in 2011, Esther was appointed President of the Federal Reserve Bank of Kansas City. In this position, Esther has overseen the 10th District of the Federal Reserve, which includes western Missouri, Kansas, Nebraska, Oklahoma, Colorado, Wyoming, and northern New Mexico. Leading a team of over 2000 employees at the Bank's Kansas City office and Branch offices in Denver, Oklahoma City, and Omaha, Esther has helped shape our country's monetary policy, supervised financial institutions, and provided payment and financial services to depository institutions and the U.S. Treasury. Notably, the 10th District's workforce has more than doubled since Esther took command in 2011—a testament to her vision and leadership capabilities. Moreover, as a voting member of the Federal Open Market Committee, Esther has consistently stood out as an independent voice of reason during monetary policy deliberations.

Esther has participated in the Bank for International Settlements' Financial Stability Institute programs in countries all around the world, and as the host of the Federal Reserve Bank of Kansas City's annual Jackson Hole Economic Symposium, Esther has used her influence to ensure that women are afforded equal opportunities to offer their insights on pressing economic matters.

Mr. Speaker, please join me in applauding Esther George in recognition of 40 years of public service at the Federal Reserve Bank of Kansas City. On behalf of the 118th Congress, I wish Esther a joyous retirement.

RECOGNIZING CAROL BUSH

**HON. MIKE GALLAGHER**

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Thursday, January 26, 2023*

Mr. GALLAGHER. Mr. Speaker, today I rise to recognize the life and legacy of a remarkable woman, Mrs. Carol Bush. Carol was born in 1926 in Milwaukee, and her family moved to the Green Bay area in 1942. Carol began her notable legacy of volunteerism while she attended East Green Bay High School, where she would read to other local school students. Following her graduation from Beloit College and after years as an instructor at Wayland Academy, Carol married the love of her life, Robert Bush. While Carol and Robert dedicated numerous hours to making Northeast Wisconsin a great place to raise a family, they raised a family of their own welcoming Tracy, Terry, Thomas, and Toni into the world.

Given Carol's eagerness to help others throughout her community, she utilized her strengths in leadership and communication skills and became the first female president of Curative Workshop and the first woman to serve on the YMCA Board of Directors. Throughout her decades of service, Carol led and was involved with several initiatives that supported individuals and families in Northeast Wisconsin. Among the many notable organizations, Carol was an active member of the St. Norbert Board of Trustees, a member of the Heritage Hill Foundation, and founder of the

Unity Hospice Development Council. I commend Carol for her decades of service and commitment to bettering the world around her with her infectious smile and care for others.

While Carol's efforts included hours of hard work and commitment, she always found time to make a personal connection with everyone she met. Specifically, Carol and her family became season ticket holders for the UW Green Bay Women's Basketball Team. As a committed fan and patron, the team dedicated the women's court as "Carol's Court." It is quite evident through these many initiatives that Carol truly was committed to serving those in her community. Given her tireless efforts, Carol received many notable accolades along the way including the United Way DeTocqueville Award, Saint Norbert College President's Medal, U-W Green Bay Chancellor's Award, the Key to the City of Green Bay and the Seal of the City of Green Bay, just to name a few.

Carol's dedication to our community, to making Northeast Wisconsin the best place to work, play, live and raise a family will truly be missed. However, her legacy and the difference she made in our community will live on for generations to come.

Mr. Speaker, today I rise to thank Carol Bush for her years of service and extraordinary dedication to the people of Northeast Wisconsin. My sincere thoughts and prayers go out to Carol's family during this time and to all of the lives she touched along the way.

REMEMBERING MAYOR DICK  
CHURCH OF MIAMISBURG, OHIO

**HON. MICHAEL R. TURNER**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Thursday, January 26, 2023*

Mr. TURNER. Mr. Speaker, I rise to honor the life and legacy of my dear friend, Dick Church Jr., who passed away last month at the age of 81. Dick was a dedicated public servant who served for 28 years as Mayor of the City of Miamisburg, Ohio.

Dick Church spent most of his adult life serving the people of Ohio's "Star City." He was a member of the commission that wrote the city's charter in the 1960s, and served for 13 years on the Miamisburg Parks and Recreation Board. He was elected Mayor in 1991 after serving a single term on the city council. No one loved Miamisburg more, or worked so passionately to make "great things happen" for the city and the people who live there than Dick Church.

During his time as mayor, Dick Church provided the community with solid leadership, and enabled the city to prosper and grow in both size and population. His successful management of the cleanup of the Mound Laboratory facility in Miamisburg, and its redevelopment into a world-class business park was among his most important achievements.

Dick Church was a close friend and mentor to me during my 8 years as Mayor of the City of Dayton. We shared similar ideas about urban revitalization and redevelopment, and I benefited from his wisdom and experience. Dick worked tirelessly to make the City of Miamisburg a better place to live, work, and raise a family. He retired in 2019 as the longest-serving Mayor in Miamisburg's 205-year history.

Dick Church will be dearly missed by all of us who had the pleasure of knowing him. My prayers are with his wife Judi, his family, his many friends, and the community he served.

NATIONAL CELEBRATION OF PRO  
BONO

**HON. MARY GAY SCANLON**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, January 26, 2023*

Ms. SCANLON. Mr. Speaker, pro bono work is a professional responsibility and an ethical commitment expected and often required of all lawyers. Every October since 2009, legal organizations nationwide have participated in the American Bar Association (ABA) Standing Committee on Pro Bono and Public Service's National Celebration of Pro Bono to recognize the increasing need for pro bono services during harsh economic times and the unprecedented voluntary response of attorneys to meet this demand. Legal services and pro bono programs across the country have held over 12,000 events in the 13 years since the National Celebration began.

A justice gap has long existed in this country between those who can afford to hire a lawyer to help them with their civil legal needs and those who cannot. To help reduce this gap, in 2016, the Committee launched ABA FreeLegalAnswers.org—the first and only online national pro bono legal advice portal—providing modest-means individuals with access to quality legal advice from pro bono attorneys licensed in their state. This access is often the only resource available to those unable to use traditional legal aid due to income, geographic or physical limitations have. Typically offering brief advice and information online in areas such as family law, housing, and consumer rights, Free Legal Answers' pro bono attorneys are able to respond quickly to questions and prevent larger legal crises from developing. ABA Free Legal Answers providers also respond to questions arising from disasters, including hurricanes, wildfires and the COVID pandemic, and help eligible individuals with an internet connection or mobile phone, including disaster survivors, veterans, and other vulnerable populations.

Since its launch, over 11,000 pro bono attorneys have registered to respond to the nearly 250,000 civil legal questions that have been posted on ABA Free Legal Answers from over 40 states. While this milestone is a sobering testament of the overwhelming need for pro bono legal services, I hereby applaud the tremendous impact made by ABA Free Legal Answers' pro bono attorneys and ask all licensed attorneys to register as volunteers with ABA FreeLegalAnswers.org during our ongoing celebration of critical pro bono services.

PERSONAL EXPLANATION

**HON. PETE AGUILAR**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, January 26, 2023*

Mr. AGUILAR. Mr. Speaker, I wasn't present for Roll Call No. 345 on agreeing to the amendment introduced by Rep. JOE NEGUSE on H.R. 7900.

Had I been present, I would have voted YEA on Roll Call No. 345 on H.R. 7900.

CELEBRATING THE WORK OF MR.  
BRADY GLEN WHITE

**HON. AARON BEAN**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, January 26, 2023*

Mr. BEAN of Florida. Mr. Speaker, I rise today to celebrate the work of Mr. Brady Glen White, a senior at Fleming Island High School and one of two high school students selected for the United States Senate Youth Program representing State of Florida.

Every year, two students from each state are selected to be part of the national student delegation that travel to Washington, D.C. to attend meetings and briefings to better understand our exemplary system of government. Additionally, those selected will receive a \$10,000 undergraduate college scholarship provided by The Hearst Foundations.

To be eligible, students must rank in the top one percent of all juniors and seniors in their states while displaying remarkable leadership and commitment to volunteer work. Students are nominated by teachers and principals, and all nominations are confirmed by the chief state school officer for each jurisdiction.

A Clay County native and member of Florida's Fourth Congressional District, Brady has proven to not only excel as student, but he has emerged as a servant leader in his community. While ranking in the top one percent of all high school juniors and seniors in Florida, Brady serves as the elected chairman of the Clay County Superintendent's Advisory Council.

In addition, he is the only student on the board of the Clay Education Foundation nonprofit. Upon graduating Fleming Island High School, Brady plans to pursue both a study in political science and a law degree. Furthermore, he hopes to join the Armed Services as a JAG officer.

Mr. Speaker, I ask that my colleagues in Congress join me in celebrating and congratulating the work of Brady Glen White, a true leader with an incredibly bright future.

INTRODUCTION OF THE NORTHERN  
MARIANA ISLANDS LEGAL RESI-  
DENTS RELIEF ACT

**HON. GREGORIO KILILI CAMACHO  
SABLAN**

OF THE NORTHERN MARIANA ISLANDS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, January 26, 2023*

Mr. SABLAN. Mr. Speaker, today, I am introducing the Northern Mariana Islands Population Stabilization Act. The bill is intended to bolster our nation's strategic interests in the Western Pacific by maintaining the population and prosperity of the Marianas, the district I represent.

The Marianas is part of the chain of U.S. and U.S.-affiliated islands that faces Chinese expansion in the region. Through the Marianas, the U.S. controls an ocean area of 289,000 square miles, greater than the size of Texas.
