

He previously served his country in the U.S. Air Force from 1982 to 2004, as an active-duty enlisted Public Affairs Specialist for the U.S. Northern Command/NORAD and the Uniformed Services University. The productive and collaborative relationships he has fostered between the USAFA Directorate of Admissions and congressional offices across the nation will be greatly missed. I have no doubt Mr. Carpenter will leave USAFA in good hands. His accomplishments attest to his integrity, quality of character and his dedication to the institution and country which he has served with such honor.

It has been the privilege of my staff to work with him and his office throughout the years on behalf of potential Air Force Academy candidates from Texas. As he moves on to new challenges, Mr. Carpenter has had a tremendous and positive impact on the futures of thousands of students and military leaders.

On behalf of myself and my colleagues in the U.S. House of Representatives, I extend my warmest regards to Gary Carpenter on a job well done and wish him all the very best in the future. He has our thanks and gratitude.

#### SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate of February 4, 1977, calls for establishment of a system for a computerized schedule of all meetings and hearings of Senate committees, subcommittees, joint committees, and committees of conference. As an additional procedure along with the computerization of this information, the Office of the Senate Daily Digest will prepare this information for printing in the Extensions of Remarks section of the CONGRESSIONAL RECORD on Monday and Wednesday of each week.
