

EXTENSIONS OF REMARKS

HONORING THE LIFE AND LEGACY OF KEENAN DARRELL ANDERSON

HON. SYDNEY KAMLAGER-DOVE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 7, 2023

Ms. KAMLAGER-DOVE. Mr. Speaker, I rise to recognize the life of Keenan Darnell Anderson. Mr. Anderson was a father, a life partner to his fiancée, a teacher, and a proud Angeleno. Mr. Anderson was taken from us earlier this year by the brutality and violence of the LAPD. Today, we stand here to honor Mr. Anderson's life, legacy, and contributions to his family and his city.

Mr. Anderson grew up in Los Angeles and from a young age, demonstrated his commitment to his family across Southern California. He was known as the "life of the party," always livening up family cookouts and picnics. Mr. Anderson was a linchpin of his close-knit family. From the time that he was young, Mr. Anderson knew he wanted to dedicate his life to helping others. In college, he focused this dedication on a career in law enforcement, double majoring in criminal justice and sociology. Later, he translated this desire to do good for the world into educating, earning a graduate degree in education.

Mr. Anderson's passion for teaching led him to dedicate his career to educating his community's youth. As a teacher, he taught English to juniors and seniors in high school and even chaired the English department. Mr. Anderson was also invested in the creativity of his students, teaching drama classes that served as an introduction to the arts to many Angeleno youth. He was also a charismatic member of his church where he led family game nights and injected his infectious energy and enthusiasm.

At the time of his untimely death, Mr. Anderson had just moved to Washington, D.C. to teach at Digital Pioneers Academy. Washington D.C. will forever miss out on the contributions, energy, and inspiration he could have brought to the young people here.

Washington, D.C. students are not the only ones who will forever miss Mr. Anderson. He is survived by his fiancée, Domonique, to whom he was deeply devoted, and his 5 year-old son, Syncere. Mr. Anderson doted on his son, proud to be a father and proud to have his son by his side. Mr. Anderson's wrongful murder robbed Syncere of years with his father. Today, February 7, 2023, Domonique will join me as my guest at the State of the Union, where we will continue to highlight the unjust and tragic death of this doting and dedicated father, partner, friend, educator, and member of my community.

Today, we should be celebrating Mr. Anderson's great achievements as a father and a teacher, and the strength and resilience he imbued in his communities. Instead, we must confront the tragedy of his murder at the hands of the LAPD.

Mr. Speaker, this commemoration of the life of Keenan Anderson, a life gone too soon,

adds yet another name to America's tainted legacy of violence against the Black community at the hands of individuals charged with protecting and serving. I honor the memory of Mr. Anderson and further commit to working to eliminate the inhumane violence and brutality that took him from us too soon.

RECOGNIZING BOB AND TERRY WIDMER

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 7, 2023

Mr. BURGESS. Mr. Speaker, I rise today to honor Bob and Terry Widmer for receiving the honor of the Dr. Bettye Myers Humanitarian Award. Terry has spent her life in North Texas. She grew up in Denton and has a nursing career that spans 20 years. In 2014, Terry oversaw the housing component of the Denton County Behavioral Health Leadership Team. Two years later, Terry became the charter appointee for the Denton County Homelessness Leadership Team. She has been a long-time advocate for the homeless community in North Texas and has made a profound impact on improving the livelihoods of those citizens that have been affected. Both she and her husband, Bob, have been active members of the Denton Community for decades and they helped form vital nonprofits in Denton County such as The Daily Bread, which serves food to individuals in need. They have served on numerous boards of nonprofits. Bob is a board-certified tax attorney and currently serves as a professor at the University of North Texas. In 2016, he started the North Texas Low Income Taxpayer Clinic. This clinic allowed local graduate students to assist lower-income members of the community with specialized and qualified tax assistance. This provided a wonderful opportunity to members of the community and helped graduate students gain experience before applying to bigger employers. Bob has not only been a valuable part of educating the younger generation in North Texas, but he has been involved in serving local Veterans. Terry referred Veteran clients to Bob's clinic from the Veteran Community Navigator pilot program. When Bob learned from Terry that clients of the VCN program were working in crowded, unsuitable offices, he contacted the U.S. Department of Veterans Affairs and mobilized a community effort with donations and volunteers to renovate office space into what is now known as the Denton County Veteran Center. This center provides critical and quality care to all Veterans who are in need. These actions are remarkable, yet Bob did not stop there. He went on to mobilize the community to help the United Way of Denton County create the Veterans Mental Health Annex, which expands access to mental health services for veterans.

These incredible actions have not gone unnoticed. In November of 2022, they were recognized by the Board Members of the United Way of Denton for their efforts and impact on helping those affected by homelessness and mental health challenges in their community, especially veterans. The Widmer's have invested their time and talent into serving their community, I am honored to recognize Bob and Terry's achievements today and I am humbled to share a home in North Texas with this couple of such high character. Bob and Terry's family, their community, their state, and their nation are made better by their selfless contributions and dedication to others. I thank Bob and Terry Widmer for their excellent work, and also thank the United Way of Denton County Board of Directors for recognizing them with the Dr. Bettye Myers Humanitarian Award of 2023.

RECOGNIZING THE 125TH ANNIVERSARY OF SOUTHERN PREPARATORY ACADEMY

HON. MIKE ROGERS

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 7, 2023

Mr. ROGERS of Alabama. Mr. Speaker, I rise today to recognize the 125th anniversary of Southern Preparatory Academy.

The academy was founded by Dr. Lyman Ward in 1898 as a non-profit, non-denominational, coeducational institution for rural youth. Its initial purpose was to provide a secondary education for those who wanted to learn and to work hard.

In 1901, a charter was granted by the State of Alabama and the school was incorporated with the name "The Southern Industrial Institute, Inc." After Dr. Ward passed away, the military department was added and the school became "Lyman Ward Military Academy" in 1948. The school became an all-boys military school.

Today, much of the original philosophy remains, but precedence is given to the development of Christian ideals. The high standards set have helped students gain acceptance into outstanding universities across the country.

In 2019, the school was rebranded to Southern Preparatory Academy—a name that represents the values, but brings the Academy into the 21st century.

Mr. Speaker, please join me in recognizing this milestone for Southern Preparatory Academy and wishing them a happy 125th anniversary.

PERSONAL EXPLANATION

HON. EARL L. "BUDDY" CARTER

HONORING THE LIFE AND LEGACY
OF EDWARD PANGELINAN

**HON. GREGORIO KILILI CAMACHO
SABLAN**

OF THE NORTHERN MARIANA ISLANDS
IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 7, 2023

Mr. SABLAN. Mr. Speaker, today I rise to honor the life and legacy of the Honorable Edward De Leon Guerrero Pangelinan, a founding father of the Commonwealth of the Northern Mariana Islands, who passed away on February 3.

Mr. Pangelinan was the very first Chamorro from the Northern Marianas to graduate from law school and, so, became the natural leader of our islands in seeking to end the post-World War II United Nations Trusteeship and to become part of the United States. As Chairman of the Marianas Political Status Commission, Mr. Pangelinan with his fellow Commissioners successfully negotiated the Covenant to Establish a Commonwealth of the Northern Mariana Islands in Political Union with the United States of America, which was approved by plebiscite in 1975 and codified in federal law the following year.

His work as reflected in the Covenant agreement then led to United States citizenship for the people of the Marianas during the Administration of President Ronald Reagan and, ultimately, to their representation here in the United States Congress.

Edward Pangelinan's work on behalf of the Marianas did not end with the Covenant. In 1978, he was elected to be our first Resident Representative to the United States, a position that advocated for and foreshadowed representation in Congress. In 1985, President Ronald Reagan appointed Mr. Pangelinan to the Northern Mariana Islands Commission on Federal Laws, where he helped identify areas of the law that should be amended in light of the inclusion of the Marianas into the United States. Later he served as legal counsel and special advisor to Resident Representative Juan N. Babauta and then as advisor to Resident Representative Pete A. Tenorio before retiring from public service in 2009.

Throughout his life, Edward Pangelinan worked tirelessly to bring respect and equity to the indigenous Chamorro and Carolinian communities of the Marianas. In addition to the successes he achieved for his people, Mr. Pangelinan will also be remembered for his unfalteringly optimistic approach to public service. No matter how long the days, or difficult the fights, Mr. Pangelinan by his example will always remind us that change—slow or even impossible though it may seem—can and will happen through perseverance.

Few people use their lives to make as enduring and beneficial an impact on the lives of others as did the Honorable Edward De Leon Guerrero Pangelinan. Please join me in recognizing Mr. Pangelinan's outstanding contributions to the people of the Northern Mariana Islands as we honor his memory.

HONORING THE LIFE OF HARRY BOSWORTH

HON. JARED HUFFMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 7, 2023

Mr. HUFFMAN. Mr. Speaker, I rise today to honor Harry Bosworth in celebration of his extraordinary life and longstanding community involvement.

Born in Geyserville, California in 1938, Mr. Bosworth graduated from Geyserville High School in 1956. He enlisted in the United States Army and was trained in electronics. Following his service in the Army, Mr. Bosworth moved back to Geyserville, married his wife, Karen Bosworth, and opened a hardware store.

When his father passed away in the 1980s, Mr. Bosworth merged his hardware store with his parents' historic Bosworth and Son store, which was opened in 1911. Over the years, the store served many purposes and has become a local institution. Currently it provides hats, apparel and gifts, and appropriately, it houses the Geyserville Historical Society Museum.

Like the store and his family, Harry Bosworth became a fixture in the community, and Sonoma County has benefited greatly from his extensive community involvement. Mr. Bosworth, in fact, was often referred to as the "unofficial mayor" of Geyserville. He served on the Geyserville School Board, the Geyserville Chamber of Commerce, the Kiwanis Club, the Odd Fellows, the Geyserville Community Foundation, the Geyserville Historical Society, and the board of the Geyserville Fire Protection District (now the Northern Sonoma County Fire Protection District).

Mr. Bosworth also served as President of Friends of Lake Sonoma from 2013 through 2015, where his extensive community relationships and passion for local advocacy were instrumental in the completion of an on-site fish weir. He is known locally by his friends and peers for his endless energy and passion for the community. He is survived by his wife, Karen, brother, Charles Beers, his 2 daughters, Rachel and Gretchen, and granddaughters.

Mr. Speaker, Mr. Bosworth's enduring and positive impact throughout Sonoma County and decades of public service are worthy of commendation. Therefore, it is fitting and proper that we honor his legacy and express our deep condolences to his family and friends on his passing.

RECOGNIZING 115 YEARS OF THE
TIMES LEADER

HON. MATT CARTWRIGHT

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 7, 2023

Mr. CARTWRIGHT. Mr. Speaker, today I honor The Times Leader, a 7 day newspaper covering Northeastern Pennsylvania, on its 115th anniversary. The flagship of the Times Leader Media group, it is a collection of print and digital mediums covering the Scranton/Wilkes-Barre metropolitan area.

In 1907, Fred C. Kirkendall of The Wilkes-Barre Times and Colonel Ernest G. Smith of The Times Leader combined their newspapers. This new paper operated as The Times Leader until a major strike in 1939 forced the paper to merge with the Wilkes-Barre Record and Evening News. Together, these 3 papers formed The Wilkes-Barre Publishing Company. Col. Smith, John A. Hourigan, Dr. Frederick Johnson and Harrison Smith all contributed to running the successful news company, producing 2 highly read, competing papers: the morning-circulated Wilkes-Barre Record and The Times Leader Evening News.

In 1972, as the region was recovering from the effects of the Agnes Flood, the newspapers faced yet another merger, forming a new publication under the name The Wilkes-Barre Times Leader/The Evening News/Wilkes-Barre Record. This long and cumbersome name only lasted until 1978 when Capital Cities Corporation purchased the paper, and once again, it was to be called The Times Leader.

The late 20th century saw significant growth and changes for The Times Leader. In 1987, they began circulating a highly successful Sunday edition, and in 1989, they acquired Greater Pittston's Sunday Dispatch. In 1997, the paper purchased a state-of-the-art printing press that offered the latest printing technologies. By the end of 2000, the Times Leader had also acquired The Dallas Post and The Abington Journal.

Today, The Times Leader, under the direction of publisher Kerry Miscavage and executive editor Joe Soprano, continues to uphold its impressive reputation as an award-winning source of local and regional news. Offering essential news coverage and thoughtful, incisive reporting, the paper has a robust and loyal readership in the region. I wish the entire team at The Times Leader all the best as they celebrate 115 years of outstanding journalism.

CELEBRATING GEORGE
HEKOWCZYK'S 100TH BIRTHDAY

HON. KEN BUCK

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 7, 2023

Mr. BUCK. Mr. Speaker, I rise today in honor of heroic American veteran, George Hekowczyk. On February 18th, Mr. Hekowczyk will turn 100 years old. It is my distinct privilege to wish him a happy 100th birthday, especially because it is rare that I find someone older than myself.

Mr. Hekowczyk served in the United States Navy as a Boatswain's Mate Second Class from 1942 through 1946. During his tenure, he served as a deep-sea diver. Mr. Hekowczyk would regularly disable torpedoes on the ocean floor that had failed to detonate. Mr. Hekowczyk's courageous service warrants tremendous praise and recognition; the entire Nation is indebted to him and his generation's commitment to freedom over tyranny.

Our Nation's men and women in uniform are America's greatest assets, and Mr. Hekowczyk's value to this Nation is priceless. That's why, Mr. Speaker, it is my distinct privilege as the United States Representative of the 4th District of Colorado to recognize the
