**CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO TRANSNATIONAL CRIMINAL ORGANIZATIONS—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 118-56)**

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs and ordered to be printed:

*To the Congress of the United States:*

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to significant transnational criminal organizations that was declared in Executive Order 13581 of July 24, 2011, under which additional steps were taken in Executive Order 13863 of March 15, 2019, is to continue in effect beyond July 24, 2023.

The activities of significant transnational criminal organizations have reached such scope and gravity that they threaten the stability of international political and economic systems. Such organizations are becoming increasingly sophisticated and dangerous to the United States; they are increasingly entrenched in the operations of foreign governments and the international financial system, thereby weakening democratic institutions, degrading the rule of law, and undermining economic markets. These organizations facilitate and aggravate violent civil conflicts and increasingly facilitate the activities of other dangerous persons.

Significant transnational criminal organizations continue to pose an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. Therefore, I have determined that it is necessary to continue the national emergency with respect to significant transnational criminal organizations declared in Executive Order 13581.

JOSEPH R. BIDEN, Jr.,  
THE WHITE HOUSE, July 19, 2023.
