

field to stop a running back from crossing the 1-yard line.

The second thing is, when the Governor has talked about stopping every truck like he is doing, what he is doing is—he said he is inspecting every truck. I used to do the budget for the DPS. The only thing they can do is check license plates, driver's licenses, or the brakes and windshield wipers. They can't even open the trucks.

What they are doing is, in Eagle Pass, in El Paso, and other places, they are stopping millions and hundreds of millions of dollars of trade itself. Again, we want to work with the States, but you just can't go solo on this.

Again, when you say lawlessness at the border, I would say in the State of Texas, if you look at the most dangerous cities that we have, none of them are on the border. I am not going to name any of my Texas cities, but they are the big urban areas, per 100,000, where murder, rape, and assault are a lot higher than at the border. Again, the border is safe when we talk about crime.

On the issue of migration, I am with you. We need to have repercussions, but we need to put money outside the 1-yard line and put it on the 20-yard line and work with other countries.

In fact, when you look at 2015, when President Obama had the numbers go down, it was because Mexico was stopping people. In 2019, when President Trump was taking credit for stopping the numbers and having the lowest crossings, do you know why? Because we got Mexico to do its job on the southern border.

Again, we can either play defense on the 1-yard line or we can play defense on the 20-yard line, and we have to look at this and how we address it.

If you want to talk about crime, look at the big urban cities. Do we want to make sure we secure the border? I am with you. We have to have repercussions. We have to make sure that we play defense outside the 1-yard line, but we can't have a State go solo.

They want to work with us? My brother was a DPS officer for 27 years. I want to make sure that they work with us hand in hand, and Stonegarden does that where we provide money to the cities, counties, and States.

We are on the same page. We are just looking at this in a very different way.

My good friend from my State of Texas, I am with him. I just oppose this particular amendment.

Mr. Chair, I yield back the balance of my time.

Mr. ARRINGTON. Mr. Chair, may I inquire as to how much time is remaining.

The Acting CHAIR. The gentleman from Texas has 15 seconds remaining.

Mr. ARRINGTON. Mr. Chair, I love HENRY CUELLAR, and I couldn't disagree more. More is said than done in this town. Ain't nothing getting done on the border.

Texas, do your job. The Constitution is behind you, and so am I. God bless, and go, West Texas.

I yield back the balance of my time.

The Acting CHAIR. The question is on the amendment offered by the gentleman from Texas (Mr. ARRINGTON).

The amendment was agreed to.

Mr. JOYCE of Ohio. Mr. Chair, I move that the Committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. DESJARLAIS) having assumed the chair, Mr. MURPHY, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 4367), making appropriations for the Department of Homeland Security for the fiscal year ending September 30, 2024, and for other purposes, had come to no resolution thereon.
