The SPEAKER pro tempore. The Clerk will notify the Senate of the change in conferees.

—————
 RECOGNIZING DAL CANNADY

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today to recognize Dal Cannady as he steps away from the WTOC news network for a new role as communications director for Bulloch County.

Mr. Cannady worked 27 years at WTOC, providing fair and accurate coverage as WTOC's bureau chief. During his time at WTOC, he covered very important stories, such as Fort Stewart/Hinesville helping fight the war on terror, the tomato patch murder in Long County, the Santa Claus mini-mart murder in Toombs County, and many other stories.

His work at WTOC was defined by compassion, intelligence, and kindness.

WTOC labeled him as the person who knew things before everyone else, the person who knows who to call, and the person who knew how to ask tough questions respectfully.

I know WTOC and their viewers will miss Dal's expertise, but we are thrilled to see him move on to a new role in the Bulloch community.

—————
 IMPENDING GOVERNMENT SHUTDOWN

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise today to discuss the impending government shutdown.

Since 1980, there have been at least 14 times when the government was shut down. All of them were initiated by the Republicans. The last major one in 2018 cost our country \$3 billion in lost economic activity.

Now, Speaker MCCARTHY has the country on a collision course with another one. Even the Senate Republicans have a bipartisan bill to help prevent a shutdown, but Speaker MCCARTHY will not even consider it.

This shutdown will stop paychecks for millions of Americans. It will stop law enforcement from preventing fentanyl from entering our communities, and it will make our borders weaker.

I do not know what the Republicans think that they will win with a government shutdown, but I do know that it is American people who will lose, and voters will remember this action in the future.
