

Ms. SLOTKIN. Mr. Speaker, today I rise with others from the Michigan delegation and onward to recognize Samantha Woll, a former member of my staff, a member of the House of Representatives' staff, and a passionate advocate who was taken from us on October 21, 2023.

It is important to me, as I know it is to my colleagues who knew her directly, that we honor the way Sam lived.

From working in my very first congressional office to serving as the president of her synagogue in Detroit, Sam had profound faith, not just as a Jewish woman but an abiding faith in humanity and a passion for interfaith relations, something that right now is more than ever important to our country.

In closing, I ask my colleagues for a moment of silence for Sam, for her family, for her community, for our State, and send my deepest condolences to her loved ones in Michigan.

APPLAUDING CLINTON COUNTY SOLID WASTE AUTHORITY AND WAYNE TOWNSHIP LANDFILL

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, today, I stand to applaud the Clinton County Solid Waste Authority and their Wayne Township Landfill, which has been an essential contributor to our community for half a century.

Originally permitted in 1973 and developed in 1990, this landfill now boasts a state-of-the-art subtitle D facility and recently received approval for a 75-acre expansion, providing an additional 23 years of disposal capacity.

The Wayne Township Landfill is not just a waste management site. It is a beacon of responsible waste disposal, recycling, and community preservation. They are dedicated to ensuring the quality and longevity of Clinton County.

This remarkable institution has been a substantial force for good in our community, providing financial support to local fire companies, offering scholarships, and reducing tipping fees to ease the burden on our citizens.

They actively participate in environmental conservation; contribute to local sports, educational programs, and community events; and have played a crucial role in industrial park expansion and flood cleanup efforts.

The Wayne Township Landfill is a lifeline for our community, employing 81 individuals, stimulating local economic growth, and investing in our community infrastructure.

As they celebrate their 50th anniversary of waste acceptance, it is evident that they are more than a landfill. They are dedicated stewards of our

community's well-being, economic prosperity, and environmental health.

HONORING GOLDIE BURBAGE, A TRAILBLAZER IN EAST ORANGE, NEW JERSEY

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise today to honor a great trailblazer in my district, Goldie Burbage.

Ms. Burbage made history in East Orange, New Jersey. She was the first African-American woman to serve as the executive assistant to an East Orange mayor. She served under Mayor James Kelly and the city's first African-American mayor, William Hart.

During her time in Mayor Hart's office, Ms. Burbage created the Offices of Employment and Training, Drug Abuse, and Personnel. Her work earned her a promotion to become the city's first chief personnel officer.

Outside of her career, Ms. Burbage was a well-known and respected social justice advocate. She founded the Historical Society of East Orange and served as vice president of the East Orange Chamber of Commerce. Her community support earned her induction into the East Orange Hall of Fame.

Many residents referred to her as the matriarch of their community, and I am proud to honor her on this day.

RECOGNIZING OUR LETTER CARRIERS ACROSS THE COUNTRY

(Mr. LANDSMAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANDSMAN. Mr. Speaker, I rise today to recognize our letter carriers in southwest Ohio and across the country.

These folks keep our communities connected. They deliver everything from birthday cards to magazines, Social Security checks, and lifesaving medication. They are also facing more and more threats and violence.

Hundreds of letter carriers across the country have been assaulted on the job. Earlier this week, in southwest Ohio, there were two armed robberies of letter carriers within 12 hours. Thankfully, they are both expected to fully recover, but this has to stop.

We need to protect our letter carriers from these assaults. That is why I have sent requests to the Postmaster General urging him to deploy enhanced training and safety measures and to the Attorney General urging the Department of Justice to prosecute these crimes to the fullest extent of the law.

Mr. Speaker, I thank our letter carriers across the country for their service. We will keep working with our colleagues in Congress to fight for them.

SPEAKER JOHNSON'S POLICY APPROACH

(Ms. KAPTUR asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. KAPTUR. Mr. Speaker, surely the new Speaker cannot remain committed to his macabre choice of providing military assistance to Israel while denying it to Ukraine, which is fighting against Putin's invasion in the largest land war in Europe since the Second World War, or Taiwan, whose people are fighting so valiantly to oppose Communist Chinese encroachment on their sovereignty.

While posing for photos, the Speaker claimed he cannot identify adequate funds, so he wants to raid the Internal Revenue Service of sophisticated accountants who hold billionaires and corporate tax cheats accountable for not paying their fair share of taxes, including illicit criminal groups funding terrorists.

These cuts will decrease revenue—are you ready?—\$26.7 billion. You heard me right.

Extremist Republicans kneel before the thrones of Wall Street scions while blocking military assistance to valiant nations and people fighting for liberty against evil empires that hate liberty, like Xi's China and Putin's Russia.

Mr. Speaker, that is what I call warped thinking. The Speaker should go back to the drawing board.

Liberty and justice first and always.

CELEBRATING VETERANS SMALL BUSINESS WEEK

(Mr. DAVIS of North Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DAVIS of North Carolina. Mr. Speaker, this week, we salute the brave men and women who have served our Nation not only in uniform but also as small business owners.

As we celebrate National Veterans Small Business Week, let's shine a light on a northeastern North Carolina business.

In Roanoke Rapids, the barbershop Super Cut 2 embodies the spirit of precision and camaraderie.

Owned by Ronald Barnes, a disabled veteran who dedicated 7 years to the United States Army, his small business symbolizes an unwavering commitment to service. Barbers uplift the community, making people feel and look good.

Mr. Speaker, let us remember the veteran-owned small businesses like Super Cut 2. They represent the spirit of service and resilience, and these are great contributors to communities across the Nation.

LEAVE OF ABSENCE

By unanimous consent, leave of absence was granted to:

Mrs. NAPOLITANO (at the request of Mr. JEFFRIES) for today and the balance of the week.

ADJOURNMENT

Mr. DAVIS of North Carolina. Mr. Speaker, I move that the House do now adjourn.

The motion was agreed to; accordingly (at 8 o'clock and 8 minutes p.m.), under its previous order, the House adjourned until tomorrow, Thursday, November 2, 2023, at 9 a.m.
