PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-82. A memorial adopted by the House of Representatives of the State of New Mexico supporting Ukraine against Russian aggression; to the Committee on Foreign Relations.

HOUSE MEMORIAL NO. 55

Whereas, the post-war international security order, led by the North Atlantic treaty organization, relied upon diplomacy, peace and communication rather than armed conflict to ensure prosperity and stability for more than seventy years; and

Whereas, following the collapse of the Soviet Union, the Ukrainian people voted overwhelmingly to form a nation independent from Russia and built a thriving democratic country grounded in the rule of law; and

Whereas, more than thirty years ago, Ukraine declared its independence, and in 1994, the United States, the Russian Federation and the United Kingdom signed an agreement whereby each country pledged to respect the independence and sovereignty of Ukraine’s borders in return for its nuclear disarmament; and

Whereas, in 2014, the pro-western Euromaidan protest movement in Ukraine led to the resignation of authoritarian president Victor Yanukovich, a brutal ally of Russian president Vladimir Putin, and ushered in democratically elected leaders who have sought closer ties to the United States, the European Union and Great Britain; and

Whereas, Ukraine is recognized as a peaceful and honorable democratic republic that is governed by democratically elected President Volodymyr Zelenskyy and Prime Minister Denys Shmyhal; and

Whereas, in order to manufacture a pretext to invade and occupy Ukraine, Vladimir Putin and his surrogates lied to the people of Russia and the global community, falsely claiming that Ukraine posed a threat to Russians and that he was launching a crusade against “Ukrainian Nazis”; and

Whereas, on February 24, 2022, Vladimir Putin launched an unjust, unwarranted and

unprovoked full-scale war of choice and aggression upon the peaceful nation of Ukraine; and

Whereas, the Russian Federation violated international peace and security agreements that provided peaceful alternatives; and

Whereas, since February 24, 2022, Russian soldiers and surrogates have brutally inflicted violence and terror upon Ukrainian civilians of every age, including children and the elderly, and committed atrocities throughout Ukraine; and

Whereas, since February 24, 2022, Russian soldiers and surrogates have cruelly killed Ukrainian citizens' pets, domestic animals and wildlife; and

Whereas, since February 24, 2022, Russian soldiers and surrogates have attacked Ukrainian farms, environment, cultural institutions, religious sites and heritage; and

Whereas, since February 24, 2022, Russia has used targeted and indiscriminate aerial strikes to destroy residential structures, hospitals, schools, businesses and critical infrastructure that supports life including water systems and energy grids, plants and pipelines; and

Whereas, Russia has attacked and damaged nuclear power facilities in Ukraine captured and tortured workers from the facilities and subjected Ukraine and its neighbors to risks of radioactive releases; and

Whereas, as Russia's military struggled on the battlefield, Putin resorted to relying on the brutal PMC Wagner group to inflict his war of aggression and choice; and

Whereas, the PMC Wagner group is a Russian mercenary organization that was founded and is led by a Russian oligarch with close ties to Putin; and

Whereas, the PMC Wagner group has been designated as a significant transnational criminal organization pursuant to United States executive orders and by the United States department of the treasury; and

Whereas, Russian soldiers and the PMC Wagner group are credibly alleged to have committed violations of human rights and international humanitarian law by targeting children, the elderly, women and civilians through acts of cruel violence, torture, rape, abduction and forced mass displacement of Ukrainian children in Russian filtration camps to erase their Ukrainian identity and place them with Russian citizens; and

Whereas, Russia's war on Ukraine has severely disrupted Ukrainian and international economies, resources, food supplies and environments; and

Whereas, the brutality of Russia's war on Ukraine is an affront to international law, decency and humanity; and

Whereas, a threat to the sovereign borders of Ukraine is a threat to all western democracies; and

Whereas, Ukraine has been a bulwark against Russian military aggression in Europe and the world; and

Whereas, in response to the Russian invasion of Ukraine, the United States and the international community have imposed sanctions on Russia and provided Ukraine with equipment and resources it needs to defend its territory and people; and

Whereas, the leaders, military and citizens of Ukraine continue to valiantly stand up and fight against Russia's unjust and heinous invasion of their country; and

Whereas, Ukraine deserves the continued support of every American and the international community as Ukraine defends itself from Russia's invasion, which is the largest attack in Europe since World War II; now, therefore, be it

Resolved, by the House of Representatives of the State of New Mexico that the members of the house of representatives proudly stand in solidarity with Ukraine, its people and its

leaders, and commend them for their resiliency, courage and relentless fight to protect their right to self-determination and self-governance; and condemn, in the strongest possible terms, Vladimir Putin's attack on the people of Ukraine and endorse continued economic sanctions and export controls on Russia and continued provision of military and humanitarian resources to Ukraine; and be it further

Resolved, That members of the house of representatives wholeheartedly support the United States and international efforts to swiftly aid Ukraine in defending Ukrainian borders, end Russia's war on Ukraine and hold Russia accountable for its actions; and be it further
