HON. GUY RESCHENTHALER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 18, 2024

Mr. RESCHENTHALER. Mr. Speaker, I rise to celebrate the 50th anniversary of Four Guys Firetrucks.

Four Guys Firetrucks started in October 1974, when four friends worked to repair stainless steel milk tankers in Meyersdale, Pennsylvania. These individuals capitalized on the similarities between milk tankers and firetrucks, bought a small factory, and started Four Guys Firetrucks.

Four Guys has adapted and expanded over the last 50 years. The original factory went through multiple renovations but is still used by the company today. Over the past five decades, the company has made a significant impact on the people of southwestern Pennsylvania. They provide jobs to over 50 residents, fueling our local small business economy. Four Guys also serves the greater Pennsylvania area, fulfilling orders throughout the Commonwealth.

Today, Four Guys prides themselves on their top-quality products that offer a high degree of customization. They value personable service and believe that customer satisfaction is the key to success. These values are what sets this company apart from other firetruck manufacturers.

Mr. Speaker, on behalf of the people of Pennsylvania's 14th Congressional District, I congratulate Four Guys Firetrucks on their 50th anniversary and wish them all the best in the future.

HONORING SCOTT ARELLANO-ZANE AS A DISTINGUISHED LEADER IN CENTRAL FLORIDA FOR PRIDE MONTH

HON. DARREN SOTO

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 18, 2024

Mr. SOTO. Mr. Speaker, Scott Arellano-Zane began his public service career in Illinois

in 1988. He moved to Orlando in 1996 and worked at the Orlando Police Department. In November 1999, he became a police officer at the Edgewood Police Department, where he has served for 25 years.

Throughout his career, Scott has also held roles such as city information technology manager, LGBTQ+ liaison officer, and field training officer. In 2019, Scott was selected as a founding board member of the Gay Officers Action League Central Florida (GOALcfl), an official chapter of GOAL New York. Alongside his fellow board members, they brought about a new era in Central Florida law enforcement. Their focus shifted from being recognized solely for LGBTQ+ efforts within their agencies to actively engaging with the surrounding communities. GOALcfl now proudly includes several LGBTQ+ liaisons and allies serving in various Central Florida law enforcement agencies. He is equally as proud of his LGBTQ+ community work as he is of his other work for the City of Edgewood. This past year, he wrote grants awarding the agency two new patrol vehicles, all-new ruggedized laptops for officers, and more technology upgrades. The value of these grants alone exceeded \$300,000.

Scott's commitment to promoting transparency, equality, and trust in the community is evident in his work. In partnership with agency leadership, he secured a grant in 2016 to equip all officers with body-worn cameras. This initiative was a testament to Scott's values and his dedication to serving the community.

With over 35 years in public service, Scott still wakes up each day excited to serve. He looks forward to serving the Central Florida community for many years to come. Scott would like to thank his mother, Janine; father, Jack; sister, Dianne; and spouse of 11 years, Alex, for their unconditional love, support, and sacrifices.

HONORING DR. ANTHONY TRUCHARD AND MRS. JO ANN TRUCHARD

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 18, 2024

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor Dr. Anthony Truchard and Mrs. Jo Ann Truchard as we celebrate the 50th anniversary of Truchard Vineyards. For the last five decades, Dr. and Mrs. Truchard have worked tirelessly to develop their vineyard in Carneros. With their son, Anthony Truchard II, the family continues to operate their successful vineyard and support the Napa community.

Dr. and Mrs. Truchard met at a country dance while they were both attending the University of Texas, Austin. After graduating, Dr. Truchard embarked on his medical career, graduating from medical school and consequently joining the Army. He completed his internship at Walter Reed Memorial and his residency at Brooke General Hospital in San Antonio.

While Mrs. Truchard was pregnant with their fourth child, Dr. Truchard was set to be stationed in South Korea for a two-year tour. That all changed when a very pregnant Mrs. Truchard slipped on a grape at a grocery store and broke her knee. As a result, Dr. Truchard was diverted from Korea and reassigned to an Army base in Northern California to serve as a medical commander. While in California, the Truchards loved taking road trips and after a trip to the Presidio in San Francisco, they got the idea to go see the vineyards in Napa.

After the Napa trip, Dr. Truchard thought it would be "fun" to buy 20 acres of property in Napa and start a vineyard. Growing the Carneros vineyard to what it is today was no easy task. Historically, the Carneros region was long thought to be unsuitable for grapes due to its little rainfall and dense clay soils. Additionally, Dr. Truchard was a practicing physician during the week. However, he still found time to develop the land into a beautiful property with over 400 acres of land and over 280 acres of grapevines. The work ethic and effort that Dr. and Mrs. Truchard displayed while expanding their vineyard embodies the very essence of the American Dream.

In addition to their work in the wine industry, Dr. and Mrs. Truchard have supported various causes throughout their five decades in the region. These causes include Napa Little League, OLE Health, Cope Family Center, Puertas Abiertas, and many more organizations.

Their legacy continues with their six children and twelve grandchildren, many of whom continue to serve on the boards of these organizations that their parents support, making the

Truchards an integral pillar of the Napa community.

Dr. and Mrs. Truchard have undoubtedly touched our community of Napa. As pioneers of the region, they are widely credited for making the area into the thriving wine region it is today. Therefore, it is fitting that we honor Dr. and Mrs. Truchard for the 50th anniversary of Truchard Vineyards here today.

CELEBRATING THE 100TH ANNI-
VERSARY OF LANSING CHURCH
OF GOD IN CHRIST

HON. ELISSA SLOTKIN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Friday, October 18, 2024

Ms. SLOTKIN. Mr. Speaker, today I honor and celebrate the 100th anniversary of Lansing Church of God in Christ, a cherished institution that has provided spiritual guidance to mid-Michigan and beyond for the past century. Since its founding on August 6, 1924, by Elder Richard Wilson, this church has been a beacon of faith, service, and unity in Lansing, Michigan, making a profound impact on its congregation and the broader community.

Lansing Church of God in Christ held its first official Bible study in 1924 in a small edifice on Williams Street. As its membership grew, so did the need for a larger facility. In 1926, the church relocated to Birch Street, where it became known as the "Birch Street Church of God in Christ." There, Elder Wilson, with the help of Elder Perry Robinson, Sister Dunkin, and Missionary Carrie Williams, laid a strong foundation for the church's growth. In the early 1970s, the church moved to its current location on Wise Road, where it has continued to serve the city ever since.

Over the years, Lansing Church of God in Christ has remained steadfast in its mission to enlighten and uplift the community. Through its many programs and partnerships with local nonprofit organizations, the church has offered spiritual support while addressing the practical needs of Lansing residents. The church's food pantry, computer learning lab, and youth mentoring programs exemplify its dedication to supporting individuals and families. Additionally, through its service groups, grief ministry, men's and women's ministries, and 412 Youth Ministry, the church helps members find freedom, purpose, and the ability to make a positive impact in Michigan and beyond.

Under the leadership of Bishop Samuel Duncan, Jr., who has served as pastor since 1992, the church continues to be a place of hope, healing, and inspiration. Alongside his wife, Evangelist Dorothy Duncan; their son, co-pastor Samuel "Cisco" Duncan IV; and daughter-in-law, Evangelist Benita Duncan; the Duncan family's dedication to the church and its members is a testament to their deep roots in Lansing and commitment to serving the needs of their community.

Lansing Church of God in Christ is more than a place; it is a fellowship of people devoted to living out their faith and strengthening relationships. The church's vision of empowering and developing individuals has been realized through generations of leaders and worshipers who have passed through its doors. With its strong focus on youth programming, the church has demonstrated its commitment to raising the next generation of compassionate, visionary leaders.

As we celebrate the church's 100th anniversary, it is with great appreciation that I recognize Lansing Church of God in Christ's century of service and guidance. May it continue to inspire and uplift for many more years to come.
