RECOGNIZING THE RESIDENCE INN AMELIA ISLAND

HON. AARON BEAN

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 3, 2024

Mr. BEAN of Florida. Mr. Speaker, "There's no place like home", Dorothy once famously said, and it is so true. Most hotels are simply places for business travelers or tourists coming and going, but occasionally, some are so special we think of them as a home away from home.

Mr. Speaker, I rise today to celebrate one of these special places: the Residence Inn on Amelia Island in the free state of Florida.

The Residence Inn is perfectly situated in the heart of Amelia Island close to downtown, delightful shops and restaurants, and of course, the crystal blue surf that makes us a top destination. The Residence Inn is a great community partner, and under the leadership of General Manager Bob Hartman, they sponsor many events on the island, making it a better place to live and visit.

The hotel is truly a home away from home for many travelers, and I experienced their hospitality firsthand. When our house was damaged by an unexpected fire, we lived in the Residence Inn for 6 months. The entire staff, from management to maintenance went above and beyond to make a difficult time for our family better, ensuring we felt at home. The folks at Residence Inn are true leaders of our state's travel, hospitality, and tourism industries. I am profoundly grateful to their employees who welcome visitors with their positive attitudes and their exemplary services that always exceed expectations.

Mr. Speaker, I encourage my colleagues to join me in celebrating the ribbon cutting for the Residence Inn refresh and many more years of excellence in the hospitality industry.

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 3, 2024

Mr. GRIFFITH. Mr. Speaker, I offer these remarks in honor of Emory & Henry College head football coach Curt Newsome, who stepped down from his position this summer. Coach Newsome dedicated his life to the sport of football, earning coaching positions at several academic institutions throughout his career.

Coach Newsome was born in Hampton, Virginia on October 29, 1958.

His pursuit and interest in a career in football was great. He decided to move to the opposite end of Virginia to play at the collegiate level at Emory & Henry College, now University. Coach Newsome played as a defensive tackle. Upon graduation, Mr. Newsome began a coaching career at Ervinton High School in Nora, Virginia.

During a 16-year time span, the high schools of Ervinton, Kecoughtan, and Heritage benefitted from Coach Newsome's leadership and drive. He received praise and recognition from fans, players and fellow coaches, resulting in his 1998 selection as the AP and VHSL Virginia State Coach of the Year.

The coaching journey did not end there. His hard work caught the attention of Virginia universities and their football programs. Coach Newsome landed a coaching opportunity at James Madison University in 1999.

In 2004, he helped JMU reach the FCS National Championship game, where they would defeat Montana 31–21. This victory became JMU's first NCAA Division I-AA championship.

HONORING ELLEN CORBETT

HON. ERIC SWALWELL

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 3, 2024

Mr. SWALWELL. Mr. Speaker, I rise along with my colleagues, Congresswoman BARBARA LEE and Congressman MARK DESAULNIER, to recognize former California State Senate Majority Leader, San Leandro Mayor, and East Bay Regional Parks Director, Ellen Corbett, on the occasion of her passing on Friday, August 9, 2024, at the age of 69.

Born in Oakland in 1954, Ellen was raised in San Leandro. She attended Chabot College, California State University, Hayward, and the University of California, Davis, earning a bachelor's degree in political science before earning her law degree from the University of the Pacific's McGeorge School of Law.

Ellen began her career as an attorney, community college professor, and civic activist before seeking public office in 1990 on the San Leandro City Council. Four years later, in 1994, she became San Leandro's first-ever directly elected female mayor.

In 1998, Ellen was elected to the State Assembly, representing California's 19th district in the chamber until her term expired in 2004. In 2006, she began her time at the California State Senate, representing District 10 until 2014. Ellen continued to blaze trails in the Senate as only the second woman ever to serve as the California Senate majority leader for 4 years.

Under her tenure, Majority Leader Corbett authored over 160 bills that were signed into law tackling issues faced by everyday Californians. Those issues included infrastructure for public schools, expanding EV charging, child safety, marriage equality, and the California Homeowner Bill of Rights.

Continuing her career in public service, Ellen was elected to the East Bay Regional Parks District Board of Directors, representing Ward 4 until her passing. In this position, she was a fierce advocate for accessible open space. Serving as President of the Board, the Parks were in her capable hands during the first year of the pandemic.

Throughout her life and career, Ellen was a tireless advocate for the communities she rep-

resented. She was a fierce environmentalist and a serial breaker of glass ceilings. Ellen was a person of consequence with a genuinely meaningful public service career. Our communities will deeply miss her presence. We send our deepest condolences to her son Ryan, as well as her other surviving family, friends, and former staff who were lucky to have her as their boss and mentor.

CELEBRATING THE LIFE OF ARTHUR O. EVE, JR.

HON. TIMOTHY M. KENNEDY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 3, 2024

Mr. KENNEDY. Mr. Speaker, I rise today in solemn remembrance of Arthur O. Eve, Jr., a remarkable individual, affectionately known to the people of Buffalo, New York, and beyond as "Champ."

As the beloved son of New York State Assembly Deputy Speaker Arthur O. Eve and an educator, Lee Constance Eve, life lessons in civic responsibility, faith, and a strong work ethic were taught early by his family.

A standout football player who earned all-Catholic honors during his time at Canisius High School and shined on the field at the University of Texas at El Paso, Champ turned his athletic talent, natural leadership, and teambuilding skills into an opportunity to inspire and mentor countless young people through coaching at Calvary Baptist Church, Hutch Tech High School, and Buffalo State University.

In his professional positions within a juvenile detention center and Educational Opportunity Center, Champ dedicated himself to empowering those in need. At Buffalo's Municipal Housing Authority, Champ transformed the agency and set a national standard for compliance and inclusion, which led to the BMHA being recognized as a "high performer" by the United States Department of Housing and Urban Development.

Champ was a leader and respected voice on issues impacting Buffalo's Black community, serving as President of the Black Student Union during his time at the University at Buffalo, and was the founder and President of the Unity Coalition, widely recognized as one of the strongest organizing units in the State of New York.

As Deputy Commissioner of the Erie County Board of Elections and Vice Chair of the Erie County Democratic Committee, Champ supported democracy through his work, impressing upon others the power of a vote to express one's values and shape our future. A man of great faith and devotion, Champ was an active member of Elim Christian Fellowship under the leadership of Bishop T. Anthony Bronner.

Transcending his passion for the community was his love and devotion to his family. He leaves behind his father Arthur O. Eve, Sr., beloved wife Kim, nine children of Arthur III, Shiana Denise, LaNeesha, Eric James, Louis, Ashley, Melzetta, Bobby, and David Paul, and eight grandchildren Caiden, Rylee, Cailee, Kendall, Ari, Lucian, Maliha, and Lux, shared through their blended family, siblings Leecia, Eric, Malcolm, and Martin, and many aunts, uncles, and cousins.
