INTRODUCTION OF THE UNION
STATION REDEVELOPMENT COR-
PORATION FUNDING ELIGIBILITY
ACT

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 18, 2024

Ms. NORTON. Mr. Speaker, today, I introduce a bill to make the Union Station Redevelopment Corporation (USRC), a nonprofit, eligible for funding under the Federal-State Partnership for Intercity Passenger Rail (FSP) Program, the Consolidated Rail Infrastructure and Safety Improvements (CRISI) Program, the Rebuilding American Infrastructure with Sustainability and Equity (RAISE) Program and the National Infrastructure Project Assistance Program, also known as the Mega Program. Funding under these transportation programs is essential to implement the planned expansion and modernization of Union Station in the District of Columbia, known as the Washington Union Station Expansion Project (USEP). I am pleased Senator CHRIS VAN HOLLEN has introduced this bill in the Senate.

Union Station is owned by the federal government, and USRC manages and operates the station under a lease with the federal government. The members of USRC's board of directors are the Federal Railroad Administration, Amtrak, Federal City Council, the District of Columbia and the USRC President and CEO. USRC is the only entity exclusively dedicated to the management and operations of Union Station and therefore should be eligible for funding under the FSP Program, the CRISI Program, the RAISE Program and the Mega Program.

Union Station is a vital local, regional and national intermodal transportation hub that, pre-pandemic, welcomed more than 100,000 travelers and visitors each day—more than either Ronald Reagan Washington National Airport or Washington Dulles International Airport. Located five blocks from the U.S. Capitol, Union Station serves as a gateway to the Nation's capital, as well as the backbone that connects East Coast rail lines to the north and south. People rely on Union Station every day to get to work and to visit the Nation's capital.

Despite the vital role Union Station plays in the Nation's capital, it has not undergone major renovation since the 1980s. The USEP represents a historic transportation and economic development opportunity for the Nation's capital and the national capital region, but billions of dollars are needed to carry it out. This bill would give USRC access to critical funding.

RECOGNIZING MAJOR RAYMOND
ROBERTS

HON. MICHAEL C. BURGESS
OF TEXAS

IN THE HOUSE OF REPRESENTATIVES
Wednesday, September 18, 2024

Mr. BURGESS. Mr. Speaker, I rise today to recognize and honor the life of Major Raymond Roberts of Denton, Texas, who passed away on August 29, 2024. With his celebration of life ceremony being held this week, I would like to share about his tremendous life of service to his country and our great state of Texas.

Since he could first walk, Ray always wanted to be a pilot, which prompted him to join the U.S. military at the young age of 14. Initially joining the U.S. Marine Corps Reserve and then transitioning to the Army Air Corps, Ray spent 22 years serving in our Nation's military.

Ray's storied military career included assignments as an airman, mechanic, and flight engineer during the Cuban Missile Crisis and the Vietnam War. In 1948, Ray was also one of the few pilots to fly nonstop as part of the greatest humanitarian airlift in history to carry supplies to the encircled people of West Berlin. Despite the great risks and challenges that came with supplying the necessities of food and fuel for thousands of people, he remained dedicated and committed to providing the resources necessary to sustain the men, women, and children in dire need on the ground. Ray played a pivotal role in history and the success of our military.

After leaving military service, Ray did not stop serving his community. Developing a career as an entrepreneur, corporate manager, car salesman, aviation administrator, and private pilot, he ensured our state continued to grow economically. Ray loved his country and numerous times put his life on the line for the future generations of Americans. I am glad to call him a constituent of mine and was honored to nominate his son, Brandon, for the Air Force Academy back in 2012 and see him successfully follow his father in service to his country.

May his extraordinary life be remembered by many in the 26th District of Texas and across the United States. Sending my prayers and love to his family and friends, as they celebrate his life.
