RECOGNIZING NATIONAL
AGRICULTURE DAY

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to recognize National Agriculture Day. Today is a day for Congress to come together to share their appreciation.

This day serves to highlight the vital work our farmers, ranchers, foresters, and farmworkers do in providing the safest, highest quality supply of food, fiber, and fuel in human history.

Agriculture touches our lives daily. If you have eaten today, thank a farmer. If you have clothes on your back, thank a farmer. Agriculture also provides the foundation upon which the entire American economy rests.

It is more important than ever to ensure our farmers, ranchers, and foresters have their voices heard in the Halls of Congress. That is why it is my honor to represent farm families in rural America as the chairman of the Committee on Agriculture.

Rural America deserves policies that help, not hinder, economic vitality and global competitiveness. Consumers deserve affordable and abundant food, fiber, and fuel. Every farmer I have met across nearly 40 States says the same thing: They want a government to work for them, not against them.

Getting a farm bill across the finish line is a tall task, and each reauthorization has its own unique set of challenges. This year's farm bill can show the best of America—farmers—that we have their backs.

QUESTIONING THE REPUBLICAN
COMMITMENT TO AMERICAN
FAMILIES

(Mr. PAYNE asked and was given permission to address the House for 1

minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise today to question the Republican commitment to American families.

Recently, actions in Alabama have led a nationwide discussion on the popular in vitro fertilization, or IVF, pregnancy treatments. More than 8 million American babies have been born through IVF, and it has helped create parents and families nationwide.

The Republicans want to ban IVF across the country. First, Republicans want to force women to have children. Now, they want to stop women from having them. It is very confusing and very hypocritical.

Democrats want women to choose when they have their children. We also want to protect that right with the Women's Health Protection Act. The American people should make reproductive health choices, not politicians.

HONORING JOE LANDSMAN

(Mr. BURCHETT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BURCHETT. Mr. Speaker, I rise to honor my dear friend Joe Landsman, who is retiring from his position as CEO of the University of Tennessee Medical Center in April. Joe started at the UT Medical Center in 1999 and has been the CEO since 2005. In that time, he significantly increased the hospital's patient capacity and services. He added clinics and regional health centers across east Tennessee, renovated and added surgical units, and built parking garages to accommodate the rapidly growing number of patients who were coming to the medical center.

He has also been known to treat his employees well and drive everyone to success. During Joe's time as CEO, the hospital's revenue increased by 451 percent. Only the most passionate, effective leader could achieve that, Mr. Speaker.

The UT Medical Center has received many awards under Joe's leadership. One of his favorites is when the U.S. News & World Report named the UT Medical Center as one of the best hospitals in America in 2012. The news just happened to come out on his birthday.

The UT Medical Center wouldn't be the great hospital it is today without Joe's leadership.

I wish my dear friend good luck in his retirement, and I wish Dr. Keith Gray the best as he takes over that position.

HONORING NEW MEXICO STATE
POLICE OFFICER JUSTIN HARE

(Ms. LEGER FERNANDEZ asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. LEGER FERNANDEZ. Mr. Speaker, I rise to honor New Mexico State Police Officer Justin Hare, a dedicated law enforcement officer and protector of our beloved New Mexico communities.

Officer Hare was known for kindness and consideration for those who travel New Mexico's long roads. Last week, he stopped to help a driver on the side of the road with a flat tire. That driver tragically shot and killed Officer Hare.

Officer Hare dedicated his life to the people of Quay County. He coached sports teams, volunteered, and lent a helping hand to whomever needed it. He loved his partner, Daizzare Quintana; their daughters, Juliann and Caydence; and the unborn child they expected in September.

Today, we honor Officer Hare and the sacrifice he made for the community he loved so dearly.

I send my deepest condolences to his family and to his colleagues in the New Mexico State Police.

Mr. Speaker, when you next see a State Police officer on the road, send them a quiet prayer of remembrance for Officer Hare.

RECOGNIZING BLAIR COUNTY SHERIFF'S DEPUTIES CHRISTOPHER HANNA AND BRANDON LASURE

(Mr. JOYCE of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. JOYCE of Pennsylvania. Mr. Speaker, I rise today to recognize Blair County Deputy Sheriffs Christopher Hanna and Brandon Lasure.

It is because of their quick thinking and rush to action to stop the effects of an overdose that a Blair County woman is still alive today.

Deputy Hanna and Deputy Lasure followed their training to the letter, being aware of the signs and symptoms of an opioid overdose these sheriff's deputies did not hesitate to step up and helped to save a human being.

Upon recognizing that the woman had become unresponsive, the deputies immediately called for an ambulance and delivered the appropriate doses of naloxone, a lifesaving drug designed to reverse the effects of an opioid overdose.

On behalf of the people of Blair County and Pennsylvania's 13th Congressional District, I am grateful for these sheriff's deputies and their tireless work to serve our community.

REMEMBERING THE LIFE OF STEPHEN MACKIN, SR. OF THORNBURG, PENNSYLVANIA

(Mr. DELUZIO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DELUZIO. Mr. Speaker, I rise today to honor the life of Stephen Mackin, Sr., of Thornburg, Pennsylvania.

Steve was born on November 7, 1960, and was a lifelong Pittsburgher. He graduated from Bishop Canevin in 1979 where he made many lifelong friends.

A hard worker always seeking perfection, for the past 42 years Steve worked at and co-owned Liberty Fuel & Supply in Carnegie, working alongside his father, brothers, sons, nephews, and many friends.

He was a good man who knew how to have a good time when he could. He loved to get away to the beach to spend time with his family and cracking open an Iron City. He was a very proud grandfather, a loyal brother, and a devoted member of a big family.

Steve was committed to supporting the kids in our western Pennsylvania community. He was my basketball coach at St. Philip's, and I can tell you, Mr. Speaker, Steve was tough, but he always brought out the best in us.

Sadly, Steve passed away unexpectedly from a heart attack on March 6 of this year. He was just 63.

Steve will be missed by his loving family, including Ruth, his wife of 35 years, their three children, and his siblings, nieces, nephews, and grandchildren, all of whom wish they had more time together.

To the Mackin family, whom I am proud to call my friends: Our whole community mourns Steve's passing.

REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H. RES. 1068

Mr. SCHIFF. Mr. Speaker, I hereby remove my name as cosponsor of H. Res. 1068.

The SPEAKER pro tempore (Mr. LAMALFA). The gentleman's request is granted.

REMEMBERING THE LIFE OF ARTHUR M. GIGNILLIAT, JR.

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise to today to remember the life of Arthur Gignilliat, Jr.

Art was a man of the community and served in a myriad of ways. Art retired from Savannah Electric and Power Company as president and CEO after his remarkable 40-year career.

He was also elected to serve for eight terms as chairman of the University System of Georgia Committee in the Georgia House of Representatives.

Art was appointed to serve as chairman to the Board of Regents and Georgia Ports Authority and was a member of numerous other boards, including the Metropolitan Atlanta Olympic Games Authority.

Local organizations that Art donated his time to include the Rotary Club of Savannah, Armstrong State College Foundation, Georgia International Maritime Trade Center Authority, and Bethesda Union Society.

A devout member of First Presbyterian of Savannah for most of his

life, Arthur also served as a deacon, elder, and Clerk of Session.

He exemplified a life well lived and was best known for unwavering devotion to wife, Molly, their two children, and six grandchildren.

COMMEMORATING THE 10TH ANNIVERSARY OF THE OSO LANDSLIDE

(Ms. SCHRIER asked and was given permission to address the House for 1 minute.)

Ms. SCHRIER. Mr. Speaker, I rise today to commemorate the 10th anniversary of the Oso landslide. On that tragic day, 43 people lost their lives when an entire hillside collapsed, smothering the town and burying it in mud.

Washington State was forever changed. Among the victims were veterans, a nurse, and even elementary school students. They were parents, grandparents, sons, daughters, brothers, sisters, and children, all beloved members of their tight-knit community along State Route 530, and we remember them today.

As we mark 10 years since this tragedy—and it feels as if it was yesterday—I would like to extend my condolences to the friends and family members of those victims. While we can't change the past, we can honor those who passed away by working toward a safer future.

As the Representative of this community, I have worked to increase funding for emergency communications and services and supported the National Landslide Preparedness Act, all of which help ensure that we understand what conditions make such a landslide more likely and are ready if such a disaster strikes again.

People of Oso and the surrounding communities along SR 530 are in my heart today.

BIDEN ASSAULT ON HOUSING

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, with Bidenomics of borrow, tax, and spend, American families have endured the highest inflation in 40 years, costing the average family \$12,000 more annually to buy basics, including housing.

Stephen Moore of the Heritage Foundation has revealed "housing affordability has hit a 40-year low under Mr. Biden after affordability surged under Mr. Trump."

The average monthly payment has risen from \$1,500 a month to \$2,600 today.

"What Mr. Biden fails to understand is that two factors drive homeownership: the interest rate and real income growth."

House Republicans will continue to fight to reduce inflation and create jobs led by Speaker MIKE JOHNSON.
