Journal, which the Chair will put de novo.

The question is on the Speaker's approval of the Journal.

Pursuant to clause 1, rule I, the Journal stands approved.

HOUR OF MEETING ON TOMORROW

Mr. MIKE GARCIA of California. Mr. Speaker, I ask unanimous consent that when the House adjourns today, it adjourn to meet at 9 a.m. tomorrow.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

IN RECOGNITION OF THE 4-H NATIONAL CONFERENCE

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to recognize the 10 Pennsylvania 4-H members who recently participated in the 4-H National Conference.

I am especially proud to say that, out of the 10 students from Pennsylvania, 2 of them were from my district, PA-15. I congratulate Mara Ours of McKean County and Jaylene Everhart of Centre County for participating in this national conference.

4-H is a youth development program under the U.S. Department of Agriculture. The program's main goal is to educate our Nation's youth and to help them develop knowledge and skills to be caring and contributing citizens. As chairman of the House Agriculture Committee, I am thrilled to see USDA's effort to bring youth voice to a high-level government discussions.

During the national conference, 4-H members ages 15 to 19 participated in roundtable discussions on pressing national topics. After a few days of brainstorming and preparation, the youth presented their ideas to the USDA. I congratulate all of them on their hard work, and I wish them the best of luck in their future endeavors.

SOLAR INDUSTRY EQUALITY

(Ms. KAPTUR asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. KAPTUR. Mr. Speaker, I rise today to champion the American solar industry and its dedicated workers.

Northwest Ohio, the glass capital, is home to thousands of jobs in solar manufacturing, proving American ingenuity and hard work can drive our Nation's clean energy future.

Yet, these jobs and this critical industry are under severe threat. China's state-subsidized solar companies are flooding our markets with illegally dumped products, routing their operation through Cambodia, Malaysia,

□ 1907

So (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

The title of the bill was amended so as to read: "A bill to require certain products to be labeled with 'Do Not Flush' labeling, and for other purposes."

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Ms. TITUS. Mr. Speaker, I was absent from the floor and the roll call votes for the Motions to Suspend the Rules and Pass H.R. 6543 and H.R. 2964. Had I been present, I would have voted YEA on Roll Call No. 248, H.R. 6543, and YEA on Roll Call No. 249, H.R. 2964.

PERSONAL EXPLANATION

Mr. GOTTHEIMER. Mr. Speaker, I missed the following votes, but had I been present, I would have voted YEA on Roll Call No. 248 and YEA on Roll Call No. 249.

PERSONAL EXPLANATION

Ms. PORTER. Mr. Speaker, I was unable to be present to cast my vote on Roll Call No. 248 and Roll Call No. 249. Had I been present, I would have voted YEA on Roll Call No. 248 and YEA on Roll Call No. 249.

THE JOURNAL

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, the unfinished business is the question on agreement to the Speaker's approval of the

Thailand, and Vietnam to dodge U.S. tariffs. This blatant circumvention not only undermines our domestic manufacturers but also jeopardizes our energy security.

Both I and Senator SHERROD BROWN, with our House and Senate colleagues, have sent a letter urging the U.S. International Trade Commission and the Department of Commerce to thoroughly investigate these unfair practices.

Thankfully, the ITC has heard our call and announced an investigation last Friday into these illegal practices. By enforcing strong trade policies, our Nation can foster a diverse, competitive, and secure solar manufacturing base inside the boundaries of the United States of America. Only then will our Nation create middle-class jobs that deliver economic value but also pave the way for our Nation's path to energy independence in perpetuity.

RELIGIOUS PERSECUTION IN VIETNAM

(Mrs. STEEL of California asked and was given permission to address the House for 1 minute.)

Mrs. STEEL of California. Mr. Speaker, I rise to call attention to the Communist Party of Vietnam's chilling crackdown on religious freedom.

Freedom to worship is a basic human right, but with the recent disappearance of Buddhist leader Thich Minh Tue, Vietnam is continuing a pattern of religious persecution.

Thich Minh Tue recently led a pilgrimage across Vietnam, which ended with Communist authorities detaining him and his followers.

I am again calling on Secretary Blinken, as I did 3 months ago, to designate Vietnam as a country of particular concern. This designation leads to accountability for nations violating the freedom to worship.

I represent the largest Vietnamese population outside of Vietnam, and we will always stand up for human rights in Vietnam. America has a moral obligation to stand for religious freedom, and the full power of the State Department should fight religious persecution and ensure the safety of Thich Minh Tue.

CONGRATULATING MIRANDA TINGLE

(Mr. SORENSEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SORENSEN. Mr. Speaker, I rise today to congratulate Miranda Tingle for her congressional service to the people of central and northwestern Illinois.

More than 10 years ago, she began her career in Congress working for my predecessor, Congresswoman Cheri Bustos. Miranda found the job of casework to be meaningful and something that she could do to change lives for the better.

When Cheri Bustos retired from Congress, I was thankful that Miranda wanted to continue serving the people in our community. Miranda has spent more than a decade going above and beyond for every person that we serve in Illinois' 17th Congressional District.

One of my constituents wrote to me and said: "Miranda was very clear that she couldn't make any promises, but she made it happen. Every question I had, every email or phone call was always returned within hours. I am forever grateful."

That is who Miranda is, going above and beyond consistently to ensure that we do right by the people that we serve. People like Miranda are hard to come by around here, true public servants who give of themselves for the sake of their communities.

The countless people helped by Miranda, as well as her teammates in our office, are better off today because she made a difference with all of us.

Mr. Speaker, as Miranda prepares to close the congressional chapter of her career, I thank her for years of dedicated congressional service.

Miranda embodies the belief that no time is better spent than time spent in service to our fellow neighbors.

SALUTING LIEUTENANT COLONEL JOHN D. STOCK

(Mr. MIKE GARCIA of California asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MIKE GARCIA of California. Mr. Speaker, I rise today to salute Lieutenant Colonel John D. Stock for his retirement from our beloved United States Air Force.

He was stationed at Edwards Air Force Base in the 27th Congressional District of California. Lieutenant Colonel Stock served our Nation for over 20 years with honor and distinction. With 3,500 flight hours across two oceans and five continents, his service record is truly remarkable.

Whether executing missions, instructing pilots, or volunteering in his community, Lieutenant Colonel Stock exemplifies the highest standards of leadership and service. His impact on aviation and beyond is profound. He enhanced our Air Force capabilities, and he mentored those around him, a true leader.

I extend my deepest gratitude to Lieutenant Colonel Stock for his unwavering dedication and exemplary service. Our Nation is stronger because of individuals like him. I look forward to his continued positive impact in our community.

HONORING TINA CORDOVA

(Ms. STANSBURY asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. STANSBURY. Mr. Speaker, I rise today to honor the tireless work of

Tina Cordova, a sixth-generation New Mexican from the Tularosa Basin who is being honored this week by the Albuquerque Community Foundation with the Linda K. Estes Giraffe Award, given to somebody who stands up against all the odds.

This award is particularly meaningful as Tina has spent her life advocating for the Tularosa Downwinders impacted by the nuclear fallout from the Trinity bomb test site during World War II. She and countless others have survived cancer and other illnesses that have impacted generations, as spotlighted by the Oppenheimer movie last year and our continued fight in this House this week to expand and reauthorize the Radiation Exposure Compensation Act.

Unfortunately, our fight continues. It is because of Tina and the tireless work of our advocates that Downwinders across New Mexico and the country will not be forgotten. We will not stop until we pass this bill.

I thank Tina for her fight, her advocacy, and her voice. We are forever grateful.

HONORING THE LIFE OF LOGAN NOEL SHARPE

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today with a heavy heart to honor the life of Logan Noel Sharpe who tragically passed away May 19 in a car accident.

Logan was born on December 26, 2016, in Waycross, Georgia, to Shaunte Sharpe Williams of Patterson, Georgia, and Kevin Scott, Sr., of Waycross, Georgia.

He attended Patterson Elementary School as well as Evergreen Church in Bristol, Georgia. Logan loved Spider-Man. He loved playing with his friends. He loved riding his bike and playing Roblox. More than anything else, though, he loved spending time with his family.

He will be missed by his parents, his grandparents, his great-grandmother, and even his great-great-grandmother.

On behalf of the entire First District of Georgia, I send my condolences to Logan's friends and family for this tragic loss of life.

TROUBLED TEEN INDUSTRY AND CHILDREN'S WEEK

(Mr. KHANNA asked and was given permission to address the House for 1 minute.)

Mr. KHANNA. Mr. Speaker, the term "troubled teen industry" probably brings to mind a specific image of struggling teens and families who need help combatting addiction and behavioral challenges.

In reality, it is not just the teens who need help. The industry itself, comprised of boot camps, residential treatment centers, and wilderness programs,
