

their immediate family members. That is why Representative PORTER and I have filed this piece of legislation.

To summarize, let me go through what the Presidential Ethics Reform Act actually does.

First of all, it requires Presidents and Vice Presidents to disclose payments, transfers, or other items of value from foreign sources received by themselves or immediate family members within 2 years before taking office, during their time in office, and for 2 years after leaving office.

This bill requires Presidents and Vice Presidents to disclose conflicts of interest upon taking office and throughout their time in office.

This bill requires Presidents and Vice Presidents to disclose gifts valued at more than \$10,000 received from or by immediate family members within 2 years before taking office, during their time in office, and for 2 years after leaving office.

This bill requires Presidents and Vice Presidents to disclose loans or loan repayments made to them by an immediate family member of any amount or received by an immediate family member from any source, except commercial loans, for over \$10,000 within 2 years before taking office, during their time in office, and for 2 years after leaving office.

This bill requires Presidents and Vice Presidents to disclose when immediate family members accompany the President or Vice President on official travel, specifying when they do so, and whether or not it is for business purposes.

Finally, the Presidential Ethics Reform Act requires Presidents and Vice Presidents to disclose tax returns for the 2 years preceding their time in office, during their time in office, and for the 2 years following their departure from office.

Mr. Speaker, I believe that this ethics bill will address all the concerns that Members of both parties and members of both the conservative and liberal media have had about this administration, the previous administration, and administrations prior to the last administration.

When I announced the Biden influence pedaling investigation in November of 2022 when it was apparent that the House was going to flip from Democrat to Republican, I said two things about that investigation that I hoped would be accomplished: number one, that the American people would be given the truth about just exactly what the Biden family has been doing in their family schemes, and I believe we have provided that; and, secondly, we were going to pass legislation to define influence pedaling and prevent it from happening in the future.

That is what the Presidential Ethics Reform Act does today. I am pleased to file this bill in a bipartisan manner with my colleague KATIE PORTER.

PRAYER

The Chaplain, the Reverend Margaret Grun Kibben, offered the following prayer:

Loving God, like a shepherd, lead us into this day. You have blessed us with the refreshment of mercy and shelter. You have led us to drink freely from the still waters of Your grace. Refresh both our minds and our souls for the work that lies ahead.

Then guide us along the path of righteousness. Though the way is enshrouded with the darkness of these times, remind us that we have no need to fear, for You remain with us. Guide us with Your rod of protection. Comfort us with the strong staff of Your compassion.

Open our eyes to the bounty You set before us, a feast rich with Your abiding presence, anointed with Your wisdom, overflowing with evidence of Your steadfast provision.

Surely, Your goodness and love will remain with us, now and in all the days to come.

May all in this House dwell with You this day.

Amen.

BIDEN BORDER CRISIS THREATENS FAMILIES

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Madam Speaker, the Biden border crisis threatens all American families at risk of murderous attacks.

Since Biden, there have been 16 million illegal alien crossings. In April alone, there were 180,000 illegal alien crossings.

This represents 38 consecutive months of higher illegal crossings than any month under President Donald Trump.

In the last 7 months, more than 27,000 Chinese communist nationals illegally crossed, breaking the total of all of last year.

The American people have exposed corrupt Judge Merchan, dismissing his unethical witch hunt with the achievement ultimately of electing President Donald Trump. Merchan will be warmly welcomed as my guest at the Trump inauguration.

In conclusion, God bless our troops who successfully protected America for 20 years as the global war on terrorism moves from the Afghanistan safe haven to America. We do not need new border laws. We need to enforce the existing border laws. Biden shamefully opens borders for dictators as more 9/11 attacks across America are imminent, as repeatedly warned by the FBI.

CELEBRATING THE 50TH ANNIVERSARY OF SAN DIEGO PRIDE

(Mr. PETERS asked and was given permission to address the House for 1 minute.)

Mr. PETERS. Madam Speaker, I rise today to recognize the 50th anniversary of San Diego Pride, a two-day celebration of love, acceptance, and diversity. The event is a powerful testament to the resiliency and spirit of the San Diego LGBTQ community.

San Diego Pride started in 1974 with an unsanctioned march. Since then, it has grown into one of the city's largest, most cherished events. The centerpiece is a parade through Hillcrest, the vibrant neighborhood that serves as San Diego's LGBTQ hub, which I am proud to represent. Its streets, adorned with Pride flags, reflect the tireless work of people who refuse to be muted and marginalized.

I take this opportunity to celebrate the achievements of the community in San Diego and beyond and reaffirm my commitment to ensuring that everyone can live authentically and without fear of discrimination. Together, let's celebrate our diversity and recognize that love knows no boundaries.

RECOGNIZING DAVID LINDSAY

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, I rise today to recognize the outstanding performance of Central Mountain High School's David Lindsay.

He recently repeated as the State champion in the PA Class 3A tennis singles championship. It takes great skill, tenacity, and determination to be named the champion at this level 2 years in a row.

On May 26 at the Hershey Racquet Club, David completed a back-to-back sweep of the 3A singles championship bracket. He won 6-2 in the final match and remained the best singles player across the Commonwealth.

Madam Speaker, this is an incredible accomplishment for David and the Wildcats. I am proud of the team and David for their monumental season and dedication to the sport. I look forward to seeing what the future holds for David.

Congratulations to David for being the best in the Commonwealth and making the community proud.

END HUNGER NOW

(Mr. MCGOVERN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MCGOVERN. Madam Speaker, I rise today to tout the transformational Flexible Services Program in Massachusetts' Medicaid program and to highlight an important upcoming transition that will further strengthen its approach to supporting those experiencing illness, hunger, and homelessness.

Since early 2020, Massachusetts has been providing housing support and nutrition services like medically tailored meals, food prescriptions, kitchen supplies, and nutrition education and counseling to eligible members through MassHealth.

It is also the first of its kind to serve vulnerable household members like children and high-risk pregnant mothers.

Early next year, the program will transition to a new health-related, social needs services framework to better provide supplemental nutrition services to eligible members. Transportation and food delivery costs will be included as a supplemental benefit, currently among the biggest barriers to adequate and affordable nutrition.

I am incredibly proud of Massachusetts' forward-thinking approach to providing nutrition and housing supports to those struggling to make ends meet. I encourage other States to look at this innovative model. Together, we can end hunger now.

REMOVING NONCITIZENS FROM EXISTING VOTER ROLLS

(Mr. ROSE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ROSE. Madam Speaker, only Americans should vote in American elections. That is why I rise in support of the Safeguard American Voter Eligibility or SAVE Act, introduced by my friend from Texas (Mr. ROY).

This bill would require States to obtain proof of citizenship, in person, when registering an individual to vote and also requires States to remove noncitizens from existing voter rolls. These proposals are as commonsense as it gets.

Unfortunately, many on the other side disagree. While falsely alleging that the 2016 election was stolen due to foreign election interference, they ignore the very real threat of foreign election interference that currently exists.

Maybe if President Biden didn't hold the door open for more than 9.5 million immigrants to enter our country illegally, this bill wouldn't be necessary. Because he did, it is essential to pass the SAVE Act to uphold the integrity of our elections.

CELEBRATING THE 130TH ANNIVERSARY OF THE VILLAGE OF DEPEW

(Mr. KENNEDY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. KENNEDY. Madam Speaker, I rise to celebrate the 130th anniversary of the village of Depew. Named in honor of U.S. Senator Chauncey Depew and incorporated at a time of significant growth and industrialization on July 23, 1894, Depew quickly became a key manufacturing and railroad hub for the city of Buffalo.

Built on the hard work of immigrants hailing from Holland, Ireland, Prussia, Hungary, Ukraine, and Poland, the village thrived, raising generations of hardworking and successful Americans.

Historically known for being a vital manufacturer in the railroad industry, the village continues to be a hub of economic development in western New York, hosting numerous businesses in the logistics, construction, and hospitality industries, among others.

For the thousands of people who live there, Depew is home; a great place to raise a family, start a business, and be a part of a tight-knit community.

It is the kind of place where neighbors look out for each other and where civic engagement is still a core part of daily life.

I congratulate the people of Depew and my friend Mayor Kevin Peterson on the village's 130th anniversary and thank them for their continued contributions to the fabric of western New York.

HONORING ROSANELL EATON

(Mr. DAVIS of North Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DAVIS of North Carolina. Madam Speaker, I rise to honor the remarkable life and enduring legacy of Rosanell Eaton. She achieved incredible feats, overcoming obstacles and championing voting rights.

Mother Eaton was a trailblazing figure in Franklin County where she was the first African American to register and vote. She rode 8 miles to Louisburg at the age of 21 on a mule to pass a literacy test.

Her work placed her on the State and national stage with her daughter, Armenta, by her side until her passing at 97 years old. She wore many hats and had an infectious smile and loved her church, her faith.

Recently, Michael and Deborah Liter, church members, renovated the building that once served as the local board of elections office at 217 Court Street and named it in her honor.

Mother Eaton's impact was felt far and wide, and she still inspires us. While at the building dedication, the sky became overcast, but the Sun reappeared, and our angel shone upon us.
