

When the orphanage was founded, Black children who were homeless or without parental support were often placed in local work farms and penal institutions.

Today, Greenbriar serves children and families of all backgrounds and ethnicities, through childcare, early learning programs, family preservation and counseling services, and an emergency shelter for children and young adults.

As Georgia's U.S. Senator, I commend the faculty, staff, and families at Greenbriar for their 75 years of service and for their work to help our kids learn, grow, and thrive.●

100TH ANNIVERSARY OF THE HISTORIC HARRINGTON SCHOOL

● Mr. OSSOFF. Madam President, I rise to celebrate the Historic Harrington School, on St. Simons Island, GA, as we commemorate its 100th anniversary this year.

Formerly known as the Harrington Graded School, the Historic Harrington School functioned as the principal educational facility for three African-American communities on St. Simons Island until school consolidation in the 1960s, when students were either bused to the mainland in Brunswick, GA, or were sent to private schools for African-Americans in other parts of the State, such as Augusta and Cordele.

The Harrington community was settled by formerly enslaved families who had worked on the plantations of Georgia's barrier islands. Census data from 1900, 1910, and 1920 revealed an African-American community of sawmill workers and carpenters who, in 1924, built the one-room schoolhouse for the education of their children and grandchildren.

In the 1990s, pressure by developers caused many African-American homes and properties in the Harrington community to be sold and subdivided. Residents who did not want to sell their heritage put up yellow "Don't Ask/ Won't Sell" signs in their yards.

In 2004, Ms. Isadora Hunter, who attended the school in 1928, donated her portion of family land to the St. Simons Land Trust and Glynn County, so that the school would be preserved. That same year, Glynn County and the St. Simons Land Trust, Inc., acquired ownership of a 12-acre tract next to the schoolhouse that became a public park.

In 2011, the Historic Harrington School was selected as one of ten "Places in Peril" by the Georgia Trust for Historic Preservation, identifying the schoolhouse as a significant historic site threatened by deterioration. In 2017, through the grassroots activism of the Friends of Harrington School Inc., the St. Simons African American Heritage Coalition, and members of the local community, funds were raised for the schoolhouse to be completely restored, and the school officially reopened with a ribbon cutting in August of that year. The

Harrington tract, acquired by the land trust and the county pursuant to the Georgia Greenspace laws and the Glynn County Greenspace Program, opened as the Harrington Park and is maintained by the county.

Today, the Historic Harrington School is a cultural center where residents and tourists learn about the Gullah Geechee heritage of St. Simons Island and coastal Georgia.

As Georgia's U.S. Senator, I join the St. Simons Island community and all Georgians in celebrating this momentous 100th anniversary and important heritage of the Historic Harrington School.●

MESSAGE FROM THE PRESIDENT

A message from the President of the United States was communicated to the Senate by Mrs. Stringer, one of his secretaries.

EXECUTIVE MESSAGE REFERRED

In executive session the Presiding Officer laid before the Senate a message from the President of the United States submitting a nomination which was referred to the Committee on Armed Services.

(The message received today is printed at the end of the Senate proceedings.)

PRESIDENTIAL MESSAGES

REPORT OF THE CONTINUATION OF THE NATIONAL EMERGENCY THAT WAS ORIGINALLY DECLARED IN EXECUTIVE ORDER 13818 OF DECEMBER 20, 2017, WITH RESPECT TO SERIOUS HUMAN RIGHTS ABUSE AND CORRUPTION—PM 63

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency declared in Executive Order 13818 of December 20, 2017, is to continue in effect beyond December 20, 2024.

The prevalence and severity of human rights abuse and corruption that have their source, in whole or in

substantial part, outside the United States, continue to threaten the stability of international political and economic systems. Human rights abuse and corruption undermine the values that form an essential foundation of stable, secure, and functioning societies; have devastating impacts on individuals; weaken democratic institutions; degrade the rule of law; perpetuate violent conflicts; facilitate the activities of dangerous persons; undermine economic markets; and continue to pose an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States.

Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 13818 with respect to serious human rights abuse and corruption.

JOSEPH R. BIDEN, Jr.

THE WHITE HOUSE, December 11, 2024.

REPORT OF THE CONTINUATION OF THE NATIONAL EMERGENCY THAT WAS ORIGINALLY DECLARED IN EXECUTIVE ORDER 14059 OF DECEMBER 15, 2021, WITH RESPECT TO GLOBAL ILLICIT DRUG TRAFFICKING—PM 64

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to global illicit drug trafficking declared in Executive Order 14059 of December 15, 2021, is to continue in effect beyond December 15, 2024.

The trafficking into the United States of illicit drugs, including fentanyl and other synthetic opioids, is causing the deaths of tens of thousands of Americans annually, as well as countless more non-fatal overdoses with their own tragic human toll. Drug cartels, transnational criminal organizations, and their facilitators are the primary sources of illicit drugs and precursor chemicals that fuel the current opioid epidemic, as well as drug-related violence that harms our communities. International drug trafficking—including the illicit production, global sale, and widespread distribution of illegal drugs; the rise of extremely potent drugs such as

fentanyl and other synthetic opioids; as well as the growing role of Internet-based drug sales—continues to pose an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 14059 with respect to global illicit drug trafficking.

JOSEPH R. BIDEN, Jr.
THE WHITE HOUSE, December 11, 2024.
