

Napa County as a result of his extraordinary selflessness, dedication and service to others.

Born in Hayward, California, Sergeant Olson moved to Napa in 1980. He is a graduate of Vintage High School and holds a Bachelor of Arts in Criminal Justice Administration from Sonoma State University. Sergeant Olson attended the Napa Valley College Police Academy, graduating as class president in 2005.

In December of 2005 Sergeant Olson began his career with the Napa County Sheriff's Office. During his nineteen years of service, Sergeant Olson has held a multitude of positions, including Marine Patrol Deputy, K-9 Handler, Field Training Officer, Search and Rescue Team Liaison, Community Emergency Response Team Liaison, Napa Sheriff's Mounted Posse Liaison, EVOC/PIT Instructor, and Mobile Field Force Team Leader. Sergeant Olson was promoted to the rank of Sergeant in 2021, retiring his K-9 partner of seven years, Chase. Sergeant Olson currently serves as the Marine Patrol and Off Highway Vehicle Unit Supervisor in Lake Berryessa.

On June 8, 2024, the Napa Central Dispatch received 9-1-1 calls regarding a shooting and fight between ten individuals in the Oak Shores Day Use Area of Lake Berryessa. Sergeant Olson responded to this call, learning as he arrived on the scene there were multiple victims with stab wounds and a gunshot victim. Sergeant Olson then attempted to locate the gunshot victim, breaking up a fight and assisting an unconscious victim in the midst of his search. After locating the shooting victim, Sergeant Olson immediately administered life-saving measures. Tragically, the victim passed from their injuries.

As the only officer on the scene for seven minutes, Sergeant Olson's presence was essential in bringing calm to the situation. He performed essential aid to victims and provided Napa Central Dispatch with critical information to relay to other responding units. Sergeant Olson's quick response allowed the shooting suspect to be apprehended and for safety to be restored to the area.

Sergeant Olson's actions during this incident show selfless dedication and service at the highest levels to our community and the Law Enforcement profession.

Outside of his law enforcement service, Sergeant Olson is also involved in his community, serving at The Father's House "We Love Our City" Ministry, which works in partnership with the Napa Valley Food Bank. Beyond his community service, Sergeant Olson loves to spend time with his wife, Sara, and their two daughters, Kadance and Kirra. He is an avid golfer and enjoys spending time outdoors, both hobbies he enjoys with his family.

Mr. Speaker, Sergeant Olson's actions on June 8, 2024, as well as his nineteen years of work with the Napa County Sheriff's Office, exemplify the ideals of public service. His courage, dedication, and quick-thinking are truly admirable, and we honor him today.

REMEMBERING DR. HAROLD  
JORDAN

**HON. STEVE COHEN**

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

*Friday, February 21, 2025*

Mr. COHEN. Mr. Speaker, I rise today to pay tribute to Dr. Harold Jordan, a pioneering

medical doctor and psychiatrist in my state of Tennessee who passed in December at the age of 87. Dr. Jordan became the first Black resident physician at Vanderbilt University Medical Center in 1964 and Tennessee's first Black Commissioner of Mental Health and Mental Retardation. My father, Dr. Morris Cohen, was the Superintendent of the Western State Psychiatric Hospital (now the Western Mental Health Institute) in Bolivar, Tennessee, in the mid-1970s, and worked with Dr. Jordan. After ensuring that every mental health facility in the state was accredited, Tennessee named a building in his honor: the Harold W. Jordan Habilitation Center in Nashville in 1979. Dr. Jordan also served for 18 years as the Chairman of the Psychiatry Department at Meharry Medical College, from which he graduated in 1962. He also served as its acting dean. He won the college's President's Award and its Humanism in Clinical Medicine Award. Vanderbilt established the Harold Jordan Lecture celebrating Diversity, Inclusion and Social Justice in his honor. Born in 1937 in Newnan, Georgia, he knew by the age of seven that he would follow in the footsteps of both his father and grandfather into medicine. He graduated from Morehouse College with a degree in biology in 1958. After medical school, he married a nursing student named Geraldine, who survives him after 62 years of marriage. Family lore says they met while hiding after a bomb threat as Dr. Martin Luther King Jr. was preparing to speak at nearby Fisk College. Dr. Jordan and his wife raised four children in Nashville and belonged to the Clark Memorial United Methodist Church where he sang in the choir. He served as an officer in both the Tennessee National Guard and the U.S. Army Reserve. Dr. Jordan and his wife retired to Los Angeles to be nearer to their children. I extend my condolences to Dr. Jordan's family, friends and many admirers. He made a profound difference in our state and his compassion, patient care and mentoring of future doctors will be long remembered.
