

operates on grants, community support, and state funding. If those grants are taken away, what does that mean for us? For the students? For me? It means our education is in danger. I am currently a junior at Common Ground High School. I have been here since I was a freshman and can't imagine being anywhere else. Common Ground has opened my eyes to so many possibilities. But now, I am worried that future generations won't have the same opportunities—they won't experience the transformative power of this school.

This is happening right now, and it's happening fast.

I came here today to ask you to fight. Fight for youth development programs. Fight for our schools. Fight for our teachers. Fight for the future of our students."

#### HONORING REVEREND JIMMY SWAGGART'S 90TH BIRTHDAY

#### HON. CLAY HIGGINS

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 11, 2025*

Mr. HIGGINS of Louisiana. Mr. Speaker, I rise to recognize Reverend Jimmy Swaggart for his 90th birthday. Throughout his life, Reverend Swaggart has been a beacon of faith and inspiration, leaving a legacy through his preaching and ministry.

Reverend Swaggart hails from humble beginnings in Ferriday, Louisiana. Early in his career in the 1950's, Swaggart preached throughout rural Louisiana, living in church basements, and homes of pastors. During this time, Reverend Swaggart received an offer to join a record label as a gospel artist but opted instead to follow his calling "to preach the gospel."

By 1961, Reverend Swaggart was ordained by the Assemblies of God and began reaching wider audiences through the radio. He also founded his own brick-and-mortar church in Baton Rouge, Louisiana. Over the following two decades, Reverend Swaggart began telecasting bible studies, Christian music, and his weekend services. 1987 was arguably Swaggart's most influential year on record. Swaggart's TV ministry reached an estimated 510 million people in 145 countries. His sermons and educational programs yielded \$150 million a year to his church, bible college, and mail-order business. On a daily basis, donations averaged an astounding \$500,000, and Reverend Swaggart poured every penny into delivering the word of God across the world.

Reverend Swaggart's influence gained international esteem and influence over the 1990's and 2000's by spreading the Word of God through his remarkable sermons. Today, Jimmy Swaggart Ministries is comprised of the Family Worship Center, Crossfire Youth Ministries, The Evangelist Magazine, Family Christian Academy, and Jimmy Swaggart Bible College (JSBC). Swaggart's SonLife Broadcasting Network (SBN) provides Christian programming 24/7 and is available around the world in English, Spanish, and Portuguese. The ministries remain headquartered on 270 acres in Baton Rouge, Louisiana.

Jimmy Swaggart Ministries has evolved into a family business with Frances, his wife of 72 years, their son Donnie, and grandson Gabriel. Frances Swaggart embodies unwavering faith, exceptional leadership, and substantial

impact on the Work of God, making her a personification of the 31st Chapter of Proverbs. Donnie serves as Executive Vice-President of Jimmy Swaggart Ministries and Pastor of the Family Worship Center Church. Donnie has traveled globally evangelizing and teaching from Holland to Papua New Guinea on the Holy Spirit, with his Pentecostal foundation clear in every message. Gabriel Swaggart, President of JSBC and co-pastor of Family Worship Center, has a Bachelor's in Liberal Arts, a Master's in Christian Ministries from Oral Roberts University, and is currently pursuing a Doctor of Strategic Leadership while managing operations at Jimmy Swaggart Ministries and SBN.

At 90 years old, Reverend Jimmy Swaggart continues his dedication to spreading the message of the Bible and Jesus Christ through his ministry. His unwavering commitment to spreading Christ's love has touched the hearts of millions around the world, leading countless people to salvation. Reverend Swaggart's contributions to Christian ministry and broadcasting have left an immeasurable mark on the world of evangelism.

Happy birthday to Reverend Swaggart. I greatly commend his dedication to God, to Country, and to the State of Louisiana.

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 11, 2025*

Mr. GIMENEZ. Mr. Speaker, I rise today to celebrate the 100th anniversary of the iconic Biltmore hotel.

For a century, the Biltmore hotel and its renowned golf course have stood as a beacon of elegance, history, and world-class hospitality in the heart of Coral Gables.

Since opening its doors in 1926, this historic national landmark has welcomed presidents, dignitaries, and guests from around the world.

In 1942, the Biltmore was transformed into a military hospital, serving our brave service members as an Army Air Force hospital, and later as a Veterans Administration hospital until 1968.

After reopening in 1987 and following a 10-year restoration beginning in 1992, the grand hotel and golf course have entered a new era, reclaiming its former glory and embodying Miami's rich sporting heritage; its halls and tower have served as the backdrop for a century of unforgettable moments.

The Biltmore is more than just a hotel—it's a living landmark, a symbol of Miami, and a treasured piece of our community's history that will continue to inspire generations to come.

RECOGNIZING THE COURAGEOUS SERVICE OF THE SWIFT WATER RESCUE TEAM OF BRISTOL, VIRGINIA

**HON. H. MORGAN GRIFFITH**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 11, 2025*

Mr. GRIFFITH. Mr. Speaker, I rise today to recognize the courageous service of Bristol, Virginia's Swift Water Rescue Team.

Formed in 2019, the group operates under the Bristol Fire Department and is the only such swift water team in Southwest Virginia, a region that encompasses more than twenty localities and is bigger in landmass than some U.S. states.

The personnel of the Bristol Rescue Team have fought heroically in the most trying of times.

In August of 2024, Tropical Storm Debby battered much of the Southeastern United States.

A month later, Hurricane Helene ravaged much of Virginia's Ninth Congressional District and devastated numerous communities. Historic levels of flooding resulted from the natural disaster.

In February of 2025, major winter storms hit the region and prompted widespread flooding and, in some cases, community evacuations.

These major weather events were met by courageous rescue officers to respond to severe emergency situations.

The Rescue Team tallied more than 80 rescues in the last six months. Their work is crucial as the region faces recovery challenges.

In the face of a historic natural disaster and other extreme weather events, the Bristol Swift Water Rescue Team has performed admirably.

The people of Southwest Virginia are grateful for the Bristol Swift Water Rescue Team, the hours the Team spends training, and its preparation to carry out brave rescue missions for local communities.

HONORING SISTER TO SISTER ON ITS 30TH ANNIVERSARY

**HON. ROBERT C. "BOBBY" SCOTT**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 11, 2025*

Mr. SCOTT of Virginia. Mr. Speaker, I rise today to recognize and honor Sister To Sister on their 30th anniversary.

Sister To Sister is a community-based organization that empowers youth and their families in Hampton Roads, Virginia. Ms. Hakima Abdul Samad Muhammad and Dr. Pamela D. Hall founded the organization in 1992 as an organization to support Black women, but over time, the organization grew to support all children in our community.

Through the years they have launched many successful initiatives to engage young people in positive activities and support families. This can be seen in their S.U.P.E.R. (Supreme, Unity, Perpetuating, Eternal, Revolution) Saturday program and after-school enrichment programs that help young people focus on leadership, community service, civic engagement and other important social values.

Sister To Sister opened their first resource center, "Each One Teach One," in 2018. This center provides female empowerment workshops, computer literacy training for both young people and adults, job training programs for both men and women, parenting classes, supports for anger and substance abuse management, gun violence prevention programs and other assistance programs for homeless people.
