

over TVA and the need of TVA to retain and maintain a pool of talented, diverse, and effective management staff and executives.

This bill would help ensure that Congress has the ability to provide effective oversight of the TVA and its management and executives.

My prime cosponsor is TIM BURCHETT. Representative BURCHETT has been a friend of mine since we served in the Tennessee General Assembly together, and we raised the speed limit to 70. It had been put down to 60. It didn't hurt that Mr. Sundquist had kind of a heavy foot and helped us with that.

Mr. Speaker, I thank the gentleman from Tennessee (Mr. BURCHETT) for his cosponsorship. I urge passage of H.R. 144, and I reserve the balance of my time.

Mr. GRAVES. Mr. Speaker, I yield 5 minutes to the gentleman from Tennessee (Mr. BURCHETT).

Mr. BURCHETT. Mr. Speaker, I thank the gentleman from Tennessee (Mr. COHEN), my very good friend from Memphis, Tennessee, the home of Al Green.

We had a lot of good times in the State senate. We brought some famous people to the floor, such as our dear friend Steve Cropper, who is in the Rock & Roll Hall of Fame. Some of his guitars are in the Smithsonian. There were many others, Isaac Hayes.

STEVE and I actually sang the theme from "Shaft" on the senate floor. I am sure somebody will dig for that, and hopefully, that has been erased from history.

We brought Isaac Hayes. I almost forgot about Isaac. We had a great relationship with those folks.

People often ask me why I am friends with Congressman COHEN. He is probably my oldest friend up here, truth be known. He is correct that we did sponsor a bill to raise the speed limit. I think I asked for 85, knowing we would take 70, in the house.

In the week prior to that, I had actually brought Peyton Manning to the house floor, and I think I could have probably passed communism and gotten 100 miles an hour if I wanted to that week because that was the most popular I had ever been in the legislature.

Truth be known, the reason I am such good friends with STEVE COHEN is I lost my daddy years ago, and my dad was my hero. He really was. He and my mama were exceptional people.

STEVE was the first person to call my mama and offer his condolences. I always remembered we were at the graveyard working and trying to get the site at the veterans cemetery, and I remember mama said: Oh, STEVE, you shouldn't have called. This is costing you money.

I will never forget that. That was my sweet mama. She loved STEVE. She prayed for STEVE. I don't know if it did any good, Mr. Speaker. I know it doesn't have anything to do about the

bill, but I just think America needs to know about these things.

Mr. COHEN. Mr. Speaker, I am still here.

Mr. BURCHETT. Mr. Speaker, yes, he is.

Mr. Speaker, I rise in support of the TVA Salary Transparency Act.

The Tennessee Valley Authority is an American public power company providing electricity to over 10 million people in Tennessee and six surrounding States. TVA employs over 10,000 people, some of whom make millions of dollars per year. That is millions, Mr. Speaker, and this is in Tennessee.

Tennesseans deserve to know how TVA operates and compensates their executives, especially when TVA covers a region that is 65,000 square miles and the compensation is to the tune of millions of dollars.

There is no such thing as too much transparency, and I hope our friends in the media cover this. The TVA Salary Transparency Act requires TVA to report to Congress on the salaries of employees making more than \$123,000 annually or the highest pay rate available for Federal employees. Specifically, TVA must report on those employees' names, salaries, and job responsibilities.

I have continuously advocated for greater transparency from TVA in other areas as a State legislator, as mayor, and now as a Congressman. Passing this bill is a step in the right direction.

Mr. Speaker, once again, I thank Representative COHEN for his work on this bill, and I ask my colleagues to support this bill. It will provide transparency to the millions of folks who rely on the Tennessee Valley Authority.

□ 1715

Mr. COHEN. Mr. Speaker, I will say that the bill has been well explained. It is an important and a good bill. All that Representative BURCHETT said about his father, Dean Burchett, a rich Tennessean, and Mrs. Burchett is true. They were wonderful people.

Mr. Speaker, I yield back the balance of my time.

Mr. GRAVES. Mr. Speaker, H.R. 144 is a commonsense bill. It is going to increase transparency at the TVA, and it is going to ensure that the Transportation Committee conducts appropriate oversight over the agency's actions.

Mr. Speaker, I urge support for the bill, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Missouri (Mr. GRAVES) that the House suspend the rules and pass the bill, H.R. 144.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. GRAVES. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this motion will be postponed.

#### RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until approximately 6:30 p.m. today.

Accordingly (at 5 o'clock and 16 minutes p.m.), the House stood in recess.
