ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. The Chair customarily takes this occasion at the outset of a Congress to announce his policies with respect to particular aspects of the legislative process. The Chair will insert in the RECORD announcements concerning:

- first, privileges of the floor;
- second, introduction of bills and resolutions;
- third, unanimous-consent requests for the consideration of legislation;
- fourth, recognition for 1-minute speeches;
- fifth, recognition for Special Order speeches;
- sixth, decorum in debate;
- seventh, conduct of votes by electronic device;
- eighth, use of handouts on the House floor;
- ninth, use of electronic equipment on the House floor; and
- tenth, use of the Chamber and Capitol facilities.

These announcements, where appropriate, will reiterate the origins of the stated policies. The Chair intends to continue in the 119th Congress the policies reflected in these statements. The policy announced in the 102nd Congress with respect to jurisdictional concepts related to clause 5(a) of rule XXI—tax and tariff measures—will continue to govern but need not be reiterated, as it is adequately documented as precedent in the House Rules and Manual.

Without objection, the announcements will be printed in the RECORD.

There was no objection.

1. Privileges of the Floor

The Chair will make the following announcements regarding floor privileges, which will apply during the 119th Congress.

ANNOUNCEMENT BY THE SPEAKER WITH RESPECT TO STAFF

Rule IV strictly limits those persons to whom the privileges of the floor during sessions of the House are extended, and that rule prohibits the Chair from entertaining requests for suspension or waiver of that rule. As reiterated by the Chair on January 21, 1986, January 3, 1985, January 25, 1983, and August 22, 1974, and as stated in Chapter 10, section 2, of House Practice, the rule strictly limits the number of committee staff on the floor at one time during the consideration of measures reported from their committees. This permission does not extend to Members' personal staff except when a Member's amendment is actually pending during the five-minute rule. It also does not extend to personal staff of Members who are sponsors of pending bills. The Chair requests the cooperation of all Members and committee staff to assure that only the proper number of staff are on the floor, and then only during the consideration of measures within the jurisdiction of their committees. The Chair is making this statement and reiterating this policy because of Members' past insistence upon strict enforcement of the rule. The Chair requests each committee chair, and each ranking minority member, to submit to the Speaker a list of those staff who are allowed on the floor during the consideration of a measure in the jurisdiction of their committee. The Sergeant-at-Arms, who has been directed to assure proper enforcement of rule IV, will keep the list. Each staff person should exchange their ID for a "committee staff" badge, which is to be worn while on the floor. The Chair has consulted, and will continue to consult with, the Minority Leader. Furthermore, as the Chair announced on January 7, 2003, in accordance with the change in the 108th Congress of clause 2(a) of rule IV regarding leadership staff floor access, only designated staff approved by the Speaker shall be granted the privilege of the floor. The Speaker intends that this approval be narrowly granted on a bipartisan basis to staff from the majority and minority side and only to those staff essential to floor activities.

ANNOUNCEMENT BY THE SPEAKER WITH RESPECT TO FORMER MEMBERS

The Speaker's policy announced on February 1, 2006, will continue to apply in the 119th Congress. The House has adopted a revision to the rule regarding the admission to the floor and the rooms leading thereto. Clause 4 of rule IV provides that a former Member, Delegate or Resident Commissioner or a former Parliamentarian of the House, or a former elected officer of the House or a former minority employee nominated as an elected officer of the House shall not be entitled to the privilege of admission to the Hall of the House and the rooms extending thereto if they are a registered lobbyist or an agent of a foreign principal; have any direct personal pecuniary interest in any legislative measure pending before the House, or reported by a committee, are in the employ of or represents any party or organization for the purpose of influencing, directly or indirectly, the passage, defeat, or amendment of any legislative proposal; or have been convicted by a court of record for the commission of a crime in relation to that individual's election to, or service in, the House. This restriction extends not only to the House floor but adjacent rooms, the cloakrooms and the Speaker's lobby. Clause 4 of rule IV also allows the Speaker to exempt ceremonial and educational functions from the restrictions of this clause. These restrictions shall not apply to attendance at joint
