

known as the camper who consoled all the girls who were homesick.

Last year, she formed a fundraising group called The Baker Girls, cooking and selling baked goods to benefit her beloved elementary school.

At home, she was constantly going through her belongings, such as clothes, books, and stuffed animals, thinking of who less fortunate could use them more. She was named Sweetest Camper in her 2022 summer day camp.

Janie was the heartbeat of her family, always teaching how to live our lives in Christ.

Her favorite Bible verse was Luke 10:27, where Jesus summarizes the two greatest commandments: "Love the Lord your God with all your heart, and with all your soul, and all your strength, and with all your mind, and love your neighbor as yourself."

Janie steadfastly followed these commandments and was a mentor and inspiration to everyone around her, both children and adults.

Her parents, Davin and Anne Lindsey, should be proud of the wonderful girl their daughter became. Her siblings, Henry and Julia; grandparents, Janet and Mike McColloch; and Doug and Margaret Hunt; and the many, many loved ones Janie left behind, including 17 amazing cousins, are in our thoughts and prayers. Leaning on their faith, as Janie would, may they find comfort in knowing that she is in the loving arms of our Lord and Savior.

With faith, gratitude, and deep sorrow, I ask that we all, in Janie Hunt's memory, strive to embody the lessons and message of Luke 10:27.

AFTER RECESS

The recess having expired, the House was called to order by the Speaker at 2 p.m.

PRAYER

The Chaplain, the Reverend Margaret Grun Kibben, offered the following prayer:

Almighty and wonderful God, You are the creator of the Earth, and You have given breath to every living thing. You have made us in Your own image and given us dominion over the entirety of Your creation.

Who is a God like You, who in Your fathomless love embrace each one of us, desiring nothing more than that we respond to Your grace with righteous living?

Who is a God like You, who despite Your unconditional love and generosity, pardon our iniquity, forgive our rejection of Your intent for our lives, and overlook our numerous transgressions?

Who is a God like You, who does not retain his anger forever but delights in showing clemency?

Who is a God like You, who shows us each Your compassion, who separates us from our sin, casting it into the depths of the sea?

Who is a God like You? Only You, O Lord, and You have shown Your people such faithfulness and such unswerving loyalty to those who call on Your name.

So we call on You in the power of Your name this day that we may today and always, and with our whole being, honor the only God like You.

Amen.

The SPEAKER. The Chair has examined the Journal of the last day's proceedings and announces to the House the approval thereof.

Pursuant to clause 1 of rule I, the Journal stands approved.

PLEDGE OF ALLEGIANCE

The SPEAKER. Will the gentleman from South Carolina (Mr. WILSON) come forward and lead the House in the Pledge of Allegiance.

Mr. WILSON of South Carolina led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

HONORING MOUNT NITTANY HEALTH EMERGENCY MEDICAL SERVICES TEAM

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to recognize the outstanding achievement of Mount Nittany Health Emergency Medical Services team.

Earlier this month, Mount Nittany Health Emergency Medical Services team was nationally recognized by the American Heart Association's Mission: Lifeline program for excellence in caring for patients with heart attacks and strokes.

This award recognizes exceptional performance and critical prehospital care, from the rapid identification of heart attacks and stroke symptoms to timely notifications to the hospital, precise assessment, and treatment protocols that save lives.

The Mount Nittany Health EMS team exemplifies the dedication, skill, and compassion that our communities expect and deserve.

Prior to my time serving in Congress, I spent decades as a volunteer fire-

fighter and cross-trained as an emergency medical technician. I recognize the value and commitment these individuals have to their communities and understand firsthand the vital role they play in ensuring public health and safety.

Their efforts translate into faster treatment, reduced complications, and renewed hope for countless patients and families.

Mr. Speaker, I commend and thank Mount Nittany EMS for setting the standard in emergency medical care and leading the way in national excellence.

VISITING HERTFORD COUNTY, NORTH CAROLINA

(Mr. DAVIS of North Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DAVIS of North Carolina. Mr. Speaker, over the past week, I had the opportunity to spend a day in Hertford County. During my visit, I connected with local leaders, business leaders, and workers at Alfiniti and Nucor. I also spoke with participants in a 4-H summer program as well as compassionate clergy and residents.

My visit to The Gathering Place, which operates a food pantry, was moving.

While in Hertford County, I engaged in meaningful conversation with the dedicated employees of the Hertford County Department of Social Services. They shared valuable insights about the potential impacts of H.R. 1, the One Big Beautiful Bill Act, on the hardworking families and the community they tirelessly serve.

I commend this remarkable and professional team for prioritizing the families in their care and encourage all Members to visit their local departments of social services.

It is vital that we prioritize the hardworking families in eastern North Carolina, especially those who count on programs like Medicaid and SNAP without abusing them.

Mr. Speaker, I am honored to stand with the people of Hertford County and eastern North Carolina.

DELIVERING ON AMERICA FIRST

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, voters made their mandate clear for a Republican House and a Republican Senate to deliver the One Big Beautiful Bill Act to President Donald Trump on behalf of American families.

Passage of this comprehensive law delivers on the America First agenda of President Trump by eliminating wasteful government spending and making government work effectively for American families. Limited government prevails over Big Government.

This law provides a framework to secure the border, unleash American energy dominance, extend the Trump tax cuts, create jobs, bring common sense to government, and more. Medicare and Social Security will be protected, ensuring services to the most vulnerable American citizens. Promises made, promises kept.

In conclusion, God bless our troops as the global war on terrorism continues. Trump is reinstituting existing laws to protect American families with peace through strength, revealing war criminal Putin lies, insulting and mocking Trump with “lovely” talks with Putin and then “bomb people at night,” murdering civilians in Ukraine.

LIVES LOST DUE TO U.S. ENDING FOOD AID

(Mr. MAGAZINER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MAGAZINER. Mr. Speaker, I rise today for the 27th time to call on the Trump administration to restore funding for lifesaving food aid for malnourished children.

According to data compiled by Boston University, more than 70,000 children—children—have died this year because the Trump administration has frozen food aid that had been delivered by this country for years prior. This is the real-time human cost of inaction.

Again, the Trump administration has said that they are going to restore this aid. They have been saying it for months. Marco Rubio said it. Elon Musk said it when he was still at the administration. They haven’t done it.

A month ago, they said that they were going to issue an RFP now and get this aid moving again. The RFP was issued. Nonprofit organizations, including Edesia Nutrition, have responded to it. The administration has been sitting on it for a month.

What are they waiting for? Every day that they fail to act is a day that children die. They need to keep their word. Restore this aid.

COMMEMORATING 81ST ANNIVERSARY OF LIBERATION OF GUAM

(Mr. MOYLAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MOYLAN. Mr. Speaker, I rise today in solemn remembrance to commemorate the 81st anniversary of the liberation of Guam, a day of profound meaning to all who call our island home.

On July 21, 1944, the United States Armed Forces arrived on the shores of Guam to liberate our island from nearly 3 years of brutal imperial Japanese occupation during World War II. They courageously fought to reclaim our home and restore the promise of freedom.

Some endured unbearable suffering. Some gave their lives. Some still carry

the scars of those dark and painful years. We honor them all.

Through years marked with immense loss, families were torn apart, villages destroyed, and our language and our culture silenced. Yet, Guam’s Greatest Generation never gave in. They held on to hope, faith, and one another. That quiet resilience, rooted in the community, is what carried them through.

To our survivors, veterans, and every person who carries this history in their hearts: “God bless and thank you”; “Si Yu’us ma’ase.”

“Long Live Guam”; “Biba Guam.” “Long Live liberation day”; “Biba Liberation Day.”

LAND CONVEYANCES FOR ALASKA NATIVE VIETNAM VETERANS

(Mr. BEGICH asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BEGICH. Mr. Speaker, I rise today to speak on H.R. 410, the Alaska Native Vietnam Era Veterans Land Allotment Extension Act of 2025.

This bill extends the application period for the Alaska Native Vietnam era veterans land allotment program by 5 years, ensuring that eligible veterans can claim the land that they were promised.

For decades, thousands of Alaska Native veterans who served in Vietnam were unfairly denied the ability to apply for land allotments due to their service overseas. While Congress took steps to correct this injustice, the executive branch, until recently, has been slow processing applications and conveyances, leaving many veterans in limbo.

As of January 2025, out of more than 2,000 eligible veterans, only 41 applications have been certified, and only 18 veterans have received their conveyances.

Fortunately, executive orders issued by the current administration have reinstated Federal land withdrawals that were previously revoked. This bill will give these veterans time to participate in the program, with ample land for viable selections.

These veterans served our country honorably, and we need to make sure that they are not denied what they were promised.

I thank the Speaker for consideration of H.R. 410, and I urge my colleagues to support this bill.

The SPEAKER pro tempore (Mr. HARRIGAN). Pursuant to clause 12(a) of rule I, the Chair declares the House in recess subject to the call of the Chair.

Accordingly (at 2 o’clock and 15 minutes p.m.), the House stood in recess.
