

The SPEAKER pro tempore. For the third time, Members are reminded not to engage in personalities toward the President.

Mr. AUSTIN SCOTT of Georgia. Mr. Speaker, I yield myself the balance of my time.

Mr. Speaker, first of all, it wasn't a speedboat. It was a panga full of drugs. I would rather that so-called speedboat, as they call it—I call it a panga full of drugs—be at the bottom of the ocean than another American be at the bottom of a six-foot hole because of drug overdoses.

I personally think the President and the Secretary of Defense made the right choice, and I hope they will do it again. In fact, I challenge them to do it again.

Mr. Speaker, this week the House can advance two pieces of legislation under this rule. H.R. 3838, the Streamlining Procurement for Effective Execution and Delivery and National Defense Authorization Act for Fiscal Year 2026, significantly improves the defense acquisition system. The act implements the Peace Through Strength agenda and restores lethality to our Armed Forces. It secures America's borders and improves the quality of life of our servicemembers.

The fiscal year '26 NDAA reforms key programs and saves taxpayer dollars, resulting in a ready, capable, and lethal fighting force. This legislation will deter China, defend Israel, and counter Russia, North Korea, Iran, and other foreign terrorist organizations, including the drug dealers riding around the oceans with pangas full of dope.

Finally, this act strengthens our nuclear deterrence, builds the Golden Dome, and grows our Nation's strategic space capabilities. This is bipartisan, must-pass legislation that every one of my colleagues should support.

Additionally, H.R. 3486, the Stop Illegal Entry Act of 2025, simply strengthens current law to deter criminal aliens from entering and reentering again and again the United States and gives Federal officials more tools to prosecute aliens who have illegally entered the country and are convicted of a felony or who try to reenter the country after removal following a felony conviction.

Mr. Speaker, I urge my colleagues to join me in voting "yes" on the previous question and "yes" on the rule.

The material previously referred to by Ms. SCANLON is as follows:

AN AMENDMENT TO H. RES. 682 OFFERED BY
MS. SCANLON OF PENNSYLVANIA

At the end of the resolution, add the following:

SEC. 6. Immediately upon adoption of this resolution, the House shall proceed to the consideration in the House of the bill (H.R. 4849) to repeal health-related portions of An Act to provide for reconciliation pursuant to title II of H. Con. Res. 14, and for other purposes. All points of order against consideration of the bill are waived. The bill shall be considered as read. All points of order against provisions in the bill are waived. The

previous question shall be considered as ordered on the bill and on any amendment thereto to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Ways and Means or their respective designees; and (2) one motion to recommit.

SEC. 7. Clause 1(c) of rule XIX shall not apply to the consideration of H.R. 4849.

Mr. AUSTIN SCOTT of Georgia. Mr. Speaker, I yield back the balance of my time, and I move the previous question on the resolution.

The SPEAKER pro tempore. The question is on ordering the previous question.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Ms. SCANLON. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this question will be postponed.

CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO PERSONS WHO COMMIT, THREATEN TO COMMIT, OR SUPPORT TERRORISM—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 119-93)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs and ordered to be printed:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to persons who commit, threaten to commit, or support terrorism declared in Executive Order 13224 of September 23, 2001, as amended, is to continue in effect beyond September 23, 2025.

The crisis constituted by the grave acts of terrorism and threats of terrorism committed by foreign terrorists, including the terrorist attacks on September 11, 2001, in New York and Pennsylvania and against the Pentagon, and the continuing and immediate threat of further attacks on United States nationals or the United States that led to the declaration of a national emergency on September 23, 2001, has not been resolved. This crisis continues to pose an unusual and extraordinary threat to the national security, foreign policy, and economy of

the United States. Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 13224, as amended, with respect to persons who commit, threaten to commit, or support terrorism.

DONALD J. TRUMP.
THE WHITE HOUSE, September 8, 2025.

CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO ETHIOPIA—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 119-94)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs and ordered to be printed:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to Ethiopia declared in Executive Order 14046 of September 17, 2021, is to continue in effect beyond September 17, 2025.

The situation in and in relation to northern Ethiopia, which has been marked by activities that threaten the peace, security, and stability of Ethiopia and the greater Horn of Africa region, continues to pose an unusual and extraordinary threat to the national security and foreign policy of the United States.

Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 14046 with respect to Ethiopia.

DONALD J. TRUMP.
THE WHITE HOUSE, September 8, 2025.
