MOTION TO INSTRUCT OFFERED BY MS. DELAURO

The SPEAKER pro tempore. The Clerk will report the motion.

The Clerk read as follows:

Ms. DeLauro of Connecticut moves that the managers on the part of the House at the conference on the disagreeing votes of the two Houses on the Senate amendment to the bill, H.R. 3944, be instructed to agree to the funding level proposed for the Special Supplemental Nutrition Program for Women, Infants, and Children [WIC] (\$8.2 billion) as part of the matter proposed to be added by the Senate amendment.

The SPEAKER pro tempore. Pursuant to clause 7 of rule XXII, the gentleman from Connecticut (Ms. DELAURO) and the gentlewoman from Iowa (Mrs. HINSON) each will control 30 minutes.

The Chair recognizes the gentlewoman from Connecticut.

Ms. DELAURO. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of the motion to instruct conferees to adopt the Senate funding level for Special Supplemental Nutrition Program for

Women, Infants, and Children, WIC, as part of the conference on three fiscal year 2026 funding bills: Agriculture, Military Construction and Veterans Affairs, and legislative branch.

Besides cutting WIC to unacceptable levels, House Republicans are coming to the table with funding bills that are filled with extreme reckless cuts and harmful riders that have been rejected on a bipartisan basis.

We are now 9 months into this administration and weeks away from the end of the fiscal year, and the cost-of-living crisis has only gotten worse under President Trump. Americans are struggling with rising costs of everyday necessities. They are living paycheck to paycheck, but the President and House Republicans are not laser focused on the cost-of-living crisis. They are making it worse.

Instead of lowering prices, Republicans passed a bill to cut nearly a trillion dollars from Medicaid and the Affordable Care Act, which will strip healthcare coverage for more than 15 million people. Over \$500 billion in cuts to Medicare will be triggered by this law, harming America's seniors. In their signature law, Republicans slashed nutrition benefits for poor families, which will cause an additional 1 million kids to go hungry.

They did all of this in order to pass trillions of dollars in tax cuts for big corporations and for billionaires, adding \$4 trillion to the national debt over the next 10 years.

Since then, House Republicans have only doubled down on their attacks on the working class, the middle class, and vulnerable Americans.

Last night, Republicans on the Appropriations Committee forced through their reckless 2026 Labor, Health and Human Services, and Education, and Related Agencies funding bill that assaults public health, slashes medical research, eliminates funding for reproductive health, and eviscerates education and job training.

They used this bill not to right the wrongs of their big, ugly law, but to make healthcare even more expensive and slash research into lifesaving cures.

They cut funding for the National Institutes of Health and the Centers for Disease Control and Prevention. They slashed funding for State and local health departments, substance use prevention and treatment, mental health services, and eliminated funding for tobacco prevention and HIV/AIDS prevention and treatment.

To top it all off, House Republicans continue to full-scale attempt to eliminate public education, decimating support for children in K through 12 elementary schools, and threatening the future of the entire generation.

The Labor, Health and Human Services, and Education funding bill was cut from the same cloth as the agriculture funding bill we are preparing to conference. At a time when families around the country are struggling to
