

H.R. 3632 has broad support from America's Power, the National Hydro-power Association, Americans for Prosperity, and the National Mining Association.

Democrats like to talk about affordability, but electricity prices went up over 25 percent—25 percent—during the Biden administration. House Republicans are taking action with legislation like H.R. 3632, to help lower Americans' utility bills.

Mr. Speaker, I urge my colleagues to support the Power Reliability Act, and I yield back the balance of my time.

The SPEAKER pro tempore. All time for debate has expired.

Pursuant to House Resolution 951, the previous question is ordered on the bill.

The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.
