

least three days prior to such meeting, and no new items may be added after the agenda is so published except by the approval of a majority of all the Members of the Committee on matters not included on the public agenda. The Staff Director shall promptly notify absent Members of any action taken by the Committee on matters not included on the published agenda.

(c) As warranted, the Chairman, in consultation with the Ranking Member, may impose a filing deadline for first degree amendments for any legislative business meeting of the Committee.

QUORUMS

Rule 6. (a) Except as provided in subsections (b) and (c), seven Members shall constitute a quorum for the conduct of business of the Committee.

(b) No measure or matter shall be ordered reported from the Committee unless 11 Members of the Committee are actually present at the time such action is taken.

(c) One Member shall constitute a quorum for the purpose of conducting a hearing or taking testimony on any measure or matter before the Committee or any Subcommittee.

VOTING

Rule 7. (a) A roll call of the Members shall be taken upon the request of any Member. Any Member who does not vote on any roll call at the time the roll is called, may vote (in person or by proxy) on that roll call at any later time during the same business meeting.

(b) Proxy voting shall be permitted on all matters, except that proxies may not be counted for the purpose of determining the presence of a quorum. Unless further limited, a proxy shall be exercised only upon the date for which it is given and upon the items published in the agenda for that date.

(c) Each Committee report shall set forth the vote on the motion to report the measure or matter involved. Unless the Committee directs otherwise, the report will not set out any votes on amendments offered during Committee consideration. Any Member who did not vote on any roll call shall have the opportunity to have his or her position recorded in the appropriate Committee record or Committee report.

(d) The Committee vote to report a measure to the Senate shall also authorize the staff of the Committee to make necessary technical and clerical corrections in the measure.

SUBCOMMITTEES

Rule 8. (a) The number of Members assigned to each Subcommittee and the division between Majority and Minority Members shall be fixed by the Chairman in consultation with the Ranking Minority Member.

(b) Assignment of Members to Subcommittees shall, insofar as possible, reflect the preferences of the Members. No Member will receive assignment to a second Subcommittee until, in order of seniority, all Members of the Committee have chosen assignments to one Subcommittee, and no Member shall receive assignment to a third Subcommittee until, in order of seniority, all Members have chosen assignments to two Subcommittees.

(c) Any Member of the Committee may sit with any Subcommittee during its hearings but shall not have the authority to vote on any matters before the Subcommittee unless he or she is a Member of such Subcommittee.

NOMINATIONS

Rule 9. At any hearing to confirm a Presidential nomination, the testimony of the nominee and, at the request of any Member, any other witness shall be under oath. Every nominee shall submit the financial disclosure

report filed pursuant to title I of the Ethics in Government Act of 1978. Such report is made available to the public.

INVESTIGATIONS

Rule 10. (a) Neither the Committee nor any of its Subcommittees may undertake an investigation unless specifically authorized by the Chairman and the Ranking Minority Member or a majority of all the Members of the Committee.

(b) A witness called to testify in an investigation shall be informed of the matter or matters under investigation, given a copy of these rules, given the opportunity to make a brief and relevant oral statement before or after questioning, and be permitted to have counsel of his or her choosing present during his or her testimony at any public or closed hearing, or at any unsworn interview, to advise the witness of his or her legal rights.

(c) For purposes of this rule, the term "investigation" shall not include a review or study undertaken pursuant to paragraph 8 of Rule XXVI of the Standing Rules of the Senate or a preliminary inquiry, undertaken at the direction of the Chairman or the Ranking Member, intended to determine whether there is substantial credible evidence that would warrant an investigation.

SWORN TESTIMONY

Rule 11. Witnesses in Committee or Subcommittee hearings may be required to give testimony under oath whenever the Chairman or Ranking Minority Member of the Committee or Subcommittee deems such to be necessary. If one or more witnesses at a hearing are required to testify under oath, all witnesses at such hearing shall be required to testify under oath.

SUBPOENAS

Rule 12. The Chairman shall have authority to issue subpoenas for the attendance of witnesses or the production of memoranda, documents, records, or other materials (1) with the agreement of the Ranking Minority Member, (2) when authorized by a majority of all the Members of the Committee, or (3) when within the scope of an investigation authorized under Rule 10(a).

CONFIDENTIAL TESTIMONY

Rule 13. No confidential testimony taken by or any report of the proceedings of a closed Committee or Subcommittee meeting shall be made public, in whole or in part or by way of summary, unless authorized by a majority of all the Members of the Committee at a business meeting called for the purpose of making such a determination.

DEFAMATORY STATEMENTS

Rule 14. Any person whose name is mentioned or who is specifically identified in, or who believes that testimony or other evidence presented at, an open Committee or Subcommittee hearing tends to defame him or her or otherwise adversely affect his or her reputation may file with the Committee for its consideration and action a sworn statement of facts relevant to such testimony or evidence.

BROADCASTING OF HEARINGS OR MEETINGS

Rule 15. Any meeting or hearing by the Committee or any Subcommittee which is open to the public may be covered in whole or in part by web, television, radio broadcast, or still photography. Photographers and reporters using mechanical recording, filming, or broadcasting devices shall position their equipment so as not to interfere with the seating, vision, and hearing of Members and staff on the dais or with the orderly process of the meeting or hearing.

AMENDING THE RULES

Rule 16. These rules may be amended only by vote of a majority of all the Members of

the Committee in a business meeting of the Committee: Provided, that no vote may be taken on any proposed amendment unless such amendment is reproduced in full in the Committee agenda for such meeting at least three days in advance of such meeting.

1.2. The Chairman shall have authority, upon notice, to call such additional meetings of the Committee as the Chairman may deem necessary and may delegate such authority to any other member of the Committee.

1.3. A special meeting of the Committee may be called at any time upon the written request of five or more members of the Committee filed with the Clerk of the Committee.

1.4. In the case of any meeting of the Committee, other than a regularly scheduled meeting, the Clerk of the Committee shall notify every member of the Committee of the time and place of the meeting and shall give reasonable notice which, except in extraordinary circumstances, shall be at least 24 hours in advance of any meeting held in Washington, D.C. and at least 48 hours in the case of any meeting held outside Washington, D.C.

1.5. If five members of the Committee have made a request in writing to the Chairman to call a meeting of the Committee, and the Chairman fails to call such a meeting within seven calendar days thereafter, including the day on which the written notice is submitted, these members may call a meeting by filing a written notice with the Clerk of the Committee who shall promptly notify each member of the Committee in writing of the date and time of the meeting.

RULE 2. MEETING PROCEDURES

2.1. Meetings of the Committee shall be open to the public except as provided in paragraph 5(b) of rule XXVI of the Standing Rules of the Senate.

2.2. It shall be the duty of the Staff Director to keep or cause to be kept a record of all Committee proceedings.

2.3. The Chairman of the Committee, or if the Chairman is not present the Vice Chairman, shall preside over all meetings of the Committee. In the absence of the Chairman and the Vice Chairman at any meeting, the ranking majority member, or if no majority member is present, the ranking minority member present, shall preside.

2.4. Consistent with Senate rule XXVI and except as otherwise provided in these Rules, decisions of the Committee shall be by a majority vote of the members physically present and voting. A quorum for the transaction of Committee business, including the conduct of executive sessions, shall consist of no less than one third of the Committee members, except that for the purpose of

hearing witnesses, taking sworn testimony, and receiving evidence under oath, a quorum may consist of one Senator.

2.5. A vote by any member of the Committee with respect to any measure or matter being considered by the Committee may be cast by proxy if the proxy authorization (1) is in writing; (2) designates the member of the Committee who is to exercise the proxy; (3) is limited to a specific measure or matter and any amendments pertaining thereto; and (4) is signed by the member wishing to cast a vote by proxy, either by handwritten signature or autopen. Proxies shall not be considered for the establishment of a quorum.

2.6. Whenever the Committee by roll call vote reports any measure or matter, the report of the Committee upon such measure or matter shall include a tabulation of the votes cast in favor of and the votes cast in opposition to such measure or matter by each member of the Committee.

RULE 3. SUBCOMMITTEES

Creation of subcommittees shall be by majority vote of the Committee. Subcommittees shall deal with such legislation and oversight of programs and policies as the Committee may direct. The subcommittees shall be governed by the Rules of the Committee and by such other rules they may adopt which are consistent with the Rules of the Committee. Each subcommittee created shall have a chairman and a vice chairman who are selected by the Chairman and Vice Chairman, respectively.

RULE 4. REPORTING OF MEASURES OR RECOMMENDATIONS

4.1. No measures or recommendations shall be reported from the Committee unless a majority of the Committee is physically present and a majority concur.

4.2. In any case in which the Committee is unable to reach a unanimous decision, separate views or reports may be presented by any member or members of the Committee.

4.3. A member of the Committee who gives notice of intention to file supplemental, minority, or additional views at the time of final Committee approval of a measure or matter, shall be entitled to not less than three weekdays in which to file such views, in writing with the Clerk of the Committee. Such views shall then be included in the Committee report and printed in the same volume, as a part thereof, and their inclusion shall be noted on the cover of the report.

4.4. Routine, non-legislative actions required of the Committee may be taken in accordance with procedures that have been approved by the Committee pursuant to these Committee Rules.

RULE 5. NOMINATIONS

5.1. Unless otherwise ordered by a joint determination made by the Chairman and Vice Chairman, nominations referred to the Committee shall be held for at least 14 calendar days before being voted on by the Committee.

5.2. Each member of the Committee shall be promptly furnished a copy of all nominations referred to the Committee.

5.3. Nominees who are invited to appear before the Committee shall be heard in public session, except as provided in Rule 2.1.

5.4. Unless otherwise ordered by a joint determination made by the Chairman and Vice Chairman, no confirmation hearing shall be held sooner than seven calendar days after receipt of the background questionnaire, financial disclosure statement, and responses to additional pre-hearing questions, if transmitted.

5.5. The Committee vote to report a nomination shall not be sooner than 48 hours after the Committee has received transcripts of the confirmation hearing and responses to

post-hearing questions for the record, if transmitted, unless the time limit is waived by unanimous consent of the Committee.

5.6. No nomination shall be reported to the Senate unless the nominee has filed a response to the Committee's background questionnaire and financial disclosure statement with the Committee and has undergone a background investigation.

5.7. The Committee shall make public the vote of each member on a nomination reported to the Senate.

RULE 6. INVESTIGATIONS

No investigation shall be initiated by the Committee unless at least five members of the Committee have specifically requested the Chairman or the Vice Chairman to authorize such an investigation. Authorized investigations may be conducted by members of the Committee and/or designated Committee staff members.

RULE 7. SUBPOENAS

Subpoenas authorized by the Committee for the attendance of witnesses or the production of memoranda, documents, records, or any other material may be issued by the Chairman, the Vice Chairman or any member of the Committee designated by the Chairman, and may be served by any person designated by the Chairman, Vice Chairman or member issuing the subpoenas. Each subpoena shall have attached thereto a copy of S. Res. 400 of the 94th Congress, as amended, and a copy of these Rules.

RULE 8. PROCEDURES RELATED TO THE TAKING OF TESTIMONY

8.1. Notice.—Witnesses required to appear before the Committee shall be given reasonable notice and all witnesses shall be furnished a copy of these Rules.

8.2. Oath or Affirmation.—At the direction of the Chairman or Vice Chairman, testimony of witnesses may be given under oath or affirmation which may be administered by any member of the Committee.

8.3. Questioning.—Committee questioning of witnesses shall be conducted by members of the Committee and such Committee staff as are authorized by the Chairman, Vice Chairman, or the presiding member.

8.4. Counsel for the Witness.—(a) Generally. Any witness may be accompanied by counsel, subject to the requirement of paragraph (b).

(b) Counsel Clearances Required. In the event that a meeting of the Committee has been closed because the subject matter was classified in nature, counsel accompanying a witness before the Committee must possess the requisite security clearance and provide proof of such clearance to the Committee at least 24 hours prior to the meeting at which the counsel intends to be present. A witness who is unable to obtain counsel may inform the Committee of such fact. If the witness informs the Committee of this fact at least 24 hours prior to his or her appearance before the Committee, the Committee shall then endeavor to obtain voluntary counsel for the witness. Failure to obtain such counsel will not excuse the witness from appearing and testifying.

(c) Conduct of Counsel for the Witness. Counsel for witnesses appearing before the Committee shall conduct themselves in an ethical and professional manner at all times in their dealings with the Committee. Failure to do so shall, upon a finding to that effect by a majority of the members present, subject such counsel to disciplinary action which may include warning, censure, removal, or a recommendation of contempt proceedings.

(d) Role of Counsel for Witness. There shall be no direct or cross-examination by counsel for the witness. However, counsel for the

witness may submit any question in writing to the Committee and request the Committee to propound such question to the counsel's client or to any other witness. The counsel for the witness also may suggest the presentation of other evidence or the calling of other witnesses. The Committee may use or dispose of such questions or suggestions as it deems appropriate.

8.5. Statements by Witnesses.—Witnesses may make brief and relevant statements at the beginning and conclusion of their testimony. Such statements shall not exceed a reasonable period of time as determined by the Chairman, or other presiding members. Any witness required or desiring to make a prepared or written statement for the record of the proceedings shall file an electronic copy with the Clerk of the Committee, and insofar as practicable and consistent with the notice given, shall do so at least 48 hours in advance of his or her appearance before the Committee, unless the Chairman and Vice Chairman determine there is good cause for noncompliance with the 48 hours requirement.

8.6. Objections and Rulings.—Any objection raised by a witness or counsel shall be ruled upon by the Chairman or other presiding member, and such ruling shall be the ruling of the Committee unless a majority of the Committee present overrules the ruling of the chair.

8.7. Inspection and Correction.—All witnesses testifying before the Committee shall be given a reasonable opportunity to inspect, in the office of the Committee, the transcript of their testimony to determine whether such testimony was correctly transcribed. The witness may be accompanied by counsel. Any corrections the witness desires to make in the transcript shall be submitted in writing to the Committee within five days from the date when the transcript was made available to the witness. Corrections shall be limited to grammar and minor editing, and may not be made to change the substance of the testimony. Any questions arising with respect to such corrections shall be decided by the Chairman. Upon request, the Committee may provide to a witness those parts of testimony given by that witness in executive session which are subsequently quoted or made part of a public record, at the expense of the witness.

8.8. Requests To Testify.—The Committee will consider requests to testify on any matter or measure pending before the Committee. A person who believes that testimony or other evidence presented at a public hearing, or any comment made by a Committee member or a member of the Committee staff, may tend to affect adversely that person's reputation, may request in writing to appear personally before the Committee to testify or may file a sworn statement of facts relevant to the testimony, evidence, or comment, or may submit to the Chairman proposed questions in writing for the questioning of other witnesses. The Committee shall take such action as it deems appropriate.

8.9. Contempt Procedures.—No recommendation that a person be cited for contempt of Congress or that a subpoena be otherwise enforced shall be forwarded to the Senate unless and until the Committee has, upon notice to all its members, met and considered the recommendation, afforded the person an opportunity to address such contempt recommendation or subpoena enforcement proceeding either in writing or in person, and agreed by majority vote of the Committee to forward such recommendation to the Senate.

8.10. Release of Name of Witness.—Unless authorized by the Chairman, the name of any witness scheduled to be heard by the

Committee shall not be released prior to, or after, appearing before the Committee. Upon authorization by the Chairman to release the name of a witness under this paragraph, the Vice Chairman shall be notified of such authorization as soon as practicable thereafter. No name of any witness shall be released if such release would disclose classified information, unless authorized under Section 8 of S. Res. 400 of the 94th Congress, as amended, or Rule 9.

RULE 9. PROCEDURES FOR HANDLING CLASSIFIED OR COMMITTEE SENSITIVE MATERIAL

9.1. Committee staff offices shall operate under strict security procedures administered by the Committee Security Director under the direct supervision of the Staff Director and Minority Staff Director. At least one United States Capitol Police Officer shall be on duty at all times at the entrance of the Committee to control entry. Before entering the Committee office space all persons shall identify themselves and provide identification as requested.

9.2. Classified documents and material shall be stored in authorized security containers located within the Committee's Sensitive Compartmented Information Facility (SCIF). Copying, duplicating, or removing from the Committee offices of such documents and other materials is strictly prohibited except as is necessary for the conduct of Committee business, and as provided by these Rules. All classified documents or materials removed from the Committee offices for such authorized purposes must be returned to the Committee's SCIF for overnight storage.

9.3. "Committee sensitive" means information or material that pertains to the confidential business or proceedings of the Select Committee on Intelligence, in the possession or under the control of the Committee, and (1) is discussed or presented in an executive session of the Committee; (2) contains Committee work product; or (3) is designated as such by the Chairman and Vice Chairman (or by the Staff Director and Minority Staff Director acting on their behalf). Committee sensitive documents and materials that meet these criteria should be marked as such. Committee sensitive documents and materials that are classified shall be handled in the same manner as classified documents and material in Rule 9.2. Unclassified committee sensitive documents and materials shall be stored in a manner to protect against unauthorized disclosure.

9.4. Each member of the Committee shall at all times have access to all papers and other material received from any source. The Staff Director shall be responsible for the maintenance, under appropriate security procedures, of a document control and accountability registry which will number and identify all classified papers and other classified materials in the possession of the Committee, and such registry shall be available to any member of the Committee.

9.5. Whenever the Select Committee on Intelligence makes classified material available to any other committee of the Senate or to any member of the Senate not a member of the Committee, such material shall be accompanied by a verbal or written notice to the recipients advising of their responsibility to protect such materials pursuant to section 8 of S. Res. 400 of the 94th Congress, as amended. The Security Director of the Committee shall ensure that such notice is provided and shall maintain a written record identifying the particular information transmitted and the committee or members of the Senate receiving such information.

9.6. Access to classified information supplied to the Committee shall be limited to those Committee staff members with appro-

priate security clearance and a need-to-know, as determined by the Committee, and, under the Committee's direction, the Staff Director and Minority Staff Director.

9.7. (a) No member of the Committee or of the Committee staff shall disclose, in whole or in part or by way of summary, the contents of any classified or committee sensitive papers, materials, briefings, testimony, or other information received by, or in the possession of, the Committee to persons outside the Committee, except as specified in this rule.

(b) Except as provided in subsection (c), with respect to the classified annex to the Committee's report accompanying the annual Intelligence Authorization Act, Committee members and staff do not need prior approval to disclose classified or committee sensitive information to persons in the Executive branch, the members and staff of the House Permanent Select Committee on Intelligence, and the members and staff of the Senate, provided that the following conditions are met: (1) for classified information, the recipients of the information must possess appropriate security clearances (or have access to the information by virtue of their office); (2) for all information, the recipients of the information must have a need-to-know such information for an official governmental purpose; and (3) for all information, the Committee members and staff who provide the information must be engaged in the routine performance of Committee legislative or oversight duties.

(c) Except as authorized pursuant to subsection (d), the classified annex to the Committee's report accompanying the annual Intelligence Authorization Act may be disclosed only to the Executive Branch, the members and staff of the House Permanent Select Committee on Intelligence, and the members and staff of the Senate Committee on Appropriations if the recipients possess the appropriate security clearance and a need-to-know such information for the purpose of enacting an appropriations or authorization bill which includes an authorization or appropriation for intelligence agencies or programs.

(d) Classified and committee sensitive information may be disclosed to persons outside the Committee (to include any congressional committee, Member of Congress, congressional staff, or specified non-governmental persons who support intelligence activities) with the prior approval of the Chairman and Vice Chairman of the Committee, or the Staff Director and Minority Staff Director acting on their behalf, consistent with the requirements that classified information may only be disclosed to persons with appropriate security clearances and a need-to-know such information for an official governmental purpose. Public disclosure of classified information in the possession of the Committee may only be authorized in accordance with Section 8 of S. Res. 400 of the 94th Congress, as amended.

9.8. Failure to abide by Rule 9.7 shall constitute grounds for referral to the Select Committee on Ethics pursuant to Section 8 of S. Res. 400 of the 94th Congress, as amended. Prior to a referral to the Select Committee on Ethics pursuant to Section 8 of S. Res. 400, the Chairman and Vice Chairman shall notify the Majority Leader and Minority Leader.

9.9. Before the Committee makes any decision regarding the disposition of any testimony, papers, or other materials presented to it, the Committee members shall have a reasonable opportunity to examine all pertinent testimony, papers, and other materials that have been obtained by the members of the Committee or the Committee staff.

9.10. Attendance of persons outside the Committee at closed meetings of the Com-

mittee shall be kept at a minimum and shall be limited to persons with appropriate security clearance and a need-to-know the information under consideration for the execution of their official duties. The Security Director of the Committee may require that notes taken at such meetings by any person in attendance shall be returned to the secure storage area in the Committee's offices at the conclusion of such meetings, and may be made available to the department, agency, office, committee, or entity concerned only in accordance with the security procedures of the Committee.

9.11. Attendance of agencies or entities that were not formally invited to a closed proceeding of the Committee shall not be admitted to the closed meeting except upon advance permission from the Chairman and Vice Chairman, or by the Staff Director and Minority Staff Director acting on their behalf.

RULE 10. STAFF

10.1. For purposes of these rules, Committee staff includes employees of the Committee, consultants to the Committee, or any other person engaged by contract or otherwise to perform services for or at the request of the Committee. To the maximum extent practicable, the Committee shall rely on its full-time employees to perform all staff functions. No individual may be retained as staff of the Committee or to perform services for the Committee unless that individual holds appropriate security clearances.

10.2. The appointment of Committee staff shall be approved by the Chairman and Vice Chairman, acting jointly, or, at the initiative of both or either, be confirmed by a majority vote of the Committee. After approval or confirmation, the Chairman shall certify Committee staff appointments to the Financial Clerk of the Senate in writing. No Committee staff shall be given access to any classified information or regular access to the Committee offices until such Committee staff has received an appropriate security clearance as described in Section 6 of S. Res. 400 of the 94th Congress, as amended.

10.3. The Committee staff works for the Committee as a whole, under the supervision of the Chairman and Vice Chairman of the Committee. The duties of the Committee staff shall be performed, and Committee staff personnel affairs and day-to-day operations, including security and control of classified documents and material, shall be administered under the direct supervision and control of the Staff Director. All Committee staff shall work exclusively on intelligence oversight issues for the Committee. The Minority Staff Director and the Minority Counsel shall be kept fully informed regarding all matters and shall have access to all material in the files of the Committee.

10.4. The Committee staff shall assist the minority as fully as the majority in the expression of minority views, including assistance in the preparation and filing of additional, separate, and minority views, to the end that all points of view may be fully considered by the Committee and the Senate.

10.5. The members of the Committee staff shall not discuss either the substance or procedure of the work of the Committee with any person not a member of the Committee or the Committee staff for any purpose or in connection with any proceeding, judicial or otherwise, either during their tenure as a member of the Committee staff or at any time thereafter, except as directed by the Committee in accordance with Section 8 of S. Res. 400 of the 94th Congress, as amended, and the provisions of these rules, or in the event of the termination of the Committee, in such a manner as may be determined by

the Senate. The Chairman may authorize the Staff Director and the Staff Director's designee, and the Vice Chairman may authorize the Minority Staff Director and the Minority Staff Director's designee, to communicate with the media in a manner that does not divulge classified or committee sensitive information.

10.6. No member of the Committee staff shall be employed by the Committee unless and until such a member of the Committee staff agrees in writing, as a condition of employment, to abide by the conditions of the nondisclosure agreement promulgated by the Select Committee on Intelligence, pursuant to Section 6 of S. Res. 400 of the 94th Congress, as amended, and to abide by the Committee's code of conduct.

10.7. As a precondition for employment on the Committee, each member of the Committee staff must agree in writing to notify the Committee of any request for testimony, either during service as a member of the Committee staff or at any time thereafter with respect to information obtained by virtue of employment as a member of the Committee staff. Such information shall not be disclosed in response to such requests, except as directed by the Committee in accordance with Section 8 of S. Res. 400 of the 94th Congress, as amended, and the provisions of these rules or, in the event of the termination of the Committee, in such manner as may be determined by the Senate.

10.8. The Committee shall immediately consider action to be taken in the case of any member of the Committee staff who fails to conform to any of these Rules. Such disciplinary action may include, but shall not be limited to, revocation of the Committee sponsorship of the staff person's security clearance and immediate dismissal from the Committee staff.

10.9. Within the Committee staff shall be an element with the capability to perform audits of programs and activities undertaken by departments and agencies with intelligence functions. The audit element shall conduct audits and oversight projects that have been specifically authorized by the Chairman and Vice Chairman of the Committee, acting jointly through the Staff Director and Minority Staff Director. Staff shall be assigned to such element jointly by the Chairman and Vice Chairman, and staff with the principal responsibility for the conduct of an audit shall be qualified by training or experience in accordance with accepted auditing standards.

10.10. The workplace of the Committee shall be free from illegal use, possession, sale, or distribution of controlled substances by its employees. Any violation of such policy by any member of the Committee staff shall be grounds for termination of employment. Further, any illegal use of controlled substances by a member of the Committee staff, within the workplace or otherwise, shall result in reconsideration of the security clearance of any such staff member and may constitute grounds for termination of employment with the Committee.

10.11. All personnel actions affecting the staff of the Committee shall be made free from any discrimination based on race, color, religion, sex, national origin, age, handicap, or disability.

RULE 11. PREPARATION FOR COMMITTEE MEETINGS

11.1. Under direction of the Chairman and the Vice Chairman designated Committee staff members shall brief members of the Committee at a time sufficiently prior to any Committee meeting to assist the Committee members in preparation for such meeting and to determine any matter which the Committee member might wish consid-

ered during the meeting. Such briefing shall, at the request of a member, include a list of all pertinent papers and other materials that have been obtained by the Committee that bear on matters to be considered at the meeting.

11.2. The Staff Director and/or Minority Staff Director may recommend to the Chairman and the Vice Chairman the testimony, papers, and other materials to be presented to the Committee at any meeting. The determination whether such testimony, papers, and other materials shall be presented in open or executive session shall be made pursuant to the Rules of the Senate and Rules of the Committee.

11.3. The Staff Director shall ensure that covert action programs of the U.S. Government receive appropriate consideration by the Committee no less frequently than once a quarter.

RULE 12. LEGISLATIVE CALENDAR

12.1. The Clerk of the Committee shall maintain a calendar for the information of each Committee member showing the measures introduced and referred to the Committee and the status of such measures; nominations referred to the Committee and their status; and such other matters as the Committee determines shall be included. The calendar shall be available to all members of the Committee.

12.2. Measures referred to the Committee may be referred by the Chairman and/or Vice Chairman to the appropriate department or agency of the Government for reports thereon.

RULE 13. COMMITTEE TRAVEL

No member of the Committee or Committee Staff shall travel on Committee business unless specifically authorized by the Chairman and Vice Chairman. Requests for authorization of such travel shall state the purpose and extent of the trip. A full report shall be filed with the Committee when travel is completed.

RULE 14. SUSPENSION AND AMENDMENT OF THE RULES

14.1. These Rules may be modified, amended, or repealed by the Committee, provided that a notice in writing of the proposed change has been given to each member at least 48 hours prior to the meeting at which action thereon is to be taken.

14.2. These Rules shall continue and remain in effect from one Congress to the next Congress unless they are changed as provided herein.

TRIBUTE TO ROBERT SANTOS

Mr. PADILLA. Mr. President, earlier this year, Robert Santos announced his resignation as the 26th Director of the U.S. Census Bureau, marking the end of his service as the first person of color and the first Latino in history to be confirmed by this body to head the Bureau. I rise today to recognize his extraordinary service to the American people, his unshakeable integrity, and his unwavering commitment to our democracy.

Robert Luis Santos was born in San Antonio, TX—one of five children of two civil servants who worked at nearby Kelly Air Force Base. A proud third-generation Mexican American, Santos was raised in a predominantly Latino neighborhood on the northwest side of San Antonio.

In 1969, the death of his older brother, U.S. Army Spc. Rene Santos, in the

Vietnam war devastated the Santos family. But according to Santos, this tragedy and ultimate act of patriotism also inspired him to pursue his education and one day channel his brother's life and "give back to the country." He went on to earn his bachelor's degree in mathematics from Trinity University in San Antonio and, later, his master's in statistics from the University of Michigan.

After graduation, he set off on what would become an over 40-year-career as a highly respected statistician. In 2006, he became vice president and chief methodologist at the Urban Institute—a nonprofit research organization dedicated to American's upward mobility—a position he held for 15 years. And in 2020, he was elected president of the American Statistical Association.

During his time at the Urban Institute, he warned the Census Bureau of the threat of undercounting the national population in the 2020 Census, with a particular spotlight on Black and Latino populations; he opposed the addition of a citizenship question that would have undermined public confidence and participation in the census; and he spoke out against an early end to the national count during the COVID-19 pandemic.

Through it all, Robert Santos' motivation was accuracy and equity—never politics. At his Senate confirmation hearings, he stated: "Although this is a political appointment, I am no politician. I'm a scientist, executive-level manager, a researcher, and a longtime supporter of the Census Bureau."

That approach led to his nomination as Director of the Census Bureau by President Joe Biden in the spring of 2021. When he was confirmed that fall, he became not only the first Latino to serve as Director, but the first person of color the Senate confirmed to lead the Bureau.

His tenure marked a refreshing and sorely needed return to scientific and research-based—not political—work atop the Bureau. He worked particularly hard to conduct a more accurate count of communities of color and vulnerable communities who have been historically undercounted.

For the Nation, Santos' work was about more than just data collection. These accurate data are vital for Federal, State, and local governments to function properly and efficiently. They are about something as fundamental as accurate representation and equitable funding for Americans. And they are about an equal stake in our democracy.

Today, at a time when statisticians and leaders at every level of government fear the politicization of our census, Robert Santos leaves behind a legacy of integrity and accuracy that should be followed for decades to come.

On behalf of the entire State of California, I want to thank Robert; his wife of over 50 years Adella; his two children Emilio and Clarisa; and the entire Santos family.
